 - (B) assess the employee's ability to perform important aspects of the job;
 - (C) be administered in good faith and without discrimination; and
 - (D) be properly and accurately conducted.

6-6. Examinations.

- (c) An employee entrusted with test material must protect the confidentiality of that material and release materials only as required to conduct an examination authorized by the OHR Director.
- (d) An applicant or employee who takes an examination may review a written test, and his or her own answers in a written test, but only after the test has been graded, and only in the presence of an OHR employee or in the presence of an employee of another department designated by OHR.
- (e) The OHR Director may release information concerning the results of examinations to:
 - (1) the applicant or employee who took the examination;

6-7. Noncompetitive rating process. The OHR Director may establish an eligible list for employment or promotion on a noncompetitive basis for positions involving unskilled manual labor and for other classes of work if a competitive process is impractical.

6-8. Invalidation of rating process. The CAO must invalidate a rating process in whole or in part if an improper act occurred or if the rating process was not job-related or was discriminatory.

6-9. Eligible list. After the rating process is complete, OHR must establish an eligible list with the names of all qualified individuals grouped in appropriate rating categories. The OHR Director must determine the length of time that an eligible list will be in effect and may extend or abolish an eligible list for good cause. If an eligible list is abolished before the expiration date on the eligible list, OHR must notify in writing all individuals whose names appear on the list.

6-10. Priority eligible list.

- (a) The OHR Director must establish a priority eligible list to provide priority consideration in the following order to an employee who:

The employee is eligible for priority consideration for positions at or below the grade level that the employee held before the initial or temporary disability retirement or benefit was granted and must meet the minimum qualifications for any position for which the employee applies. If no position for which the employee is qualified is available in the previous department at or below the previous grade level, the employee may apply for vacant positions in other departments. The OHR Director should establish the salary for the position in which the individual is reemployed by considering the individual's salary history with the County and past work experience that is relevant to the new position.

6-11. Priority consideration for initial appointment to a County merit system position.

- (a) Definitions
 - (1) Person with a disability: A person who:

Management for noncompetitive appointment to Federal merit system positions under its special hiring authority; and

- (B) has been certified by the Maryland Department of Education Division of Rehabilitation Services or by an equivalent out-of-state vocational rehabilitation agency as meeting the definition of disability contained in (A) above.

(2) Veteran with a disability: A person who:

- (A) meets the definition of veteran contained in (3) below; and
- (B) is rated by the Department of Veterans Affairs with a compensable service-connected disability of 30 percent or more;

- (A) was honorably discharged from a branch of the United States armed services; and
- (B) has not already used veteran's credit to receive priority consideration for appointment to a Montgomery County position.

(b) Subject to persons who must be given priority under Section 6-10, the OHR Director must give priority consideration in the following order to persons who apply for initial appointment to a County merit system position in a normal competitive process and who are rated and placed in the highest rating category on the eligible list:

- (1) a veteran with a disability;
- (2) an equal preference for a veteran without a disability and for a person with a disability.

(c) To receive priority consideration under 6-11(b), an eligible applicant must apply for the preference on the application form and must provide the necessary certification or documentation within 14 calendar days after it is requested by OHR.

6-12. Hiring preference points for initial appointment to a County merit uniformed public safety position.

(a) Definitions

- (1) ***Hiring preference points:*** Numeric points that are added to the passing examination score, or interview rating total, of eligible applicants who apply for County merit positions as uniformed public safety officers in a normal competitive process. When the scoring system for examinations and interviews provides for a maximum score of other than 100, the numeric points to be added will be based on a percentage of the maximum

score. This will enable the preference points to carry equal weight regardless of the position applied for.

- (2) ***Uniformed public safety position:*** Police officer, firefighter/rescuer, or correctional officer.
- (3) ***Veteran :*** A person who:
 - (A) was honorably discharged or released from a branch of the United States armed services after at least 180 days of active military duty other than for training;
 - (B) was not granted a normal retirement from the United States armed services; and

- (4) ***Veteran with a disability:*** A person who:
 - (A) meets the definition of veteran contained in (3) above; and
 - (B) is rated by the Department of Veterans Affairs with a compensable service-connected disability of 30 percent or more.

- (c) ***Allocation of hiring preference points***
 - (1) veterans with disabilities receive 10 points or 10 percent, whichever is applicable; and
 - (2) veterans without disabilities receive 5 points or 5 percent, whichever is applicable; and
- (d) ***Application of hiring preference points to selection process***
 - (1) Hiring preference points under this section may be used by an applicant to apply for multiple County uniformed public safety positions. If an applicant obtains an appointment to a County uniform public safety merit position using the preference points, the points cannot be used again.
 - (2) Preference points cannot be used to help an applicant meet the minimum qualifications for a uniformed public safety merit position.
 - (3) Preference points cannot be used to help an applicant achieve a passing score on an examination. If a written or oral examination is required for the position, an applicant must achieve a passing score before any preference points can be added.
 - (4) Where the department selection process is based solely on a written or oral examination score, the points are added to the applicant's passing examination score.
 - (5) Where the department selection process requires an applicant to take a pass/fail examination and all applicants who pass the exam are then

interviewed, the points are added to the interview score.

6-13. Selection process. A department director may, in consultation with the OHR Director, use any selection process that meets the department's needs and is consistent with these Regulations.

6-14. Appeals by applicants. Under Section 33-9 of the County Code, a non-employee or employee applicant for a merit system position may file an appeal directly with the MSPB alleging that the decision of the CAO on the individual's application was arbitrary and capricious, illegal, based on political affiliation or other non-merit factors, or that the announced examination and scoring procedures were not followed.

 - (3) meets the minimum qualifications for the position;
 - (4) is able to perform the essential duties of the job with or without reasonable accommodation;
 - (5) passes a background check, if required for the position; and
 - (6) passes a physical examination, if required for the position.
- (b) A department director may noncompetitively appoint an individual to a County merit position under section (a) above in the following circumstances:

 - (2) to fill a position designated by the OHR Director as appropriate for the noncompetitive appointment of persons with severe disabilities without advertising the position; or

- (3) where a merit position has been advertised competitively and a qualified applicant who meets the eligibility requirement in (a) above applies for the position, a department director may hold the competitive process in abeyance and noncompetitively appoint the applicant with a severe disability.

- (6) If an applicant is not appointed to the position offered within 90 days after completing the pre-placement medical evaluation, an OMS staff member must review the medical information with the applicant to determine if any information has changed. An applicant who is not appointed within 12 months after completing the pre-placement medical evaluation must undergo another complete medical evaluation before appointment.
- (7) The County may use the results of a pre-placement medical evaluation to:
 - (A) determine the individual's current ability to perform essential functions of the offered position without significant threat to the health and safety of the individual or others;
 - (B) medically certify the individual's need for a work restriction or reasonable accommodation;
 - (C) establish baseline health information on an employee that may be used to monitor changes over time; and
 - (D) detect health problems in the individual that need follow-up.
- (8) The EME must base the determination of whether an individual is medically fit for a position on the medical history and findings that directly reflect on the individual's ability to perform the essential job

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

duties under the expected conditions. The EME must consider only medical findings that:

- (A) affect the individual's current ability to perform the essential job duties under the expected conditions; or
 - (B) indicate that the individual poses a direct threat to the health or safety of the individual or others.
- (9) If a current applicant had previously applied for a County position and tested positive for illegal drugs or illegal use of prescription drugs or refused a pre-employment drug test at that time, the EME as part of the current medical evaluation must require the applicant to either:
- (A) provide proof that the applicant:
 - (i) was referred to a healthcare provider for evaluation;
 - (ii) was evaluated for a substance abuse problem by the healthcare provider; and
 - (iii) successfully completed a treatment plan, if one was recommended by the healthcare provider; or
 - (B) provide a written statement, on the letterhead of the evaluating healthcare provider, that the applicant exhibits no problem with drugs or alcohol and no education or treatment is required.

(b) *Medical exam protocols.*

(1) *How medical exam protocols are established.*

- (A) The EME must establish a medical exam protocol for each County occupational class. The EME may include a medical history review, a physical evaluation, medical or physical tests, and consultations in a medical exam protocol.
- (B) The EME may require additional medical evaluations not included in the assigned medical exam protocol or may apply a different medical exam protocol, as appropriate:
 - (i) if one or more of the duties of a particular position or the conditions under which the duties are performed present risks or hazards not present in the duties assigned to other positions in the occupational class; or

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (ii) if necessary to determine the applicant's ability to perform the essential functions of the job with or without accommodation.
- (C) For vision and hearing tests that are part of a medical exam protocol, the EME must use guidelines that are relevant to essential job duties, working conditions, and work hazards that are based on:
 - (i) a validated job analysis and the consensus opinion of experts;
 - (ii) applicable Federal and State regulations; or
 - (iii) standards or recommendations of national or state professional associations.

(2) *Types of medical exam protocols.*

- (A) **Medical History Review.** An applicant subject to this protocol must complete a medical history form. The form is reviewed by OMS medical staff. This protocol is for:
 - (i) applicants for positions in occupational classes that are sedentary and that do not require drug screening, significant driving, or exposure to significant workplace hazards; and
 - (ii) applicants for temporary positions expected to last for 6 months or less.
- (B) **Limited Core Exam.** This protocol includes a medical history review, vision and hearing tests if the employee's position requires driving, and a drug test, if required for the position. Depending on the risks associated with the applicant's job, other tests and a hepatitis B vaccination may be required. This protocol is for applicants for positions in occupational classes that are subject to pre-employment drug screening and which:
 - (i) are sedentary, but driving is a recurring and significant duty; or
 - (ii) involve significant exposure to communicable diseases.
- (C) **Core Exam.** This protocol includes the same requirements as the limited core exam, but also includes a physical examination by a physician, urinalysis, EKG, additional blood tests, and additional

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

tests for communicable diseases. A rabies vaccination may be required depending on the risks associated with the job. This protocol is for applicants for positions in occupational classes that involve:

- (i) moderate or heavy physical demands;
- (ii) significant exposure to potentially aggressive or combative people;
- (iii) emergency communications; or
- (iv) frequent shift rotation.

(D) **Core I Exam.** The elements of the Core I Exam may include the elements of the Core Exam and an exercise treadmill test, a test to determine blood type, and a respiratory function test. Physical ability testing is required for Police Officer, Deputy Sheriff, and Correctional Officer applicants. A Core I Exam is required for public safety classes that require formal medical monitoring under OSHA regulations or periodic health assessments to insure continued fitness for duty in occupations that involve high risks or occupations that require confined space entry and use of self-contained breathing apparatuses.

(E) **Core II Exam.** The elements of the Core II Exam may include the elements of the Core I Exam and a hepatitis B vaccination and tetanus booster if medically indicated. It does not include physical ability testing or a treadmill test. This exam is required for occupational classes, other than public safety classes, with significant exposure to mixed hazards such as chemicals, noise, asbestos, dust, and respirator use and that require formal medical monitoring under OSHA regulations.

(c) ***Pre-placement physical ability testing guidelines.***

(1) An applicant for a Police Officer, Deputy Sheriff, or Correctional Officer position must pass physical ability tests conducted by OMS that are related to the job duties of the position. An applicant for a Firefighter/Rescuer position must undergo job-related pre-placement physical ability testing conducted by the Fire & Rescue Service. The tests for a Police Officer, Deputy Sheriff, Correctional Officer, or Firefighter/Rescuer position may include:

- (A) measurements of strength, endurance, coordination, equilibrium, agility, and flexibility; and

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (B) work simulations when appropriate and feasible.
- (2) A physical ability test used by the County must be:
 - (A) based on a job analysis that indicates that the physical ability is required to perform an essential job function;
 - (B) a valid and reliable measure of the required physical ability;
 - (C) applied to all applicants entering the same occupational class; and
 - (D) conducted with the use of passing scores that:
 - (i) are consistent with the results of a job analysis;
 - (ii) indicate if the job applicant is able to perform the job in a safe and efficient manner;
 - (iii) predict reliably the likelihood that the applicant will be able to perform a job duty in a manner that meets or exceeds the minimum standards for performing the duty; and
 - (iv) are consistent with the level of ability or proficiency that is considered acceptable for an employee in the current workforce.
- (3) The OHR Director or the department director must:
 - (A) notify an applicant of physical testing requirements in advance; and
 - (B) give the applicant an opportunity to obtain training advice for the test and at least one opportunity to be re-tested.
- (d) ***Application of ADA and reasonable accommodation.***
 - (1) The EME must determine if the applicant is a qualified individual with a disability under the ADA when the Employee Medical Examiner finds that an applicant has a medical condition that impairs the individual's ability to perform the essential functions of the job or would be a direct threat to the health or safety of the applicant or others.
 - (2) If the EME finds that an applicant is a qualified individual with a disability under the ADA, the department director must provide a

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

reasonable accommodation, unless the OHR Director determines that accommodation would impose an undue hardship on the County.

- (3) The OHR Director may withdraw the conditional job offer and not consider the applicant for employment in that job, if:
 - (A) the EME finds that the applicant with a medical impairment is not a qualified individual with a disability under the ADA; or
 - (B) the applicant is a qualified individual with a disability under the ADA but the OHR Director has determined that reasonable accommodation would impose an undue hardship on the County.
- (e) ***Consequences if applicant refuses or fails to participate in a required medical examination.*** If an applicant refuses or fails to participate in a required medical examination that is given under established standards and guidelines, refuses or fails to provide medical records, or submits inaccurate or falsified medical forms or records, the OHR Director may withdraw the conditional job offer and not consider the applicant for employment for that job.
- (f) ***Required notice to applicant of medical problem.*** If the EME finds after an examination or evaluation of an applicant that the individual has a medical problem, the EME must notify the individual of the problem.

8-7. Required medical examinations of employees; actions based on results of required medical examinations.

- (a) ***Conditions under which an employee must participate in a medical examination.***
 - (1) An employee must participate in a medical examination if required by the OHR Director to:
 - (A) determine the employee's ability to safely perform the essential functions of the employee's job;
 - (B) comply with State or Federal law;
 - (C) determine whether the employee currently meets the medical requirements for a particular job; or
 - (D) properly evaluate the employee's request for reasonable accommodation.

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (2) An employee who is reassigned, transferred, demoted, or promoted on a temporary or permanent basis must undergo a pre-placement medical evaluation, excluding a medical history review, if:
 - (A) the employee has been in the previous position for more than 5 years; or
 - (B) the new position requires a more extensive medical exam protocol than the employee's previous position;

(b) *Medical monitoring.*

- (1) Employees in positions with significant exposure to hazardous materials or noise must participate in regular medical monitoring as required by State or Federal regulations.
- (2) The EME must determine the scope and frequency of medical monitoring based on the specific hazards to which the employee is exposed on the job.
- (3) The EME and the Risk Management Division of the Finance Department must determine which occupational classes, worksites, or individuals are included in a medical monitoring program under applicable State or Federal criteria.
- (4) Department directors of affected employees must ensure that designated employees are scheduled for required medical exams or tests.
- (5) The EME must comply with Section 8-10 of these Regulations when conducting any type of medical monitoring.

(c) *Periodic health assessment.*

- (1) Employees in public safety; safety-sensitive, safety-sensitive transit, and certain occupational classes with physically demanding or hazardous duties must participate in periodic health assessments conducted by the EME.
- (2) The EME must determine which occupational classes or individuals require periodic health assessments and the content and frequency of assessments after considering the physical abilities required for the job, working conditions, workplace hazards, the individual's age and medical history, and the requirements of labor agreements.
- (3) Department directors of affected employees must ensure that designated employees are scheduled for required periodic health assessments.

(d) *Return-to-work clearance.*

- (1) When an employee returns to work after an absence caused by a medical condition that made the employee unable to perform the essential functions of the employee's job, the department director may require the employee to report to the EME to determine if the employee can safely perform the employee's essential job duties. The EME must evaluate the employee and advise the department director if the employee is medically able to perform the essential functions of the employee's job.
- (2) If a department director allows an employee with a confirmed positive drug or alcohol test result to return to work, the employee must undergo a return-to-work assessment by the EME.

(e) *Fitness-for-duty evaluation.*

- (1) A department director should request a fitness-for-duty evaluation of an employee if the employee indicates that the employee's decreased performance or performance problem has a medical basis.
- (2) A department director may request a fitness-for-duty evaluation of an employee if the employee's observed behavior indicates the employee may be physically incapable of performing the full range of the employee's job duties. This should only be done in unusual circumstances and after consulting with the OHR Director.
- (3) A department director may request a fitness-for-duty evaluation of an employee if the employee's observed behavior indicates the employee may be mentally incapable of performing the full range of the employee's job duties. A department director should do this only in unusual circumstances and after obtaining the concurrence of the OHR Director.
- (4) The OMS disability case management program staff may recommend a fitness-for-duty evaluation of an employee.
- (5) A department director must request a fitness-for-duty evaluation in writing and send a copy of the request to the employee. The department director must also provide the following information to the EME in writing:

 - (6) After the EME completes the evaluation, the EME must give the department director a written recommendation on whether the employee is fit for duty. The EME must give a copy of the recommendation to the employee.
- (f) ***Evaluation for commercial driver's license.***
- (1) OMS must ensure that employees who are assigned duties involving driving or the operation of motorized vehicles meet applicable medical standards.
 - (2) OMS must determine if employees are medically qualified to operate commercial motor vehicles in interstate commerce under FMCSA regulations. OMS evaluates these employees every 2 years unless the driver has a medical condition that requires more frequent monitoring.
- (g) ***Application of ADA and reasonable accommodation.***
- (1) If the EME finds that an employee has a medical condition that impairs the individual's ability to perform the essential functions of the job or would be a direct threat to the health or safety of the employee or others, the EME must determine if the employee's impairment is:
 - (A) short-term, meaning temporary, non-chronic, or expected to be of short duration; or
 - (B) long-term, meaning permanent, chronic, or expected to be of long duration.
 - (2) The department director may take the following actions when the EME determines that the employee's disability is likely to be short-term:
 - (A) allow the employee to use appropriate leave; or
 - (B) temporarily place the employee in a light duty assignment.
 - (3) If the EME finds that an employee's inability to safely perform the essential functions of the job is long term, the EME must determine if the employee is an individual with a disability.

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (4) The department director must first try to reasonably accommodate an employee with a disability in the employee's current job unless the OHR Director determines that accommodation in the current job would impose an undue hardship on the County. An employee who is not disabled is not entitled to reasonable accommodation.
- (5) If the employee is an individual with a disability who cannot perform the essential functions of the current job with or without accommodation or if accommodation would impose an undue hardship on the County, the department director may:
 - (A) reassign the employee through a voluntary transfer or demotion to a vacant position for which the employee is qualified, with essential duties that the employee can perform with or without accommodation; or
 - (B) terminate the employee's County employment, if the employee is not reassigned to a vacant position.
- (h) ***Light duty evaluation; duration of light duty assignment.***
 - (1) ***Light duty evaluation.***
 - (A) An employee or department director may ask the EME to evaluate an employee for light duty if the employee's healthcare provider recommends that the employee's job duties or working conditions be temporarily modified because of the employee's health condition.
 - (B) After completing the evaluation, the EME must provide a written health status report to the employee and department director that indicates the recommended restrictions and the expected duration of the restrictions.
 - (C) The EME must approve an employee's return to full duty.
 - (2) ***Duration of light duty assignment.*** A department director must not allow an employee's light duty assignment to last longer than 6 months.
- (i) ***Work restrictions.*** If the EME finds that the employee, because of the employee's medical condition, can perform some or most of the essential functions of the employee's job but cannot perform certain job functions or must be restricted in the manner that the employee performs certain job functions, the EME must inform the employee and the department director in writing of:
 - (1) the nature of the restriction;

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (2) whether the restriction is short-term or long-term;

- (a) ***Policy on medical services offered to employees.***
 - (1) The OHR Director, through programs administered by the EME or by other community health organizations, may conduct voluntary medical examinations, offer medical advice, conduct tests, administer treatments or preventive therapies, and monitor various health conditions as part of an employee health or wellness program made available to employees. An employee's participation in these programs is voluntary.
 - (2) Results or records of voluntary medical examinations, tests, or treatments must be provided only to the employee.
 - (3) The EME must not maintain records related to voluntary medical examinations, tests, or treatments unless:

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

MCPR, 2001 SECTION 8, MEDICAL EXAMINATIONS AND REASONABLE ACCOMMODATION

- (1) the genetic information is given to the employee, in writing, as soon as the information is available;
 - (2) the genetic information is not disclosed to any other person (including the County as employer or the OHR Director and designees) without the employee's voluntary, written consent;
 - (3) the genetic information is maintained as part of the employee's medical record, which is kept separate from the employee's other employment records; and
 - (4) no other law prohibits the EME from collecting or using the genetic information or the County from considering the disease or disability or the employee's genetic status.
- (b) The EME may conduct genetic monitoring of biological effects of toxic substances in the workplace if:
- (1) the employee has provided prior voluntary, informed consent in writing to participate in the monitoring;

- (a) ***Position creation.*** The OHR Director, subject to budget limitations and with the Office of Management and Budget's approval, may create a position to enable a department to complete work and fulfill its responsibilities.
 - (1) Prior to creating a merit system position, a department director must submit a completed position description to OHR for review, unless the OHR Director determines that a position description is not needed.
 - (2) A department director need not submit a position description when creating a temporary position, unless the OHR Director requests a position description.
 - (3) The OHR Director must determine the classification of each new position.
- (b) ***Request for review of the classification of a position.***
 - (1) The incumbent of a position, the incumbent's supervisor, or the incumbent's department director may ask the OHR Director to review the classification assignment of a particular position during the month of June. If the last day of June falls on a Saturday, a Sunday, or an official County holiday, then the incumbent, supervisor, or department director may submit the request on the next working day.
 - (2) The party who submits a request for an individual position classification study must submit the following information to support the request:
 - (A) an organization chart that reflects the organizational location of the position and its reporting relationships;

- (B) a current position description, completed and signed by the employee, the employee's immediate supervisor, division chief, and department director, that includes the following:
 - (i) an explanation of how and why the position's duties and responsibilities have changed and are no longer consistent with the position's current classification assignment;

 - (iv) a statement from the department director indicating agreement or disagreement with the employee's request for reclassification.
- (3) The incumbent employee, the incumbent's supervisor, and the department director must cooperate to provide the above information regardless of which party submits the request for an individual position classification study.
- (4) If the department director does not agree with the employee's description of the duties and responsibilities performed by the employee, then the department director may submit an alternative description of the employee's duties and responsibilities to the OHR Director with the request for an individual position classification study.
- (5) The OHR Director may return a request for review of the classification assignment of a particular position if the individual who requested the review:

 - (C) level of responsibility; or
 - (D) knowledge, skills, and abilities required.

- (2) The OHR Director must not approve an upward reclassification of a position between July 1 and December 31 of a year in which the County Executive is elected unless the CAO determines by a written finding that the reclassification is necessary for the efficient and effective operation of the County government. The OHR Director must give written notice to the County Council of each upward reclassification that the CAO approves during this time period.
- (3) A department director should ensure that the new and existing duties and responsibilities of an abolished or transferred position are reassigned to employees in positions performing work of a similar nature and grade level.
- (4) A department director may assign higher level duties or responsibilities to an employee if necessary. However, a department director must not assign higher level duties or responsibilities to an employee in a manner that circumvents the competitive promotional process.

The employee must request and receive approval for the administrative leave in advance.
- (5) The employee's immediate supervisor and department director have 5 days from the date of receiving the employee's comments to submit any comments concerning the employee's request for administrative review to the OHR Director. - (8) The CAO must issue a classification decision within 15 calendar days of receiving the independent classifier's report and any comments from the OHR Director, employee, or employee's representative concerning the report. The CAO may assign a higher grade, a lower grade, or the same grade to the affected position or class.
- (9) The OHR Director may extend any time deadlines set forth in Section 9-6 at the request of the employee or upon notice to the employee.
- (c) **Effective date of completion of an administrative review.** An administrative review is complete on the effective date of the CAO's classification decision affecting that position.

10-5. Salary-setting policies.

- (a) ***General.*** A department director must ensure that an employee's base salary does not exceed the pay rate or range for the pay grade or pay band assigned to the employee's class, unless the department director:

 - (2) A department director may submit a request to the OHR Director for approval to hire a candidate at a salary that is above the midpoint of the salary range or pay band. The director should include in the memorandum:

 - (B) a copy of the candidate's resume;
 - (C) proof of the candidate's prior or current salary (i.e. most recent pay slip, W-2, 1099 or other wage documentation); and
 - (D) the names of other incumbents in the same class in the department with their salaries.

- (3) OHR will review the information submitted by the department director to compare the candidate's proposed salary to the salaries of existing employees in the same class within the department in order to determine if the proposed salary will create a pay inequity.
- (4) The candidate's knowledge, skills and abilities will be reviewed in comparison with those same requirements in the official class specification. Consideration will also be given to the department's "preferred criteria" documented in the recruitment posting in the review and approval process of the candidate's proposed salary.
- (5) If the candidate submits documentation of his/her current salary (pay advice/stub, W-2 or 1099, and the department is requesting a salary that may be higher than the department's incumbents in the same class, then the department's proposed salary for the candidate may be approved, even if the candidate has less experience, education, etc. than existing employees in the same class.
- (6) If there is evidence of recruitment and retention issues for the position (i.e. the existing candidate pool is minimal) and if the candidate's proposed salary will give the candidate a higher salary than the salaries of existing employees, then the proposed salary may be approved even if the candidate has less experience, education, etc. than existing employees.
- (7) If there is evidence that the candidate has specialized or unique skills, certifications, licensing, and/or experience and the evidence is used to support a higher salary than the salaries of existing employees, those factors must be reflective of the official class specifications or the department's preferred criteria for the current recruitment, and then the proposed salary may be approved even if the candidate has less experience and education than existing employees.
- (8) If there is no evidence of recruitment and retention issues, the candidate's specialized or unique skills, certifications, licensing, and/or experience, or of the candidate's higher salary in a former position, and the proposed salary of the candidate will create an inequity with existing employees, then the proposed salary should be denied and the candidate's salary should be set lower than the salaries of existing employees. If the candidate does not accept the offer of employment at the lower salary, then the department should consider the next candidate on the hiring list.
- (9) The OHR Director will approve or deny the department director's request.
- (10) A department director may appeal the OHR Director's denial of a department's request to hire a candidate at a salary that is above the midpoint of the salary range or pay band to the CAO.

 - (ii) the employee is promoted to a higher-graded position than the position from which the employee was demoted.
- (D) In addition to the non-discretionary 5 percent increase provided for in (B) above, a department director may approve an additional increase in base salary of up to 5 percent for a single promotion, or a total increase not to exceed 10 percent.
- (E) In addition to the maximum 10 percent increase in base salary for a single promotion that a department director may approve under (D) above, a department director may recommend and the OHR Director may approve an additional increase in base salary of 5 percent for a single promotion, or a total increase not to exceed 15 percent.
- (F) A department director should consider the following factors when recommending to the OHR Director an additional 5 percent salary increase for a single promotion under (E) above, which would constitute a total increase of 15 percent:
 - (i) whether the employee being promoted received an "Exceptional" overall performance rating prior to the promotion; or
 - (ii) whether the position that the employee is being promoted to

is a difficult position for which to recruit and retain employees.

- (G) A department director's recommendation to the OHR Director for a maximum increase of 15 percent in base salary for a single promotion must:
 - (i) document that the promotional increase requested is consistent with the department's pay practices and policies;

 - (ii) a promotion to a supervisory position after which the employee's salary would be less than that of the employees supervised.
- (I) The CAO may approve a total increase in base salary greater than 20% in extraordinary circumstances (as defined in section 10-5(c)(1)(H)) based upon the factors identified in section 10-5(b) where a promotion arises from a competitive promotion that was open to the general public and at least one non-County employee was either in the highest rating category or was interviewed for the vacancy.

(2) *Compensation for a temporary promotion.*

- (A) A department director who temporarily promotes an employee for more than 10 consecutive calendar days must give the employee a pay increase retroactive to the first day the employee was temporarily promoted. The amount of the pay increase must be consistent with subsection (1) above.
- (B) An employee working under a Position and Career Education (PACE) contract is not considered temporarily promoted and therefore is not entitled to a pay increase.
- (C) A non-MLS or PLS employee who is temporarily promoted to an MLS or a PLS position:
 - (i) is not eligible for performance-based pay under MLS

or PLS guidelines; and

- (ii) remains eligible to earn compensation, such as overtime pay, compensatory time and holiday premium pay, for which an MLS employee is ineligible.
- (D) An employee in a position that is not on the general salary schedule who is temporarily promoted to a position on the general salary schedule:
 - (i) is not eligible for performance-based pay under the program for general salary schedule positions; but
 - (ii) remains eligible to earn other types of compensation for which the employee was eligible before the temporary promotion.
- (E) An employee who is temporarily promoted to a position with a higher grade, salary band, or salary range, remains eligible to receive compensation such as overtime pay, compensatory time, or holiday premium pay that is authorized for the position from which the employee was promoted.

(d) *Salary on demotion.*

 - (A) not increased;
 - (B) not less than the minimum or more than the maximum salary of the new pay grade or pay band; and
 - (C) not decreased by more than 20 percent of base salary unless the employee's current salary must be decreased by more than 20 percent to reach the maximum salary of the new grade..
- (2) In a voluntary demotion, when the employee's prior base salary is above the maximum salary of the new pay grade or pay band, the employee's salary must equal the maximum salary of the new pay grade or pay band.
- (3) ***Disciplinary demotion or demotion resulting from unsatisfactory performance.*** If an employee is demoted for cause or for unsatisfactory performance, the department director must reduce the employee's salary by:

- (A) no more than 20 percent of base salary; or
 - (B) more than 20 percent, if necessary to bring the employee's salary to the maximum salary of the new pay grade or pay band.
- (4) ***Demotion resulting from reduction-in-force or disability.***
- (A) If a General salary schedule (GSS), MLS or a PLS employee is demoted as a result of reduction-in-force to a class that is non-bargaining unit, the department director must allow the employee to retain the salary received at the time of the demotion. If the demoted employee's salary exceeds the maximum for the new pay grade or pay band, the department director must allow the employee to retain the salary for 2 years after the demotion.
 - (B) A department director must not approve a salary increase for an employee whose base salary exceeds the maximum salary for the pay grade. At the end of the 2-year salary retention period, the department director must reduce the employee's base salary to the maximum for the pay grade of the employee's position.
 - (C) If an employee in a non-bargaining unit position is demoted as a result of disability, then the employee retains his or her salary indefinitely, even if the salary is above the maximum of the grade.
 - (D) If the CAO reclassifies a demoted employee's position upward during the 2-year period following the demotion, the department director must not increase the employee's salary unless a salary increase is needed to bring the employee's salary to the minimum salary of the new pay grade or pay band.
- (e) ***Salary on reassignment during the promotional probationary period.*** If the promoted employee has a less than satisfactory annual or interim performance rating relating to the duties of the new position during the promotional probationary period, then the department director must reassign the promoted employee to a position at the employee's former pay grade and must reduce the employee's salary after the reassignment by the amount of the promotional increase.
- (f) ***Salary on reclassification or reallocation.***
- (1) The reclassification or reallocation of a position to a higher or lower pay grade or pay band is not a promotion or a demotion.
 - (2) A department director must not increase the salary of an employee whose position is reclassified or reallocated to a higher pay grade or pay band, except as indicated in Section 12-2(c) of these Regulations, or to ensure

that the employee's salary is at the minimum for the new pay grade or pay band.

- (3) A department director must ensure that an employee whose position is reclassified or reallocated to a lower pay grade:
 - (A) retains the salary the employee received the day before the effective date of the reclassification or reallocation; and
 - (B) receives the same general wage adjustment given to other employees in the same occupational class and salary schedule regardless of whether or not the employee's salary exceeds the maximum salary for the pay grade or pay band assigned to the position.
- (4) A department director must ensure that the salary of a position that was reclassified downward reverts to the salary range for the pay grade or pay band reassigned to the position after the employee who occupied the position at the time of the downward reclassification leaves the position.

(g) *Salary during a within-grade salary reduction.*

- (1) A department director may reduce an employee's bi-weekly salary by giving the employee a within-grade salary reduction outlined in Section 33-3(d).

- (4) must ensure that expenditures for overtime are kept within budget limitations, unless compensatory time is used to compensate employees for overtime work; and
- (5) must exclude an MLS employee from receiving overtime pay or compensatory time.
- (c) A supervisor may assign overtime work to an employee who does or does not volunteer for the overtime assignment, but the supervisor should attempt to equally distribute the overtime work assignments among the employees who are qualified to perform the work.
- (d) Except in an emergency, a supervisor should make every effort to schedule overtime work assignments in advance and no later than the end of the workday before the day of the overtime assignment.
- (e) An employee who fails to perform an overtime assignment may be subject to disciplinary action.
- (f) An employee must not file a grievance under these Regulations to enforce Federal or State wage and hour statutes that are enforceable by filing a claim with the appropriate Federal or State agency.

10-7. Overtime compensation.

- (a) ***Overtime compensation threshold.*** A department director must compensate an employee with overtime pay or compensatory time if the employee's total hours in a pay status during a workday or workweek exceed the overtime compensation threshold.

A scheduled absence, for the purpose of this section, is leave that is:

- (1) A department director must pay a non-exempt employee overtime pay for completed overtime work except when:
 - (A) the employee requests to receive compensatory time in lieu of pay and the supervisor approves the request; or

- (2) A department director must compensate an exempt employee for overtime work that is eligible for overtime compensation. The employee must be compensated with compensatory time at the appropriate overtime rate

instead of with overtime pay unless the department director determines that:

- (A) the cost of overtime pay can be accommodated within the department's existing budget appropriations; and

 - (2) ***Excess compensatory time.***
 - (A) An employee's unused compensatory time that exceeds 80 hours at the end of the leave year is excess compensatory time, unless the employee's regular work schedule consists of more than 80 hours per pay period. For a work schedule of more than 80 hours per pay

period, the hours in excess of the prorated maximum carryover amount are considered excess compensatory time.

- (B) The CAO must not allow an employee to carry over excess compensatory time to the next leave year unless an exception is granted under subsection (c)(3) or (c)(4).
- (3) ***Limits on accrual for a non-exempt employee.*** The CAO must pay a non-exempt employee for excess compensatory time hours at the end of the leave year unless the employee gives written notice to the OHR Director that the employee wants to carry over the excess compensatory time for one year.
- (4) ***Limits on accrual for an exempt employee.***

- (1) The CAO may establish shift pay differentials for evening work and determine the amount paid for the differential.

- (2) A department director must pay a shift pay differential to an employee who begins the employee's assigned shift during a period covered by the differential.
- (3) An employee is not eligible for shift pay differential for hours of leave or for short periods of additional work that do not constitute a shift.
- (4) A department director must not pay a shift pay differential to an MLS employee.
- (b) ***Special pay differentials.*** A department director must pay a special pay differential to an employee who:

 - (iii) the performance evaluations of employees who are certified in a particular language indicate that the employees did not use, or seldom used, the multilingual skills during the rating period.

(3) ***OHR certification of multilingual employees.***

 - (ii) employee's work phone number and e-mail address;
 - (iii) language in which the employee is certified; and
 - (iv) employee's level of proficiency.
- (B) The OHR Director may approve a request from a department director that a certified employee's name not be included on the Countywide Interpreter List if the demand for the employee's certified multilingual skills within the department and the nature of the employee's job duties would make the employee unavailable for interpreter assignments in other departments.

If the director determines that the request cannot be accommodated, the department director may deny the employee's request.
 - (D) If an employee refuses or fails to provide requested multilingual services in a satisfactory manner, this should be reflected in the employee's performance evaluation and may be grounds for disciplinary action including removing the employee from the designated position.

 - (5) A performance objective or success criteria may be developed for an individual, a team, or both.

- (6) If feedback from team members, employees supervised, or peers is used as part of an employee's performance evaluation, this must be stated in the performance plan at the start of the evaluation period.
- (7) A supervisor must establish at least one career development goal for a subordinate employee.
- (8) An employee in a Management Leadership Service position and the employee's supervisor together must develop at least one career development goal for the fiscal year.
- (9) If an employee receives a multilingual pay differential, the employee's supervisor must include a performance objective that the employee will provide multilingual services as required.

11-6. Performance planning process.

(a) *Establishing the plan.*

- (1) A supervisor and employee formally establish the performance plan by signing it or by electronic acknowledgement. The employee's signature or electronic acknowledgement indicates only that the employee has seen the plan, and does not indicate that the employee agrees with the plan.
- (2) If more than one individual directly supervises an employee, each should participate fully in the performance planning responsibilities. The supervisors should share this responsibility in a manner consistent with their roles in directing the employee's work.
- (3) A supervisor must give an employee a copy of the employee's performance plan within 30 calendar days after the plan is established.

(b) *Employee refusal to sign the plan.*

- (1) If an employee refuses to sign or date stamp a performance plan, the supervisor must refer the plan to the reviewing official.
- (2) The reviewing official must review the plan and consult with the employee and the supervisor to determine why the employee refused to sign the plan.
- (3) If the employee still refuses to sign the plan after this consultation, the supervisor must note on the plan that the employee saw the plan but refused to sign it.

(c) ***Revision of the performance plan.***

- (1) A supervisor may revise the performance plan, but must give prompt notice to the employee that the plan was changed.
- (2) An employee may request that the supervisor change the plan, but the supervisor does not have to change the plan unless the supervisor agrees that the plan should be changed as the employee requested.
- (3) A supervisor must give an employee a copy of the employee's performance plan within 30 calendar days after the plan is revised.

11-7. Performance evaluation.

- (a) ***Supervisor's responsibilities.*** A supervisor should frequently track an employee's performance, and give timely and specific feedback, coaching, and counseling as needed throughout the review period.
- (b) ***Progress discussion.*** After approximately half of the review period has passed, a supervisor should conduct a comprehensive progress discussion with the employee that covers all elements of the performance plan. The supervisor and employee should sign and date or electronically date stamp the evaluation form to document a comprehensive progress discussion. The supervisor must document the substance of the progress discussion if the discussion resulted in a change to the performance plan or if specific performance issues were brought to the employee's attention.
- (c) ***Interim evaluation.*** A supervisor may give one or more interim evaluations to an employee before the supervisor prepares the annual performance evaluation. It is appropriate for a supervisor to prepare an interim evaluation for a probationary employee or for an employee with performance problems.
- (d) ***Multiple supervisors.*** If more than one individual directly supervises an employee, each should participate in the performance evaluation. The supervisors should share this responsibility in a manner consistent with their roles in directing the employee's work.
- (e) ***Changed supervisors.*** If an employee's supervisor changes during the review period but the employee is still performing the same duties and responsibilities covered in the performance plan, the prior supervisor may participate in the performance evaluation. If the employee changes jobs and assumes different duties and responsibilities, the prior supervisor should evaluate the employee's performance under the prior plan for the period that the employee was under the plan.

(f) *Reviewing official.*

- (1) An employee's second level supervisor is the reviewing official and must review the employee's performance evaluation.
- (2) The CAO or, for legislative branch employees, a legislative branch supervisor designated by the County Council must review a performance evaluation conducted by a department director if the employee or the department director requests it.
- (3) The reviewing official may not change an evaluation but may, under exceptional circumstances, withdraw authority to evaluate the employee's performance from the immediate supervisor and reassign the responsibility for conducting a performance evaluation for the employee. In that case, the reviewing official must notify the department director of the action taken.

(g) *Frequency and timing of performance evaluation.*

- (1) A supervisor must give each subordinate employee at least one written performance evaluation in every 12-month period.
- (2) A supervisor must conduct the annual evaluation within 60 days after the review period ends.
- (3) An annual or interim evaluation may be conducted for an employee who has been working under a performance plan for a reasonable period of time.
- (4) A supervisor may conduct an interim evaluation between annual evaluations.
- (5) If a supervisor conducts an interim evaluation, the supervisor must also conduct an annual evaluation for the employee at the appropriate time.

(h) *Substance of a performance evaluation.*

- (1) A supervisor must record in the written performance evaluation the performance rating of the employee in relation to the performance objectives and success criteria established in the performance plan.
- (2) If a performance objective was assigned but not made a part of the employee's established performance plan, the supervisor should assess the employee's accomplishment of the performance objective as part of the

performance evaluation. A supervisor must document that the employee was given adequate notice of the objective or success criteria.

- (3) A supervisor must include in the performance evaluation written comments about the employee's actual performance.
 - (4) A supervisor may consider feedback from the employee's team members or peers as detailed in the performance plan.
 - (5) If performance objectives are jointly shared by members of a team, the supervisor may give each member sharing the objective a team rating. A supervisor must apply competency or job-related behavior ratings only to an individual employee.
 - (6) Accomplishment or progress toward a career development goal must be noted by the supervisor on the *Performance Planning and Evaluation Form*.
- (i) **Overall rating.** The supervisor must give an employee an overall rating using one of the following 5 rating categories as indicated below:

(1) *Exceptional Performance.*

- (A) This rating indicates that the employee:
 - (i) consistently achieved additional, significant results beyond established targets;
 - (ii) achieved a higher level of quality than required;
 - (iii) was a role model in the demonstration of competencies; and
 - (iv) was rated "Exceptional Performance" on the majority of performance objectives and success criteria.
- (B) Performance at this level is rare. A supervisor must use this rating only if the employee performed at a higher level relative to most other employees performing comparable work.
- (C) A supervisor must not give an overall rating of "Exceptional Performance" to an employee who received a rating of "Does Not Meet Expectations" on any single objective.

(2) *Highly Successful Performance.*

- (A) This overall rating category indicates that the employee:
 - (i) achieved all critical results at or beyond established targets;
 - (ii) achieved a high level of quality;
 - (iii) consistently and effectively demonstrated the competencies; and
 - (iv) was rated as having “Highly Successful Performance” on the majority of performance objectives and success criteria.
- (B) A supervisor must not give an overall rating of “Highly Successful” to an employee who received a rating of “Does Not Meet Expectations” on any single objective.

(3) ***Successful Performance.***

- (A) This overall rating category indicates that the employee:
 - (i) met the majority of performance success criteria and objectives;
 - (ii) achieved a majority of results and demonstrated most competencies successfully; and
 - (iii) may occasionally exceed expectations.
- (B) A supervisor must give an overall rating of “Successful Performance” to an employee with good, solid performance. This rating is appropriate for most employees.

(4) ***Below Expectations***

- (A) This overall rating category indicates that the employee has met some job requirements but needs improvement in other job requirements listed in the performance plan.
- (B) The performance of an employee who receives this rating is below the level of “Successful Performance: but above that of “Does Not Meet Expectations.”
- (C) An employee who receives a rating of “Below Expectations” may request that the supervisor provide the employee with a written work improvement plan.

(5) *Does Not Meet Expectations.*

- (A) This overall rating category indicates that the employee has not met the basic requirements of the job as evidenced by:
 - (i) receiving a rating of “Does Not Meet Expectations” on a majority of the performance objectives and success criteria listed in the performance plan; or
 - (ii) failing to produce one or more key results, demonstrating competencies infrequently or ineffectively, or both
- (B) An employee who receives this rating has failed to perform the assigned duties on an on-going basis in an acceptable and competent manner.
- (C) If the supervisor gives an employee this rating, the supervisor must counsel the employee on what corrective action to take and allow the employee adequate time to improve or correct performance.

(j) *Performance evaluation procedures.*

- (1) Before conducting a performance evaluation, a supervisor must give an employee a reasonable time to demonstrate performance under a performance plan.
- (2) An immediate supervisor must allow an employee to sign or electronically date stamp and comment on the evaluation.
- (3) The employee's signature or electronic date stamp indicates only that the employee has seen the evaluation and does not indicate that the employee agrees with the evaluation.
- (4) If an employee refuses to sign or electronically date stamp a performance evaluation, the supervisor must make a notation on the evaluation to indicate that the employee refused to sign the evaluation.
- (5)
 - (A) An employee may request that the department director, or other appropriate management official who was not directly involved in the rating, reconsider the evaluation given by the employee's supervisor.
 - (B) The employee must submit the request in writing to the department director or other appropriate management official within 15

calendar days after the employee receives the completed evaluation form signed or electronically date stamped by the reviewing official. The employee must indicate the specific areas of the performance evaluation that the employee does not agree with.

- (C) The decision of the department head or other appropriate management official regarding the reconsideration of an evaluation is final.

(k) *Retention of performance evaluations.*

- (1) Performance evaluations must be kept in an employee's official personnel file for 5 years.
- (2) Performance evaluations and supporting documentation may be kept in a department's operating file for 5 years.
- (3) After an employee is transferred to a new department, the former department should give the new department copies of the employee's performance evaluations for the last 2 years.

11-8. Use of performance evaluation rating. A supervisor should consider an employee's performance evaluation rating when making a personnel decision involving the employee on merit system status, selection in a competitive process, compensation, performance awards, reduction-in-force, work assignment, training, termination, demotion, or other adverse actions to resolve performance problems.

11-9. Performance-based pay. An employee whose position is on the general salary schedule and who receives an annual overall performance rating of *Exceptional Performance* or *Highly Successful Performance* may receive performance-based pay under Section 10-10 of these Regulations.

11-10. Appeals of performance ratings.

- (a) An employee may not grieve or appeal the employee's performance plan.
- (b) An employee may not grieve the employee's performance rating or any other element of the performance evaluation process unless:
 - (1) the employee received the lowest overall performance rating; and
 - (2) the supervisor who rated the employee failed to follow established procedures.
- (c) The CAO may dismiss a grievance if the supervisor's failure to follow the established procedures did not affect the employee's overall performance rating.
- (d) The CAO's decision on a grievance over an employee's performance rating may

not be appealed to the MSPB.

 - (iv) each office or operation must have enough staff on duty during the normal period of public service, and
 - (v) the schedule must not diminish the ability of the department to assign responsibility and accountability to the employee for providing County services and performing the employee's official duties.
 - (G) The department director must give a copy of the approved or disapproved form to the employee, ensure that a copy is placed in the employee's department operating file, and send a copy to the OHR Director. If the request is not approved, the department director must give the employee the reason for not approving the request. The department director's decision is final.
 - (H) The employee's supervisor or department must submit the appropriate schedule change form to the MTime Team to enter the employee's schedule change in the Time and Attendance module.
- (8) ***Transition to or from a compressed work schedule.***
- (A) Transitioning on or off of a compressed work schedule may be complicated by factors such as the FLSA Exempt Status and pay grade of the employee and the scheduling system used by the department. Therefore, MTime staff must be consulted to determine the appropriate transition schedule for each employee transitioning on or off a compressed schedule.
 - (B) An employee must change to a compressed work schedule at the start of a pay period.
 - (C) An employee below grade 25, whether FLSA exempt or non-exempt, who changes to a compressed work schedule no longer has a Sunday to Saturday workweek and must work a special transition work schedule during the first pay period of the compressed work schedule. The transition pay period may require the use of eight (8) or four (4) hours of annual or compensatory leave. The charts below illustrate the considerations that come into play in determining the transition schedule. If the original schedule

is other than a Monday through Friday regular 8 hours schedule, additional considerations must be applied.

For Non-Exempt and Exempt Employee, below Grade 25, when transition is from a M-F regular eight hour schedule:

	<u>Transition to Schedule A</u>	<u>Transition to Schedule B</u>	<u>Transition to Schedule C</u>	<u>Transition To Schedule D</u>

For Exempt Employee, Grade 25 and above, when transition is from a M-F Regular Eight hour schedule:

(9) *Limits on availability of alternate work schedules.*

- (A) Because some operations in the County do not lend themselves to compressed work schedules or flextime, a department director may

exclude employees in an organizational unit, position, or class of positions from working such schedules.

- (B) A department director may limit an employee to a particular compressed work schedule with a specified day off or to a flextime schedule with specific flex hours if the department director determines that it is consistent with operational requirements.
- (C) A department director may exclude an employee with a performance or attendance problem from working a compressed work schedule or flextime.
- (D) A supervisor may require an employee to modify an alternate work schedule temporarily to address operational requirements, workload fluctuations, or problems with the employee's performance or attendance.

(10) *Withdrawal from an alternate work schedule.*

- (A) An employee may withdraw from a compressed work schedule or flextime at any time.
- (B) A supervisor may require an employee to stop working a compressed work schedule or flextime if the supervisor determines that the criteria stated in (7)(F) above are not being met. The supervisor must give the employee notice and a reasonable opportunity to correct the problem.
- (C) An employee below grade 25, whether FLSA exempt or non-exempt, who withdraws from a compressed work schedule must work a special transition work schedule during the first pay period of the new work schedule. The transition pay period may require "time off" without the use of leave or the use of four (4) hours of annual or compensatory leave, depending on the prior compressed work schedule.

(c) *Job Sharing.*

- (1) ***Employee request to job share.*** When an employee wishes to job share, the employee must submit a job sharing plan to the supervisor. If 2 employees wish to share one job, they must both develop the job sharing plan. The plan should include the method of sharing job duties and hours of work for each participant.
- (2) ***Review of job sharing plan.***

- (A) The supervisor must review the plan and meet with the employee or employees to discuss the plan. The supervisor should suggest any adjustments to the plan necessary to maintain the effectiveness of the work unit. If the supervisor and employee or employees agree, they must sign a completed *Job Sharing Agreement* (Appendix J) and submit it to the department director for approval. If they cannot agree, the supervisor must submit to the department director a written summary of the areas of agreement and disagreement and a copy of the proposed plan.
- (B) A department director must review the requested job sharing arrangement under the following criteria:
 - (i) operational requirements must be met;
 - (ii) service to clients or the public must be maintained or improved;
 - (iii) each office or operation must have enough staff on duty during the normal period of public service, and
 - (iv) the arrangement must not diminish the ability of the department to assign responsibility and accountability to the job sharing employees for providing County services and performing the employees' official duties.
- (C) After reviewing the job sharing plan, the department director must:
 - (i) approve it;
 - (ii) disapprove it; or
 - (iii) suggest changes in the terms for consideration by the employee or employees and the supervisor to help them reach agreement on the plan.

The decision of the department director is final.

- (D) The department director must give a copy of the approved or disapproved plan to the employee or employees, ensure that a copy is placed in each employee's department operating file, and send a copy to the OHR Director. If the plan is not approved, the department director must give the employee or employees the reason for not approving the request.

(3) ***Creation of job sharing positions and status of employee who job shares.***

- (A) If the department director approves a plan submitted by one employee, the department director must:
 - (i) ask the OMB director to reduce the hours of the existing position to part-time and create a second comparable part-time position;
 - (ii) fill the newly created part-time position under merit system procedures; and
 - (iii) ensure that the duties of the former full-time position are divided between the 2 part-time positions.
- (B) If the department director approves a plan submitted by 2 employees, the department director must ask the OMB director to reduce the hours of the existing position to part-time and create a second comparable part-time position for the second employee.
- (C) The department director must treat the job sharing positions as part-time positions and the employees assigned to the positions as part-time employees subject to the terms and conditions of part-time employment.
- (D) If one of the job-sharing employees leaves, the department director may:
 - (i) renew the job sharing agreement and fill the vacant position under merit system procedures; or
 - (ii) dissolve the job sharing agreement and return the remaining employee to full-time status.

The decision of the department director is final.
- (E) If the department director dissolves the job sharing agreement and the remaining employee refuses to return to a full-time position, the department director may abolish the part-time position and conduct a RIF under Section 30 of these Regulations.

15-5. Meal periods.

- (a) A normal workweek for a County employee must not include any meal periods.
- (b) A supervisor must not include a meal period in any computation to determine the amount of compensation or compensatory time due an employee for overtime work, unless compensation is authorized by the CAO.

- (c) The CAO may authorize a paid meal period not to exceed 30 minutes for:
 - (1) an employee assigned to work an around-the-clock shift schedule; or
 - (2) other groups of employees as appropriate.

15-6. General emergency; liberal leave period; modified liberal leave period.

(a) *Declaration of a general emergency, liberal leave period, or modified liberal leave period.*

- (1) If severe weather conditions or other emergencies occur, the County Executive or CAO must evaluate the conditions and decide whether to declare a general emergency or liberal leave period.
- (2) When deciding whether to declare a general emergency or liberal leave period, the County Executive or CAO should consider weather conditions including recent weather reports regarding the amount of precipitation already accumulated as well as the forecast for further accumulations during the succeeding 8-hour period, road conditions including whether the major roadways of the County as passable and safe for travel, whether the County public schools have been closed for the day, and the actions being taken by other public sector jurisdictions in the Washington Metropolitan Region. The decision whether to declare a general emergency should be based on the cumulative effects of all these factors and no one factor shall be conclusive or determinative. The County Executive or CAO should attempt to give employees the earliest notice of whether a general emergency or liberal leave period will be declared.
- (3) The County Executive or CAO may announce a modified liberal leave period. During a modified liberal leave period:
 - (A) a department director must maintain minimum staffing to meet service needs but should permit as many employees as possible to be on leave; and
 - (B) an employee who wants to use leave must request and obtain approval for leave in advance.

(b) *Announcement of a general emergency or liberal leave period.*

- (1) If the County Executive or CAO declares a general emergency or liberal leave period, the Director of the Office of Public Information must:
 - (A) inform local radio stations, such as WMAL 630 AM and WTOP 1500 AM; and

- (B) notify the Associated Press (AP) wire service for distribution to all subscribing radio and television stations in the Washington, D.C. metropolitan area
- (2) During severe weather or other emergency, an employee should listen to local radio and television stations for an announcement that County government offices will be closed or that a liberal leave period has been declared.
- (3) If there is no announcement on local radio and television stations that County government offices are closed or that a liberal leave period has been declared, an employee should:
 - (A) assume that the County is maintaining normal operating hours; and
 - (B) report to work as usual.
- (4) If the County Executive or CAO declares a general emergency or liberal leave period during normal operating hours:
 - (A) the OHR Director must inform department directors; and
 - (B) department directors must then notify department employees of the general emergency or liberal leave period.
- (c) ***Designation of essential employees.***
 - (1) The CAO must designate employees in appropriate occupational classes and positions as essential employees based on the recommendations of department directors.
 - (2) The OHR Director must maintain and update as necessary the list of essential employees.
 - (3) Department directors must ensure that department employees in occupations or positions that are designated as essential are informed of their designation and their responsibilities if a general emergency or liberal leave period is declared.
 - (4) A department director or supervisor may designate a non-essential employee to be an essential employee during a particular general emergency period if the employee is needed to:
 - (A) provide essential services, such as snow removal or helping public safety agencies deal with the emergency; or

- (B) perform other work that is critical to the department's mission but unrelated to the general emergency.

Under such circumstances, the County must compensate the non-essential employee as if the employee is an essential employee.

(d) ***Responsibilities and compensation of employees during a general emergency or liberal leave period.***

- (1) The County must compensate an employee for a declared general emergency period as required by Section 10-14 of these Regulations.
- (2) The County must compensate an employee who works during a liberal leave period as required by Section 10-15 of these Regulations.
- (3) If the County Executive or CAO declares a general emergency or liberal leave period, an essential employee must report to work as scheduled.
- (4) A non-essential employee should not report to work during a declared general emergency period unless the employee's supervisor requires the employee to work.
- (5) During a liberal leave period, a supervisor must allow a non-essential employee to use leave without prior supervisory approval when reporting late, leaving work early, or not reporting for work. However, a supervisor may require a non-essential employee to work during a liberal leave period if the supervisor determines that the employee is needed to maintain minimum staffing during the normal period of public service.
- (6) An essential employee may use leave during a liberal leave period only if severe weather or another emergency causes the employee to report late or not report at all.
- (7) If a non-essential employee chooses not to report for work during a liberal leave period, the employee must notify the employee's supervisor of the employee's leave status as soon as possible and no later than the beginning of the employee's regularly scheduled workday.
- (8) If an employee is at work during a liberal leave period, the employee must notify the employee's supervisor before leaving work.

(e) ***Leave status and compensation of employees during a local emergency.*** During a local emergency at one or more work locations, a department director must:

- (1) place an employee who is scheduled but not required to be at work on administrative leave; and

- (2) ensure that an employee who is required to work is compensated as required by Section 10-15 of these Regulations.
- (f) ***County Government Facility Closings.*** In the event of a breakdown of equipment, power failure or other adverse situation resulting in a closing of a facility, a department director:
 - (1) should grant up to two hours of administrative leave to employees who work at that closed facility with two or fewer hours remaining in their scheduled workday;
 - (2) should reassign employees who work at that closed facility with more than two hours remaining in their scheduled workday to a different work site or allow such employees to use annual leave in lieu of working the rest of their shift; and
 - (3) may require public safety employees or other employees in essential operations to work at a time when a departmental facility is closed.
- (g) ***Role of a supervisor during severe weather or other emergencies.***
 - (1) A supervisor must not take adverse action against a non-essential employee who uses leave during a liberal leave period, unless the supervisor directed the employee to report to work because of service needs.
 - (2) During severe weather or other emergencies when schools are closed all day, opened late, or closed early, a supervisor should:
 - (A) favorably consider a non-essential employee's request for annual leave, PTO, LWOP, or compensatory time to attend to children;
 - (B) approve or disapprove a similar request for leave from an essential employee based on service needs; and
 - (C) if approving an employee's leave request, approve an amount of leave that corresponds with the school schedule.

15-7. Attendance of employees.

- (a) The CAO must establish a method to record and report leave and attendance.
- (b) A County employee must maintain regular and punctual attendance at work.

 - (1) physically or mentally unable to obtain approval for the absence; or
 - (2) unable to report for work for reasons beyond the employee's control.

- (b) A probationary or temporary employee may appeal a disciplinary action by filing a grievance under Section 34.

15-11. Telework**(a) *Telework guidelines.***

A supervisor must allow an employee to use accrued annual leave for FMLA purposes under Section 19 of these Regulations, the Montgomery County Employee Benefits Equity Act, and other sections of these Regulations, as appropriate.

- (C) The Finance Director must notify an employee leave recipient who, at the beginning of the employee's County employment, received a one-week pay advance that:

- (i) the value of the pay advance must be repaid with donated leave before the employee receives any pay based on donated leave; and
- (ii) this may cause the amount of the initial payroll check based on the donated leave to be less than the employee's normal amount.

The Finance Director must notify the affected employee before the affected payday.

- (5) A supervisor must not count time that an employee spends performing light duty work as FMLA leave.
- (6) A supervisor must designate leave by telling the employee orally or in writing that the leave has been designated as FMLA leave and confirming an oral designation in writing.
- (7) If a supervisor has information from an employee on leave to indicate that the employee is using leave for an FMLA purpose, but the supervisor did not designate the leave before the leave began or within 2 working days of the request, the supervisor may designate the entire period of leave as FMLA leave, unless:
 - (A) the employee did not know that the leave already used before the supervisor designated it as FMLA leave would be considered FMLA leave; and
 - (B) the employee shows that the employee would have taken less FMLA leave or used intermittent FMLA leave if the employee had received the designation earlier.

SECTION 24. HOLIDAY LEAVE AND COMPENSATION

(As amended May 20, 2010 and July 12, 2011)

24-1. Definitions.

- (a) ***Holiday compensation:*** Additional pay or compensatory time earned by an employee who is:
 - (1) eligible for holiday pay under Section 24-4; and
 - (2) required to work on a day observed by the County as a holiday.
- (b) ***Holiday leave:*** Paid leave granted to an eligible employee on a day observed by the County as a holiday.

24-2. Holidays observed by the County.

- (a) ***Publication of holidays.*** Each year the OHR Director must publish the dates of the official County holidays listed below for that year. The holiday period is from 12:00 a.m. to 11:59 p.m. on the published dates. These official holidays and any special holiday that may be declared by the CAO are the only County holidays for purposes of these Regulations.
- (b) ***Official holidays.*** The official County holidays are:
 - (1) New Year's Day -- January 1 or an alternate holiday designated by the CAO as the official holiday if January 1 falls on a Saturday or Sunday;
 - (2) Martin Luther King, Jr. Day -- Third Monday in January;
 - (3) Presidents' Day -- Third Monday in February;
 - (4) Memorial Day -- Last Monday in May;
 - (5) Independence Day -- July 4 or an alternate holiday designated by the CAO as the official holiday if July 4 falls on a Saturday or Sunday;
 - (6) Labor Day -- First Monday in September;
 - (7) Veterans' Day -- November 11 or an alternate holiday designated by the CAO if November 11 falls on a Saturday or Sunday;
 - (8) Thanksgiving Day -- Fourth Thursday in November; and
 - (9) Christmas Day -- December 25 or an alternate holiday designated by the CAO as the official holiday if December 25 falls on a Saturday or Sunday.

- (c) ***Special holiday.*** The CAO may designate any other day as a full-day or part-day holiday or as a non-workday for all employees or for a group of employees providing services to other County-funded or State agencies.
- (d) ***Other agency holiday.*** The CAO may authorize an employee who provides County services to another County-funded or State agency:
 - (1) to work on a County holiday not observed by the other County-funded agency; and
 - (2) not to work on the holiday of a County-funded agency if the holiday is not observed by the County government.

24-3. Actual and official holiday.

- (a) If Christmas Day, December 25, New Year's Day, January 1, or Independence Day, July 4, falls on either a Saturday or Sunday, a director of a department that provides services on Saturday or Sunday may require an employee to work:
 - (1) on the actual holiday instead of the official holiday designated by the CAO; or
 - (2) on the official holiday; or
 - (3) both the actual and official holiday.
- (b) If a department director requires an employee to work on Christmas Day, December 25, New Year's Day, January 1, or Independence Day, July 4, that actual holiday worked is the employee's holiday for purposes of compensation. If a department director requires an employee to work on the official holiday but not the actual holiday, the official holiday is the employee's holiday for purposes of compensation.
- (c) A department director who requires an employee to work on both an actual holiday and the official holiday must not pay holiday premium pay for work on the official holiday.

24-4. Eligibility for holiday leave.

- (a) A full-time or part-time employee who is not a uniformed fire/rescue employee and who is normally scheduled to work on the day on which the holiday falls may receive paid holiday leave.
- (b) A school-based employee who works a 10-month schedule may receive paid holiday leave for holidays during that 10-month period.

- (c) An employee may receive holiday leave if the employee is in pay status on the last regularly scheduled workday before and the first regularly scheduled workday after the holiday. An employee who, with supervisory approval, uses furlough hours on the last regularly scheduled workday before and/or the first regularly scheduled workday after a holiday may receive holiday leave.

24-5. General information about holiday leave.

- (a) ***Employee on leave or compensatory time.*** An employee on approved paid leave or compensatory time on a holiday is on holiday leave for that day.
- (b) ***Holiday on an employee's regular day off.***
 - (1) If a holiday falls on an employee's regular day off, a department director should assign the employee an alternate day off within the same pay period.
 - (2) Instead of an alternate day off, the department director may offer the employee pay at the employee's regular hourly rate or an equivalent amount of compensatory time as the holiday benefit. The department director may offer the employee pay as the holiday benefit only if the department director would have to pay overtime to another employee to replace the employee if the employee took an alternate day off.
- (c) ***Holiday leave for a part-time employee.***
 - (1) A supervisor must compute holiday leave and compensation for a part-time employee on a prorated basis using the following formula:
$$\frac{\text{Hours normally scheduled to work in the pay period in which the holiday falls}}{10} \text{ prorated hours}$$
 - (2) If a department director grants alternate time off or compensatory time to a part-time employee, the alternate time off or compensatory time must be prorated using the formula in subsection (c)(1) above.

24-6. Determining which employees must work on a holiday.

- (a) The CAO must determine which County services must be maintained on a full or partial basis on a holiday.
- (b) A department director should release an employee from work on a holiday unless the employee is needed to maintain essential services. The department director must determine which employees must work and which employees are released from work on a holiday.

24-7. Premium pay for holiday work.

(a) *Eligibility for holiday premium pay.*

- (1) A department director must pay an employee holiday premium pay if:
 - (A) the majority of the employee's normal workday falls during the holiday period; and
 - (B) the employee either works, is on scheduled leave, approved leave, or administrative leave on the employee's scheduled workdays immediately before and after the holiday.
- (2) A department director must not pay holiday premium pay or grant compensatory time to an MLS employee who works on a holiday. A department director may give an MLS employee an alternate day off within the same pay period.

(b) *Holiday work on an employee's regularly scheduled workday.*

- (1) A department director must pay a full-time employee who is required to work on a holiday that is the employee's regularly scheduled workday:
 - (A) regular pay for the hours scheduled to be worked on the normal workday of 8 or more hours, as applicable;
 - (B) premium pay at a rate of 1 1/2 times the regular hourly rate for each hour worked during the normal workday on which the holiday occurs; and
 - (C) overtime compensation for each hour worked beyond the normal workday of 8 hours or more.
- (2) A department director must pay a part-time employee who is required to work on a holiday that is the employee's regularly scheduled workday:
 - (A) regular pay for the prorated share of hours for which the employee would have received holiday leave if the employee had not worked;
 - (B) premium pay at a rate of 1 1/2 times the regular hourly rate for each hour worked during the normal workday on which the holiday occurs; and
 - (C) overtime compensation for each hour worked beyond the normal workday of 8 hours or more.

(c) *Holiday work on an employee's regular day off.*

- (1) ***For full-time employees.*** A department director must pay a full-time employee who is required to work on a holiday that is the employee's regular day off:
 - (A) regular pay for the hours scheduled to be worked in the normal workday of 8 hours or more or give the employee an alternate day off within the same pay period or an equivalent amount of compensatory time;
 - (B) premium pay at a rate of double the regular hourly rate for each hour worked for the normal workday on which the holiday occurs; and
 - (C) overtime compensation for each hour worked beyond the normal workday of 8 hours or more.
- (2) ***For part-time employees.*** A department director must pay a part-time employee who is required to work on a holiday that is the employee's regularly scheduled day off:
 - (A) regular pay for the prorated share of hours for which the employee would have received holiday leave if the employee had not worked or give the employee a prorated substitute holiday or a prorated share of compensatory time; and
 - (B) premium pay at a rate of double the regular hourly rate for each hour worked up to 8 hours or more than 8 hours if the employee's normal workday is longer than 8 hours; and
 - (C) overtime compensation for each hour worked beyond the normal workday of 8 hours or more.

24-8. Compensatory time instead of premium pay for holiday work. If a department director cannot pay premium pay to an employee for holiday work because of special or significant budgetary limitations, the department director must credit the employee with:

- (a) 1 ½ hours of compensatory time for each hour of holiday work on the employee's normal workday; and
- (b) 2 hours of compensatory time (double time) for each hour of holiday work performed during the employee's normal workday of 8 hours or more on the employee's regular day off.

24-9. Holiday benefit for uniformed County fire/rescue employees.

- (a) ***Holiday benefit.***

- (1) The holiday benefit in this subsection is the only holiday compensation that a uniformed fire/rescue employee is eligible to receive, regardless of whether the employee is scheduled to work on a holiday.
- (2) An employee must record the benefit on the time sheet for the pay period in which the holiday falls.

(b) *Eligibility for holiday benefit.*

- (1) An employee in pay status, on approved leave, or on a regularly scheduled day off on the holiday is eligible to receive the holiday benefit.
- (2) An employee who fails to report for work as scheduled and who is not in an approved leave status will not be eligible for the holiday benefit for that holiday.
- (3) An employee will not be eligible for the holiday benefit if the employee is:
 - (A) in a non-pay status on both the employee's last regular workday before and first regular workday after the holiday; or
 - (B) AWOL on either the employee's last regular workday before or first regular workday after the holiday, or AWOL on both days.

- (c) *Amount of holiday benefit.*** The Administrator of Fire and Rescue Services must pay a uniformed fire/rescue employee a holiday benefit as indicated in the following table.

24-10. Appeal of holiday leave or holiday compensation decision. An employee with merit system status who is adversely affected by an alleged improper, inequitable, or unfair application of the County's regulations and policies on holiday leave or holiday compensation may file a grievance under Section 34 of these Regulations.

25-2. Eligibility for personal leave days.

- (a) A full-time or part-time employee who is not a uniformed fire/rescue employee is eligible to receive personal leave days.
- (b) An employee must be employed by the County during the first full pay period of the leave year to receive 3 personal leave days for that year.
- (c) An employee hired after the first full pay period of the leave year must be employed by no later than the beginning of the 8th pay period of the leave year to receive 2 personal leave days for that year.
- (d) An employee hired after the 8th pay period of the leave year must be employed by no later than the beginning of the 16th pay period of the leave year to receive 1 personal leave day for that year.
- (e) At the beginning of the leave year a supervisor must prorate personal leave days for part-time employees according to the following formula:

25-3. Use of personal leave days. An employee may use personal leave under the following conditions:

- (a) a personal leave day must be used in the leave year in which it is granted and cannot be carried over to the next leave year;
- (b) an employee must request to use a personal leave day in the same manner as annual leave; and
- (c) a supervisor must approve the use of a personal leave day unless the employee is needed to provide essential services.

25-4. Personal leave days and compensatory time for employees in units that require 24-hour coverage.

- (a) In Transit Services or an operational unit that requires 24-hour shift coverage, a department director at the beginning of the leave year must grant an employee one personal leave day and compensatory time instead of 2 personal leave days as shown in the table below.

- (b) An employee who is granted compensatory time instead of personal leave days may choose to:
- (1) use the compensatory time during the leave year in which it was granted;
 - (2) carry over the compensatory time to the next leave year if the carryover does not exceed the limitation on accrual of compensatory time under Section 10 of these Regulations; or
 - (3) receive, at the end of the leave year, payment for a compensatory time balance up to the amount of compensatory time the employee was granted instead of personal leave days for that leave year.
- (c) To request payment of a compensatory time balance at the end of a leave year, an employee must advise the Finance Department's Payroll Section in writing by February 15th of the following leave year of the employee's wish to be paid for the compensatory time.

25-5. Disposition of unused personal leave days on separation from the County. If an employee leaves County employment, the employee forfeits any unused personal leave days.

25-6. Appeal of personal leave day decision. An employee with merit system status who is adversely affected by an alleged improper, inequitable, or unfair application of the County's regulations and policies on personal leave days may file a grievance under Section 34 of these Regulations.

SECTION 26. TRANSFER

(As amended December 10, 2002, and June 30, 2015)

26-1. Policy on transfer of employees.

- (a) Transfer of employees is a prerogative of management.
- (b) An involuntary transfer of an employee is not an adverse action or disciplinary action.
- (c) A department director need not consider an employee's performance rating before transferring the employee involuntarily.
- (d) Appropriate reasons for transferring an employee are:
 - (1) to benefit the transferred employee;
 - (2) to benefit another employee;
 - (3) to benefit the department or work unit;
 - (4) to benefit a program; or
 - (5) to resolve conflicts or other problems.
- (e) The following are examples of valid reasons for a department director to transfer an employee:
 - (1) a voluntary request from an employee to be transferred;
 - (2) a lack of funds;
 - (3) a change in the approved work program or plan;
 - (4) an administrative reorganization;
 - (5) a technological change that affects staffing;
 - (6) a change in an employee's physical or psychological condition;
 - (7) the resolution of a grievance or other issue affecting the operational efficiency of a unit or organization;
 - (8) training or development;

- (9) the need for additional personnel at a specific work site; and
- (10) an investigation of an incident or charge involving the employee.
- (f) A department director must not transfer an employee unless the employee meets the minimum qualifications for the position to which transferred.

26-2. CAO's Authority to Transfer an Employee. The CAO may transfer or place an employee in any vacant position for which the employee meets the minimum qualifications:

- (a) in order to resolve a grievance, conflict or other problem;
- (b) to promote efficient operations in the County; or
- (c) under other circumstances where the CAO determines that such action is in the best interests of the County.

26-3. OHR Director's Responsibility to Transfer an Employee. The OHR Director may act on behalf of the CAO to transfer an employee under Section 26-2 above. However, a department director may appeal the OHR Director's decision to transfer or place an employee in a vacant position to the CAO for final determination.

26-4. Temporary transfers between public agencies. The CAO may enter into a reciprocal agreement with a public agency that is not a County-funded agency to arrange a voluntary detail of an employee for 12 months or less. The employee must remain an employee of the loaning agency. An agreement may provide that the receiving agency will reimburse the loaning agency for the cost of the employee's salary and benefits.

26-5. Transfers between County-funded agencies. The CAO may enter into a reciprocal agreement that provides for the temporary or permanent voluntary transfer of an employee from one County-funded agency to another.

26-6. Access to reciprocal agreements. OHR must maintain copies of active reciprocal agreements that provide for transfers or details between the County and other agencies and make them available to County employees upon request.

26-7. Appeal of transfer. An employee with merit system status may file a grievance over an involuntary transfer under Section 34 of these Regulations. The employee must show that the action was arbitrary and capricious.

SECTION 27. PROMOTION

(As amended June 30, 2015)

27-1. Policy on promotion.

- (a) A supervisor's assignment of higher-graded duties to an employee or an employee's assumption of higher-graded duties must not be considered a promotion or temporary promotion unless it has been formally designated as a promotion or temporary promotion.
- (b) The County's promotional program must provide:
 - (1) general notification of promotional opportunities; and
 - (2) full and fair consideration of all eligible employees for higher level positions.
- (c) A department director should not temporarily reassign an employee to a higher graded position unless the director:
 - (1) first considers the use of alternate means, such as transfer, for filling the position temporarily; and
 - (2) determines the action is necessary to accomplish the department's workload.
- (d) A department director must not give a temporary promotion to an employee unless the employee:
 - (1) assumes all the duties and responsibilities of a higher-graded encumbered or vacant position; and
 - (2) meets the minimum qualifications for the vacant position.

27-2. Types of promotion.

- (a) **Competitive promotion.** Prior to making the final selection for promotion, the department director must ensure that an applicant's qualifications are evaluated under the competitive rating process specified in Section 6-5 of these Regulations.
- (b) **Proficiency advancement; noncompetitive promotion.**

- (1) **Proficiency advancement.** A department director may approve a noncompetitive promotion of an employee who has passed all required examinations and meets the requirements for a proficiency advancement from an entry or training level class to the designated budget level class within the same occupational series.
- (2) ***Noncompetitive promotion.***
 - (A) A department director may noncompetitively promote a current employee who was demoted as a result of disability or RIF or who was reclassified or reallocated downward, if the individual:
 - (i) is promoted to a position at the same or lower grade level than the employee held at the time of reclassification, reallocation, or demotion;
 - (ii) meets the requirements for the position;
 - (iii) passes a physical examination, if required for the position; and
 - (iv) applies for promotion within 5 years after the date of reclassification, reallocation, or demotion.
 - (B) The department director must obtain the OHR Director's approval of the noncompetitive promotion.
 - (C) For an employee who took a voluntary demotion because of a RIF, noncompetitive promotion does not affect the employee's right to priority consideration for other positions under Sections 6-9 and 30-4 of these Regulations.
 - (D) Noncompetitive promotion is the prerogative of management and not a right or entitlement of an employee. An employee may not file a grievance or appeal over the denial of a noncompetitive promotion.

(c) ***Noncompetitive temporary promotion.***

- (1) A department director:
 - (A) may approve a noncompetitive temporary promotion of an employee for up to 12 consecutive calendar months;

- (B) must obtain the approval of the MSPB for a noncompetitive temporary promotion longer than 12 calendar months;
 - (C) must compensate an employee under Section 10-5(c)(2) for a noncompetitive temporary promotion; and
 - (D) must not give an employee who was noncompetitively temporarily promoted a priority claim or competitive advantage if the position is later filled on a competitive basis.
- (2) In order to effect a noncompetitive temporary promotion, a department director must submit:
- (A) a written request for approval of a temporary promotion to the OHR Director stating the reason for the promotion, the duration of the temporary promotion, and the amount of the promotional salary increase; and
 - (B) a Personnel Action Form (PAF) that shows the effective date of the temporary promotion as the first day of the pay period in which the employee's temporary promotion begins.
- (3) In order to extend a noncompetitive temporary promotion beyond 12 months, a department director must submit a written request to the OHR Director stating the reason for the extension. If the OHR Director believes that the extension request is supported by "exigent or compelling circumstances" as defined by the MSPB, the OHR Director must submit the request to the MSPB with a recommendation on the merits of the request. If the OHR Director, however, concludes that it is unlikely that the MSPB would approve the extension for the reasons given, the OHR Director may deny the extension request by the department director. The department director may appeal the OHR Director's denial to the CAO.
- (4) When a temporary promotion ends, the department director must:
- (A) return the employee to the position occupied immediately prior to the temporary promotion, unless the department director otherwise promotes, demotes, or transfers the employee to another position; and

- (B) submit to the OHR Director a PAF that shows the end date of the temporary promotion as the last day of the pay period in which the employee's temporary promotion ends.

(d) ***Competitive temporary promotion.***

- (1) Prior to making the final selection for a competitive temporary promotion, the department director must provide for full and open competition and ensure that an applicant's qualifications are evaluated under the competitive rating process specified in Section 6-5 of these Regulations.
- (2) A competitive temporary promotion may extend beyond 12 consecutive calendar months without obtaining the approval of the MSPB.

27-3. Compensation for a promotion. A department director must compensate an employee for a promotion as described in Section 10-5(c).

27-4. Appeal of promotional action.

- (a) An employee with merit system status may file a grievance under Section 34 of these Regulations over a promotional action. The employee must show that the action was arbitrary and capricious or in violation of established procedure.
- (b) An employee who applied for promotion to a merit system position and who alleges that the CAO's decision was arbitrary and capricious, illegal, based on political affiliation, failure to follow announced examination and scoring procedures, or nonmerit factors, may file an appeal directly with the MSPB.
- (c) An employee who alleges discrimination prohibited by the County's EEO policy in a promotional action may not file a grievance but may file a complaint under the processes described in Section 5-4 of these Regulations.

28-2. Notice of resignation.

- (a) An employee should submit a written resignation 2 weeks before the effective date of the resignation. In unusual circumstances, an employee may submit an oral resignation.

- (a) An employee may withdraw a resignation within 3 calendar days from the date the employee submitted the resignation.
- (b) The CAO may approve or deny a written request to withdraw a resignation that is submitted more than 3 calendar days from the date the employee submitted the resignation.

28-4. Appeal of resignation. An employee may appeal, under Section 34 or 35 of these Regulations, a resignation that the employee believes was involuntary or coerced. If the MSPB finds that an employee submitted a resignation under circumstances that caused the resignation to be involuntary, the MSPB will treat the resignation as a removal.

 - (5) who does not have a current license or certification required as a minimum qualification for the employee's occupational class;

 - (A) is employed by Fire and Rescue Services in the firefighter/rescuer occupational series;

29-3. Management responsibility for termination.

- (a) Before a department director terminates the employment of an employee with merit system status for the reason described in Section 29-2(a)(6) (failure to perform assigned duties in a satisfactory manner), the director must:

- (c) A department director must not terminate a qualified employee with a physical or mental disability under 29-2(a)(9) above unless efforts at reasonable accommodation as described in Section 8 of these Regulations are unsuccessful.

 - (1) the reason for termination;

30-2. Policy on RIF.

- (a) The abolishment of a temporary position is not a RIF. The abolishment of a term position created for a specified period of time or term is not a RIF if the position is abolished at the end of the term. However, a term employee is treated the same as any other merit system employee subject to RIF if:
 - (1) the employee's position was not created for a specified time or term; or
 - (2) the employee's term is not completed.
- (b) If RIF is necessary, a department director must base the transfer, demotion, or termination of an employee on one or more of the following:
 - (1) service needs;
 - (2) seniority; or
 - (3) performance.
- (c) If a position is abolished in a department or office, only the employees in the same occupational class and department as the abolished position are subject to the RIF.
- (d) A department director may not remove an employee with merit system status if there is:
 - (1) a temporary employee in the same class in the department; or
 - (2) a probationary employee in the same class in the department.
- (e) A department director should exhaust the following alternatives to RIF before instituting a RIF if the alternative is reasonable under the circumstances:
 - (1) effective position management;
 - (2) employee placement;
 - (3) reducing employee work hours;

- (4) changing the status of employees from full-time to part-time or from part-time to full-time
 - (5) restructuring positions; and
 - (6) retraining incumbent employees.
- (f) A department director must conduct a RIF in a manner that:
 - (1) reduces the negative impact on employees to the greatest extent that is reasonable under the circumstances; and
 - (2) is consistent with the County's commitment to equal employment opportunity and diversity.
- (g) When conducting a RIF, a department director must make every effort to maintain or restore, but not to improve, the employment status of affected employees.

30-3. Pre-RIF alternatives.

- (a) The department director and OMB Director must notify the OHR Director of:
 - (1) the circumstances that may lead to a RIF; and
 - (2) the number of positions to be abolished in each affected class.
- (b) The OHR Director must recommend position management and alternative placement strategies for employees, which may include allowing only affected employees to apply for vacancies in the department.
- (c) The OHR Director must determine the date for completion of all alternatives to RIF.
- (d) As an alternative to RIF, the CAO may furlough employees.

30-4. Conducting a RIF.

- (a) The department director and OMB must determine the number of positions to be abolished.
- (b) For each affected class, the department director must:

- (1) abolish temporary positions before abolishing career (full-time or part-time) positions; and
 - (2) remove temporary employees and probationary employees before identifying employees with merit system status for displacement.
- (c) The department director must identify employees within an affected class for displacement based on seniority as calculated under Section 30-6.
- (d) The OHR Director must issue a notice of intent to each employee in an affected class advising the employee that:
 - (1) employees in the affected class may be terminated; and
 - (2) affected employees are entitled to placement on priority eligible lists. The notice of intent may be sent by certified mail or delivered to each employee personally.
- (e) The OHR Director must establish a freeze on filling vacant positions in affected classes in affected departments.
- (f) The OHR Director must help affected and displaced employees find alternative placement and may offer other services as needed, such as:
 - (1) training in resume preparation, job search skills, and interview techniques;
 - (2) financial counseling; and
 - (3) counseling on benefits.

30-5. Calculation of seniority in a RIF.

- (a) A department director must calculate seniority for all affected employees with merit system status in the department and class by:
 - (1) giving seniority credit for continuous County employment from the date of initial employment in a full-time or part-time position to a fixed date established by the OHR Director;
 - (2) giving seniority credit for past periods of employment in a full-time or part-time County position if the employee had a break in service;
 - (3) prorating seniority for part-time employees based on the number of hours worked per week;
 - (4) giving an employee up to 5 years of seniority credit for periods of military service as required under Section 22 of these Regulations; and

- (5) giving an employee seniority credit for service before 1989 as a paid firefighter for a Montgomery County volunteer fire corporation.
- (b) A department director must also give additional seniority credit to an affected employee or deduct seniority credit based on the employee's average overall performance rating over the 3 most recently completed rating periods. The department director must calculate the number of extra months of seniority credit by:
 - (1) giving the employee 24 extra months of seniority for each time the employee received an overall rating of *Exceptional Performance* or an equivalent rating;
 - (2) giving the employee 12 extra months of seniority for each time the employee received an overall rating of *Highly Successful Performance* or an equivalent rating;
 - (3) giving the employee no extra months of seniority credit if the employee:
 - (A) received an overall rating of *Successful Performance* or an equivalent rating; or
 - (B) did not receive an overall rating during the most recently completed rating period;
 - (4) deducting 12 months of seniority from the seniority calculated under (a) if the employee received an overall rating of *Does Not Meet Expectations* or an equivalent rating; and
 - (5) dividing the total extra months of seniority by 3 to determine the additional months of seniority that the employee must receive.
- (c) A department director must give an employee in an affected class who has been employed for less than 3 years:
 - (1) the average extra months of seniority credit for the employee's last 2 overall performance ratings; or
 - (2) extra seniority credit for one overall performance rating, as appropriate.
- (d) The department director must not give affected employees seniority credit or deduct seniority credit based on performance unless the performance evaluation plan used by the department for the last 3 years:
 - (1) includes 4 rating categories;

- (2) was used uniformly to evaluate the performance of employees in the affected class;
 - (3) is consistent with Section 11 of these Regulations for non-bargaining unit employees; and
 - (4) is consistent with the appropriate labor agreement for bargaining unit employees.
- (e) To break a tie, the department director must use seniority within the affected class, as calculated above using employee performance ratings.
- (f) The OHR Director must certify the department director's final seniority calculations and confirm that the department director complied with (c) above.
- (g) Based on the certified final seniority calculations, the department director must displace employees in an affected class with merit system status by inverse seniority until the total number of positions to be abolished has been reached.

30-6. Service needs exception.

- (a) A department director may request an exception to the use of inverse seniority to displace employees in order to maintain the employment of employees in certain positions within a class that require unique knowledge, skills, and abilities that are not required for every position in the class and that cannot be acquired by other employees in 6 months or less.
- (b) To request a service need exception, the department director must:
- (1) submit a written request for an exception to the OHR Director;
 - (2) provide documentation that shows how the position differs from others in the class and department; and
 - (3) substantiate the service need for the position.
- (c) The OHR Director must approve or deny the request for a service need exception after conducting a careful analysis of:
- (1) the tasks performed by the employees in the positions that are the subject of the request;
 - (2) the required qualifications for the positions; and
 - (3) the qualifications of the other employees.

30-7. Use of discontinued service retirement in a RIF.

- (a) A department director may request a discontinued service retirement for one or more incumbents of an affected class who are eligible under Section 33-45(d) of the County Code. The department director must submit a written request for a discontinued service retirement to the OHR Director.
- (b) A department director must not request more discontinued service retirements than the number of department positions to be abolished.
- (c) A department director must offer discontinued service retirements to employees on the basis of seniority. If 2 employees have the same amount of seniority, the department director must use service need as the basis for determining who receives the discontinued service retirement.
- (d) If the employee selected for the discontinued service retirement is not the most senior employee, the department director must submit written documentation to the OHR Director showing that more senior employees within the affected class were offered the retirement but refused it.
- (e) The employee and department director must agree that the discontinued service retirement is in the best interest of the employee and the County.
- (f) Following approval by the OHR Director, the employee must file an application for discontinued service retirement with OHR.

30-8. Notification of termination resulting from RIF. The OHR Director must:

- (a) give at least 30 calendar days written notice to an employee whose employment will be terminated;

 - (2) An employee is entitled to priority consideration for announced vacancies in the same branch of government as that from which the employee was affected or displaced. However, an employee of the Legislative or Judicial branches hired before August 1, 1983, is entitled to priority consideration for announced vacancies in all branches.
 - (3) The OHR Director must place an affected employee on a priority eligible list if the employee applies for a position for which qualified, successfully completes any required routine medical or skills examinations, and the position is at or below the grade held by the employee when affected by RIF, subject to the provisions of Section 33-7(b)(4) of the Montgomery County Code.
 - (4) The OHR Director must determine if an affected employee is qualified for the position upon reviewing the individual's experience, education, and training.
- (c) ***Displaced employees who are not eligible for priority consideration.*** Temporary and probationary employees whose employment is terminated because of a RIF are excluded employees who are not entitled to priority consideration.
- (d) ***Reinstatement of displaced employees.***
- (1) A department director must reinstate employees from the department who were terminated or demoted to vacant positions in the class from which the employees were terminated or demoted.
 - (2) The department director must reinstate employees in inverse order of their identification for displacement.
 - (3) The displaced employee's right to reinstatement to a position in the occupational class and department from which the employee was displaced supersedes the right of a displaced employee from another occupational class or department for priority consideration.

- (4) A full-time or part-time employee who is displaced in a RIF and who takes a temporary position to avoid termination is entitled to priority consideration and reinstatement to a permanent position.
- (e) ***Duration of priority placement or reinstatement rights.*** An employee has a right to priority placement for 2 years after the effective date of termination or demotion or until the employee has been successfully placed 3 times, including the initial placement, whichever comes first.
- (f) ***Priority eligible list as only permissible way to fill a vacant position.*** A department director must not fill a vacant position by any other means if there is a qualified applicant on a priority eligible list for that position.
- (g) ***Order of priority in filling vacant positions.***
 - (1) A full-time affected employee who is entitled to priority consideration has priority over a part-time affected employee for full-time vacancies.
 - (2) A part-time employee who is entitled to priority consideration has priority over a full-time affected employee for part-time vacancies.
 - (3) An affected employee who is not in a term position and who is entitled to priority consideration has priority for vacant non-term positions over an affected employee in a term position.
 - (4) An affected employee in a term position who is entitled to priority consideration has priority for vacant term positions over an affected employee who is not in a term position.
 - (5) A full-time employee who is placed in a part-time position in a RIF has priority over a part-time employee for full-time positions.
 - (6) The OHR Director must ensure that an affected employee who is placed on a priority eligible list receives priority consideration in the order described in Section 6-10 of these Regulations.
 - (7) If more than one affected employee claims priority for an announced vacancy, the department may choose the candidate with the overall qualifications best suited for the position, regardless of the seniority of the affected employees who applied for the vacancy.
- (h) ***Time limit for accepting an offer of appointment.*** An employee who receives an offer of appointment to any position for which the employee applied using priority consideration must accept or reject the offer within 7 calendar days or the employee will be removed from the priority eligible list for that position.

(i) ***Employee's refusal of reinstatement to equivalent job.***

- (1) If a displaced employee refuses an offer of appointment to a position that has the same status characteristics as the position from which the employee was displaced, the OHR Director must:
 - (A) remove the employee from the reemployment list; and
 - (B) take away the employee's future priority consideration rights, unless the OHR Director allows the employee to remain on the reemployment list for good cause shown.
- (2) If the employee wishes to keep priority consideration rights after refusing an offer of appointment to a position with the same status characteristics as the position from which the employee was displaced, the employee must submit a written request to the OHR Director within 5 days of rejecting the offer. The employee must explain the reason for refusing the job offer and why the OHR Director should allow the employee to remain on the reemployment list.
- (3) The OHR Director may excuse a refusal only in unusual circumstances. The OHR Director's decision is final and an employee may not grieve the decision.

(j) ***Responsibilities of OHR Director when RIF is concluded.*** At the conclusion of a RIF within a department, the OHR Director must rescind the notice of intent and priority consideration rights for affected employees who were not displaced.

30-10. Salary considerations.

- (1) give the employee severance pay; and
 - (2) upon separation from County service, distribute the vested portion of the participant's account balance.
- (c) A terminated employee who is a vested member of the Employees' Retirement System may elect to leave all member contributions and interest in the fund or to have retirement contributions returned.

A furlough may be comprised of any combination of fixed, alternate, or rolling furlough days.
- (d) ***Furlough period:*** The time period specified by the CAO during which affected employees must take all assigned furlough hours and lose the pay attributable to the furlough.

 - (4) the designation of fixed furlough days, if any.
- (f) ***Rolling furlough day:*** A day or hour(s) of a day that an employee elects, with supervisor approval, to take assigned furlough hours.

- (a) A supervisor must not require or allow an employee to work on the employee's furlough days, except in an emergency as determined by the CAO.
- (b) A furlough is a permanent loss of an employee's work hours. A department director or supervisor must not allow an employee to make up the hours lost by working additional hours at another time.
- (c) The County must ensure that the following are not adversely affected when an employee takes a furlough:
 - (1) the employee's accrual of annual and sick leave or the crediting of PTO;
 - (2) life insurance;
 - (3) retirement benefits; and
 - (4) seniority.
- (d) The County must not pay an employee's regular County salary to an employee who is on disability leave on a furlough day.

- (f) If a supervisor requires an employee on a fixed furlough day or alternate furlough day or rolling furlough day to return to work to perform unanticipated work assignments of an emergency nature, the department must give the employee call-back pay under Section 10-13 of these Regulations. The supervisor must ensure that the employee takes alternate furlough hours to replace the hours on which the employee was to be furloughed on the furlough day.

31-3. Conducting a furlough.

- (a) The CAO must develop a furlough plan for each furlough that identifies the employees who will be furloughed, the number of hours of furlough and the number of fixed furlough days, rolling furlough days, or a combination of fixed and rolling furlough days on which the employees will be furloughed.
- (b) The CAO may choose to spread the salary loss due to a furlough over multiple pay periods or confine the salary loss to the same pay period in which the furlough is actually taken.

- (c) The department director must notify affected employees of fixed furlough days at least 30 days before the furlough day.
- (d) To ensure compliance with the furlough plan, the department director must monitor the scheduling, accrual, and reporting of furlough hours.

- (f) The department director and the Director of the Public Information Office must notify the public in advance if work sites are closed or public services are limited because of a furlough.
- (g) An employee, with supervisory approval, may elect to take rolling furlough days on a full day or an hourly basis.

31-4. Appeal of furlough. An employee with merit system status who is furloughed may grieve under Section 34 of these Regulations if the County fails to follow the procedures in this Section.  - (8) A position may meet the definition of more than one designation. In such a case, the OHR Director must designate the position as follows:
 - (A) if a position meets the definitions of HPR and Safety-Sensitive, it must be designated as Safety-Sensitive;
 - (B) if a position meets the definitions of HPR and FTA Safety-Sensitive, it must be designated as FTA Safety-Sensitive; and

- (g) ***Required check on the drug and alcohol testing records of applicants for FMCSA Safety-Sensitive and FTA Safety-Sensitive positions.***
- (1) Before an applicant or employee begins performing safety-sensitive duties for the first time, the County must, after obtaining the applicant or employee's written consent, request the following information from U.S. DOT-regulated employers who have employed the individual during any period during the 2 years before the date of the applicant's application or the employee's transfer:

 - (4) If the applicant or employee violated a U.S. DOT drug and alcohol regulation while employed, or under consideration for employment, by another employer but the previous employer does not have information about the return-to-duty process (because, for example, the employer did not hire an applicant who tested positive on a pre-employment test), the County must try to obtain this information from the employee.
 - (5) If the County obtains information that the applicant or employee violated a U.S. DOT drug and alcohol regulation, the County must not hire the applicant or use the employee to perform safety-sensitive functions unless the County also obtains information that the employee successfully completed a referral, evaluation, and treatment plan as described in U.S. DOT and FTA regulations.
 - (6) The County must obtain and review the information requested from U.S. DOT-regulated employers before the applicant is hired or the employee first performs safety-sensitive functions. If this is not feasible, the County may employ an applicant or allow an employee to perform safety-sensitive functions after 30 days have passed since the County made and documented a good faith effort to obtain this information.
 - (7) The County must maintain a written, confidential record of the information obtained or of the good faith efforts made to obtain the information. The County must retain this information for 3 years from the date of the employee's first performance of safety-sensitive duties.
 - (8) The County must also ask the applicant or employee if he or she has tested positive, or refused to test, on any pre-employment drug or pre-assignment alcohol test administered by an employer to which the employee applied for, but did not obtain, safety-sensitive transportation work covered by U.S. DOT drug and alcohol testing rules during the past 2 years. If the applicant or employee admits that he or she had a positive test or a refusal

to test, the County must not use the applicant or employee to perform safety-sensitive functions until and unless the applicant or employee documents successful completion of the return-to-duty process as required under U.S. DOT regulations.

- (9) The County, as a U.S. DOT-regulated employer from whom information is requested, must, after reviewing the employee's specific, written consent, immediately release the requested information to the employer making the inquiry. The release of information must be in a written form that ensures confidentiality. The County must maintain a written record of the information released, including the date, the party to whom it was released, and a summary of the information provided.

(h) *Drug and alcohol testing of job applicants and employees.*

- (1) ***Goals of drug and alcohol testing program.*** The County government conducts drug and alcohol testing of job applicants and employees to:
 - (A) identify those whose use of illegal drugs or misuse of alcohol may affect their job performance;
 - (B) discourage the use of illegal drugs and the misuse of alcohol and other legal substances by employees;
 - (C) motivate employees with active drug or alcohol problems to seek treatment;
 - (D) protect the health and safety of employees and the public;
 - (E) prevent accidents and reduce liability for employee accidents and misconduct;
 - (F) protect public and private property;
 - (G) ensure the efficiency and effectiveness of the County work force; and
 - (H) comply with Federal, State, and County regulations and County labor agreements that require drug and alcohol testing of applicants for certain jobs and employees who perform certain functions.
- (2) ***Factors that determine the type and frequency of drug and alcohol testing to which an employee is subject.*** The following factors determine if an applicant or employee must undergo drug or alcohol testing and the type and frequency of testing:

- (A) the designation of the employee's position for drug and alcohol testing purposes;
- (B) Federal, State, and County regulations and County labor agreements that require testing of certain job applicants, employees, or both;
- (C) the employee's conduct, such as the employee's violation of the drug and alcohol prohibitions in these Regulations; and
- (D) the recommendation of a Substance Abuse Professional who has evaluated the employee for substance abuse or alcohol misuse.

(3) ***Pre-employment drug testing.***

- (A) Under Federal regulations, the County must conduct drug tests on all applicants for FMCSA_Safety-Sensitive or FTA Safety-Sensitive positions before employment or before the employees first perform safety-sensitive duties.
- (B) Under State regulations, the County must conduct drug tests on all applicants for Police Officer, Deputy Sheriff, and certain correctional positions before appointment as part of the required medical evaluation.
- (C) The County conducts pre-employment drug tests on all applicants for:
 - (i) HPR positions; and
 - (ii) Public Safety positions not covered by (3)(B) above.

(4) ***Pre-Assignment alcohol testing.***

- (A) Federal regulations permit employers to test employees covered by Federal regulations for alcohol immediately before the employees perform safety-sensitive duties for the first time, provided that the employer performs pre-assignment testing on all covered employees.
- (B) The County conducts pre-assignment alcohol testing on all employees newly hired or assigned to FMCSA_Safety-Sensitive and FTA Safety-Sensitive positions.

(5) ***Probable cause or reasonable suspicion drug and alcohol testing.***

- (A) ***For all employees.***

- (i) The County may conduct probable cause or reasonable suspicion testing based on suspicion that the employee violated the drug and alcohol prohibitions in this Section.
 - (ii) The required observations for probable cause or reasonable suspicion testing for alcohol, drugs, or both must be made by a supervisor who is trained as required under these Regulations.
- (B) ***For employees in FMCSA_Safety-Sensitive positions.*** When the County conducts reasonable suspicion drug and alcohol testing of employees in FMCSA_Safety-Sensitive positions under the authority of DOT Regulations, the County must conduct the testing under Section 32-4 of these Regulations.
- (C) ***For employees in FTA Safety-Sensitive positions.*** When the County conducts reasonable suspicion drug and alcohol testing of employees in FTA Safety-Sensitive positions under the authority of DOT Regulations, the County must conduct the testing under Section 32-5 of these Regulations.
- (D) ***Reasonable suspicion testing for employees in HPR or Public Safety positions.***
 - (i) ***Alcohol tests.*** A supervisor may require an employee in an HPR or Public Safety position to submit to an alcohol test if the supervisor has reasonable suspicion to believe that the employee has violated the prohibitions in Section 32-3(a) concerning alcohol. The supervisor's determination that reasonable suspicion exists to require the employee to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or body odor.
 - (ii) ***Drug tests.*** A supervisor may require an employee to submit to a drug test when the supervisor has reasonable suspicion to believe that the employee has violated the prohibitions in Section 32-3(a) concerning drugs. The supervisor's determination that reasonable suspicion exists to require the employee to undergo a drug test must be based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or body odors. The observations may include indications of the chronic and withdrawal effects of drugs.

(E) *Probable cause testing for employees in LPR positions.*

- (i) A supervisor may require an employee in an LPR position to submit to a drug or alcohol test if the facts and circumstances within the supervisor's actual knowledge, and of which the supervisor has reasonable, trustworthy information, are enough to cause a reasonably cautious person to believe that a test will produce evidence that the employee has prohibited drugs or alcohol above the cutoff level in the employee's body. This is a higher level of certainty than is required for reasonable suspicion testing.
- (ii) If possible, 2 supervisors at the work site should observe the employee, or review the relevant information about the employee, before requiring the employee to submit to a drug or alcohol test.

(F) *Requirement for supervisors to record observations.*

- (i) The supervisor must sign a written record of the observations that lead to an alcohol or drug test immediately after making the observation and before meeting with the employee. The alcohol or drug test must be done following the supervisor's meeting with the employee. If circumstances prevent the supervisor from making a written record immediately, the supervisor must make the written record of the observations within 24 hours of the test.
- (ii) The supervisor of an FMCSA Safety-Sensitive or FTA Safety-Sensitive employee must comply with record-keeping requirements in Sections 32-4 and 32-5, as appropriate.

(G) *Employee status on and after day of test.*

- (i) On the day of a probable cause or reasonable suspicion test, the supervisor must place the employee tested in an appropriate leave status for the remainder of the day or shift.
- (ii) After the day of the test and until the results of the test are known, the department director may:
 - (a) assign the employee other duties if:

- (1) the department director has cause to believe that the employee cannot perform the employee's regularly assigned duties without risking harm to the employee, the employee's coworkers, or to the public; and
 - (2) other duties are available; or
 - (b) place the employee in an appropriate leave status.
- (H) ***Negative test results.*** If the result of the probable cause or reasonable suspicion test is negative, the County must:
 - (i) restore the sick leave, annual leave, or compensatory time that the employee used, unless the employee was actually sick or otherwise unable to perform the employee's duties; and
 - (ii) reimburse the employee for lost wages and benefits if the employee was on LWOP, unless the employee was sick or otherwise unable to perform the employee's duties.
- (6) ***Post-accident testing.***

- (7) ***Random drug and alcohol testing.***
 - (A) The County conducts random drug testing of:
 - (i) Police Officers assigned to specialized units that investigate drug-related offenses; and
 - (ii) employees and volunteers who serve as Firefighter/Rescuers.

(B) ***Return-to-duty testing of other employees.***

- (i) A department director may require a return-to-duty drug or alcohol test for an employee in an HPR or Public Safety position if the employee violated the drug or alcohol prohibitions in Section 32-3(a), had a verified positive drug test result, had a confirmed alcohol test result of 0.02 or higher, or refused to be tested.
- (ii) If a department director requires a return-to-duty test, the department director must not allow the employee to perform the duties of the employee's position unless the employee is tested and has a negative test result for drugs, alcohol, or both.

(9) ***Follow-up drug and alcohol testing.***

(A) ***Follow-up testing of employees in FMCSA_Safety-Sensitive positions.*** The County must conduct follow-up drug and alcohol testing of employees in FMCSA_Safety-Sensitive and FTA Safety-Sensitive positions under the procedures in Sections 32-4 (FMCSA Safety-Sensitive).

(B) ***Follow-up testing of other employees.*** After a County employee has refused to be tested, or tested positive on a drug or alcohol test, or after a medical provider determines that a County employee is in need of assistance in resolving problems associated with alcohol misuse, drug abuse, or both, and if the employee has not been dismissed or terminated for violating this regulation, the County must drug test, alcohol test, or drug and alcohol test the employee for a period of at least 12 months but no longer than 60 months. The employee's supervisor determines the duration and frequency of testing.

- (i) The County must conduct at least 6 alcohol tests over each 12-month period if:

- (a) the employee violated the alcohol prohibitions contained in these Regulations;
 - (b) refused to be tested for alcohol;
 - (c) had an alcohol concentration of 0.02 or higher; or
 - (d) the employee's misuse of alcohol has been confirmed either by the employee's admission or other objective evidence.

 - (iii) If recommended by the medical provider, the County must also drug test the employee.
 - (iv) The County must conduct no less than 6 drug tests over each 12-month period if the employee:
 - (a) violated the drug prohibitions contained in these Regulations;

 - (d) the employee's drug abuse has been confirmed either by the employee's admission or other objective evidence.
 - (v) The County must ensure that follow-up drug testing is:
 - (a) unannounced; and
 - (b) spread reasonably over the 12-month period.
 - (vi) If recommended by the medical provider, the County must also alcohol test the employee.
- (10) **Guidance on drug and alcohol testing.** For further guidance on drug and alcohol testing, supervisors should contact OHR OMS Drug and Alcohol Program Coordinator at 240-777-5118 or email OMSTeam@montgomerycountymd.gov.

- (11) ***Drug and alcohol testing forms.*** Before a drug or alcohol test for job positions not covered by U.S. DOT regulations is conducted, the applicant or employee should complete the appropriate County or Federal form.
- (12) ***Collection of specimens for drug testing.***
 - (A) OMS or a collection site/agent authorized by OMS must ensure that specimen collection is conducted:
 - (i) under Federal or State regulations, as appropriate;
 - (ii) by a collector who completed the required qualification and refresher training and the initial proficiency demonstration;
 - (iii) under controlled circumstances that reduce the opportunity to tamper with the specimen or substitute a different specimen, with reasonable accommodation to privacy consistent with the type of test being conducted;
 - (iv) under direct observation for return-to-duty and follow-up testing of FMCSA_Safety-Sensitive employees; and
 - (v) under direct observation if the County receives a drug test result indicating that the employee's urine specimen test was cancelled because it was invalid. The collection for the retest must take place under direct observation;
 - (B) The collector must ensure that the specimen is properly identified and that the chain of custody is protected and recorded.
 - (C) OMS must ensure that specimen collection for required testing of FMCSA_Safety-Sensitive and FTA Safety-Sensitive employees or job applicants under U.S. DOT regulations is conducted as required under those regulations.
- (13) ***Requirements for laboratories that conduct drug testing.*** Tests must be conducted only by laboratories certified by the State of Maryland or by the U.S. Department of Health and Human Services to perform job-related forensic testing for drugs.
- (14) ***Substances tested.***
 - (A) For drug testing conducted under U.S. DOT regulations, the laboratory must test specimens obtained from FMCSA_Safety-Sensitive and FTA Safety-Sensitive applicants and employees for the substances indicated in Sections 32-4 and 32-5.

- (B) For drug testing under County authority, the laboratory must test specimens for the following drugs or their metabolites:
 - (i) amphetamines;
 - (ii) barbiturates;

 - (iv) cannabinoids (marijuana);
 - (v) cocaine;
 - (vi) methaqualone (quaalude);
 - (vii) methadone;
 - (viii) opiates;
 - (ix) phencyclidine (PCP); and
 - (x) propoxyphene (Darvon).
- (C) If information available to the department or OMS indicates that it is appropriate, OMS may ask the laboratory to test a specimen for any controlled dangerous substance included on the schedules in Section 5-101 of the Criminal Law Article of the Maryland Annotated Code. This does not apply to testing of FMCSA Safety-Sensitive and FTA Safety-Sensitive employees that is conducted under U. S. DOT regulations.
- (D) If the initial screen for drugs is positive, the laboratory must conduct a confirmation test.
- (E) The laboratory must conduct validity testing on the specimen to determine if certain adulterants or foreign substances were added to the urine, if the urine was diluted, or if the specimen was substituted.

(15) Drug test results.

- (A) The laboratory must report drug test results in writing directly to the Medical Review Officer (MRO) by any means that ensures accuracy and confidentiality. The laboratory reports results as:
 - (i) negative;

- (ii) negative – dilute;
 - (iii) rejected for testing;
 - (iv) positive, with drug or metabolite noted;
 - (v) positive – dilute, with drug or metabolite noted, or
 - (vi) adulterated, substituted, or invalid result.
- (B) A positive test result indicates that the presence of a drug or metabolite was measured and confirmed at or above a predetermined cutoff level. If a drug or metabolite is present at a level below the predetermined cutoff, the test result will be reported as negative.
- (C) If the MRO receives test results reported as positive, adulterated, or substituted, the MRO must:
- (i) verify all test results as required under U.S.DOT regulations; and
 - (ii) speak with, or make all required attempts to speak with, the applicant or employee for whom the test result was reported.
- (D) If the applicant or employee states that there is a medical explanation for the test results, the MRO may:
- (i) require the applicant or employee to submit documentation from a treating physician or other relevant medical personnel;
 - (ii) contact the treating physician or other relevant medical personnel; or
 - (iii) require a clinical examination of the applicant or employee.
- (E) If the MRO determines that there is a legitimate medical explanation for a test result, the test result will be reported to the department as negative.
- (F) OMS must report to the Designated Employer Representative (DER) and to the applicant or employee if the test results are verified positive, or indicate a refusal to test because of adulteration or substitution. OMS must report both negative and

positive test results to the DER for post-accident, reasonable suspicion, return to duty, and follow-up testing of employees.

(16) *Retesting of employee after a canceled drug test.*

- (A) A canceled drug test is a test that has been declared invalid by the MRO and is neither a negative test result nor a confirmed positive test result. A canceled test includes a specimen rejected for testing by a laboratory.
- (B) If a pre-employment drug test for a non-employee applicant is canceled, the County must conduct another pre-employment drug test.
- (C) If a drug test for an employee is canceled, the County must drug test the employee again and receive a negative result before the employee is:
 - (i) transferred or reassigned to an HRP, Public Safety, FMCSA_Safety-Sensitive, or FTA Safety-Sensitive position; or
 - (ii) allowed to return to HPR, Public Safety, FMCSA_Safety-Sensitive, or FTA Safety-Sensitive duties, because of the possible use of illegal drugs, prohibited alcohol use, or refusal to take a required drug or alcohol test.

(17) *Breath alcohol testing procedures.*

- (A) OMS or a collection site authorized by OMS must ensure that alcohol testing is conducted:
 - (i) using the process required under Federal or State regulations, as appropriate; and
 - (ii) by a breath alcohol technician (BAT) or screening test technician who completed the required qualification and refresher training and the initial proficiency demonstration.
- (B) A BAT or Screening Test Technician must conduct an initial screening test using an Evidential Breath Testing Device (EBTD). If the result of the test is a breath alcohol concentration of less than 0.02, the test is considered negative and no further testing is authorized.
- (C) The BAT must conduct a confirmation test if the result of the screening test is an alcohol concentration of 0.02 or higher.

(18) *Refusal to take a drug or alcohol test.*

- (A) Any of the following on the part of an employee is considered a refusal to submit to drug or alcohol testing and is considered to be the same as a verified positive drug test result or an alcohol test with an alcohol concentration of 0.02 or higher:
- (i) failing to appear for any test, except a pre-employment test, within a reasonable time, as determined by the County, after being directed to do so by a supervisor or other agent of the employer;
 - (ii) failing to remain at the testing site until the testing process is complete, but this does not apply to an applicant who leaves the testing site for a pre-employment drug test before the testing process begins;
 - (iii) failing to provide a urine specimen for a drug test or a breath sample for an alcohol test, but this does not apply to an applicant who leaves the testing site before the testing process begins for a pre-employment drug test;
 - (iv) in the case of a directly observed or monitored specimen collection for a drug test, failing to permit the observation or monitoring of the collection of a specimen;
 - (v) failing to provide enough urine for a drug test or adequate breath for an alcohol test when directed if it has been determined through a required medical evaluation that there was no adequate medical explanation for the failure;
 - (vi) failing or refusing to take an additional drug test the employer or collector has directed the employee to take;
 - (vii) failing to undergo a medical evaluation as required by the MRO or as directed by the County as part of the verification process;
 - (viii) failing to cooperate with any part of the testing process, such as refusing to empty pockets when so directed by the collector, behaving in a confrontational way that disrupts the collection process, or engaging in conduct that obstructs the drug or alcohol testing process or makes the test impossible;

- (ix) having a verified adulterated or substituted test result, as reported by the MRO;
 - (x) failing to sign the certification at Step 2 of the Alcohol Testing Form; or
 - (xi) failing to remain readily available for post-accident testing, including failing to notify the supervisor or other County representative of the employee's location after leaving the scene of the accident but before submitting to post-accident testing;
 - (B) A department director must not select an applicant for a position that requires a pre-employment drug test if the applicant refuses to be tested for drugs.
 - (C) If an employee in an HPR, Public Safety, FMCSA_Safety-Sensitive, or FTA Safety-Sensitive position refuses to be tested for drugs or alcohol as required under these Regulations, the department director:
 - (i) must treat the refusal to take a drug test as the equivalent of a verified positive drug test result, unless it is a pre-employment drug test;
 - (ii) must treat the refusal to take an alcohol test as the equivalent of an alcohol test result of 0.02 or higher; and
 - (iii) may take adverse action against the employee.
 - (D) If an employee in an LPR position refuses to take a probable cause drug or alcohol test, the department director:
 - (i) must treat the refusal as the equivalent of a verified positive drug test result or an alcohol test result of 0.02 or higher; and
 - (ii) may take adverse action against the employee for insubordination.
- (19) **Consequences of a verified positive drug test result or an alcohol test result of 0.02 or higher.**
- (A) A department director must not select a job applicant who has a verified positive drug test result.

- (B) A department director may take adverse action under County and department regulations against an employee who has a verified positive drug test result when applying for appointment to a position in another department.
- (C) OMS must refer an FMCSA_Safety-Sensitive or FTA Safety-Sensitive employee who has a verified positive drug test result or an alcohol test result of 0.04 or higher to a Substance Abuse Professional for evaluation. OMS must refer a County employee in any other type of position who has a verified positive drug test result or an alcohol test result of 0.02 or higher to a healthcare provider for evaluation and recommended treatment. The department director may take adverse action against the employee under County and department regulations.
- (D) A supervisor of an FMCSA Safety-Sensitive employee who has a confirmed alcohol test result of at least 0.02 but less than 0.04 must not allow the employee to operate a vehicle or heavy or dangerous machinery or equipment for at least 24 hours after the test. A supervisor of an FTA Safety-Sensitive employee who has a confirmed alcohol test result of at least 0.02 but less than 0.04 must not allow the employee to perform safety-sensitive functions for at least 8 hours after the test, unless the employee is tested again with a result of less than 0.02.
- (E) For an employee in an LPR, HPR, or Public Safety position, an alcohol test result of 0.02 or higher is considered a positive test result. A department director may take adverse action under County and department regulations against an employee in an LPR, HPR, or Public Safety position who has a confirmed positive alcohol test result.
- (F) A department director may take adverse action under County and department regulations against an employee who has a verified positive drug test result.
- (G) A department director must take adverse action under County and department regulations against an FMCSA Safety-Sensitive employee who has an alcohol test result of 0.04 or higher, or who has a verified positive drug test result.
- (H) A department director must not allow an employee in an HPR, Public Safety, or FMCSA Safety-Sensitive position who has a verified positive drug test result or an alcohol test result of 0.02 or higher to perform the duties of the employee's position until the employee has been evaluated by a Substance Abuse Professional

for employees covered by U.S. DOT regulations or by a medical provider for other employees and:

- (i) the Substance Abuse Professional or medical provider determines that the employee has completed the treatment recommended by that person and is able to return to the employee's regular duties; or
 - (ii) if no treatment is recommended by the Substance Abuse Professional or a medical provider, the evaluator determines that the employee does not have a drug or alcohol problem and is able to return to the employee's regular duties.
- (I) Once an employee has been given medical clearance by a Substance Abuse Professional or a medical provider to return to work, the employee must report to OMS for a Return to Duty test. Upon reviewing the medical clearance and the return to work test result, the Employee Medical Examiner (EME), defined in Section 1-20, must perform a Return to Work evaluation to determine whether the employee should return to work.
- (J) A department director may determine that an employee in an LPR position who has a confirmed positive drug test result or who has an alcohol test result of 0.02 or higher must not be allowed to perform some or all of the duties of the employee's position until the department is satisfied that the employee no longer has a drug or alcohol problem. The department must base the determination on a careful review of:
- (i) the employee's duties and responsibilities and if the employee is responsible for County funds, negotiable instruments, County stores, or valuable equipment; and
 - (ii) the recommendation of the Substance Abuse Professional or medical provider who evaluated the employee.

(20) *Rights of job applicants and employees subject to drug or alcohol testing.*

- (A) OMS must advise an applicant or employee subject to drug testing of the following, before the collection of the specimen:

- (B) If the applicant or employee refuses to be tested, OMS must tell the applicant or employee of the consequences for refusing.
- (C)
 - (i) If the MRO has verified a drug test result as positive or as a refusal to test because of adulteration or substitution, the MRO must notify the applicant or employee of the applicant's or employee's right to have a test conducted on the split specimen, as appropriate, by a different laboratory at the employee's expense.
 - (ii) The MRO must tell a DOT covered applicant or employee how to request the split specimen test and give him or her at least 72 hours to request the test. Applicants or employees not covered by U.S. DOT regulations are given 10 days to request the test.
 - (iii) An employee covered by U.S. DOT regulations may be required to pay for the test. Other employees are required to pay for the test before the test takes place.
 - (iv) If the test conducted by a different laboratory is negative, the County must treat the test result as negative.

(21) *Appeal rights of job applicants and employees subject to drug or alcohol testing.*

- (A) A job applicant may appeal to the MSPB under Section 35 of these Regulations if the applicant was denied employment or assignment to the position sought because of a verified drug test result, alcohol test result, or refusal to take a drug test.
- (B) If an employee receives an adverse action or the employee's conditions of employment were changed because of a drug or alcohol test result or a refusal to test, the employee may appeal under the following, as applicable:
 - (i) Section 34 or 35 of these Regulations;
 - (ii) relevant provisions of the Law Enforcement Officers' Bill of Rights; or
 - (iii) relevant provisions of the appropriate labor agreement.
- (C) An applicant or employee may not appeal the testing procedure or validity of the test result, unless the reason for challenging the

procedure, or the validity of the result, is material to the basic fairness or reliability of the procedure, or the basic accuracy of the test result.

(i) ***Required referral, evaluation, and treatment.***

(1) ***Montgomery County Employee Assistance Program (EAP).***

(j) *Effects of drug abuse and alcohol misuse.*

 - (E) financial or domestic problems such as separation, divorce, behavioral problems with children, or inability to pay bills.

- (2) An employee who recognizes symptoms of drug abuse or alcohol misuse in himself or herself should contact the EAP instead of ignoring or covering up the problem.
- (3) An employee who recognizes symptoms of drug abuse or alcohol misuse in a coworker should be supportive but refuse to cover up for the coworker. If the coworker's behavior is creating safety concerns or causing other serious problems, the employee should discuss it with a supervisor or suggest that the employee call an EAP counselor.
- (4) A supervisor must intervene by talking to the employee about the performance problems, explaining the consequences if performance expectations are not met, and being supportive, honest, and firm.
- (5) Supervisors and coworkers are not expected to diagnose drug abuse or alcohol misuse problems.

(k) *Employees Who Refer Themselves for Treatment.*

- (1) Employees who refer themselves for treatment for drug or alcohol abuse or obtain treatment for drug/alcohol abuse on their own initiative will not be subject to disciplinary action, absent evidence that they have violated this regulation, federal, state, or local law, or County or departmental regulations.
- (2) If an employee tells a supervisor that he or she needs help to resolve a problem associated with prohibited drug use or alcohol misuse:
 - (A) the department director must not propose to dismiss or terminate the employee unless the employee makes the admission:
 - (i) after the employee is approached by a supervisor who intends to inform the employee that the employee has been selected for testing, but before the supervisor has the opportunity to notify the employee that the employee has been selected for a required drug or alcohol test;
 - (ii) after the employee learns that he/she has been selected for a required drug or alcohol test but before the employee is officially notified of the required drug or alcohol test;
 - (iii) after the employee is notified of a required drug or alcohol test but before the employee is tested for drugs or alcohol;
 - (iv) after the employee is tested for drugs or alcohol;
 - (v) after an accident;

(l) Education and training programs.

- (1) An individual who performs the functions of a collector, MRO, BAT, Screening Test Technician, or Substance Abuse Professional must receive the qualification training and refresher training required under the appropriate Federal or State regulations.
- (2) The County must give employees information about the dangers of drug abuse and alcohol misuse and the resources available for treatment and rehabilitation.
- (3) The County must ensure that all new and existing employees in FMCSA Safety-Sensitive and FTA Safety-Sensitive positions receive at least 60 minutes of training on the effects and consequences of prohibited drug use on personal health, safety, and the work environment, and on the signs and symptoms that may indicate prohibited drug use or alcohol misuse.
- (4) The County must ensure that supervisors of HPR, Public Safety, FMCSA Safety-Sensitive, and FTA Safety-Sensitive employees who may make reasonable suspicion determinations receive at least:

 - (B) The labor organization or other representative of the applicant or employee, if the applicant/employee provides written authorization for such release.
 - (C) Those to whom release is required by law, or authorized by the applicant/employee.
- (n) ***For further information.*** For further information about drug and alcohol testing, an employee may contact the staff of:
 - (1) OHR OMS Drug and Alcohol Program Coordinator at 240-777-5118 or email OMSTeam@montgomerycountymd.gov.

 - (G) report for duty, remain on duty, or perform a safety-sensitive function after:
 - (i) testing positive for a prohibited drug; or
 - (ii) adulterating or substituting a specimen for a drug test.
- (2) ***Prohibitions for supervisors of Safety-Sensitive employees.*** A supervisor must not permit a Safety-Sensitive employee to perform or continue to perform a safety-sensitive function if the supervisor has actual knowledge that the employee:
- (A) has an alcohol concentration of 0.02 or greater;
 - (B) is using alcohol while performing a safety-sensitive function;
 - (C) used alcohol within the last 4 hours;
 - (D) refused to submit to drug or alcohol testing required under FMCSA regulations; or
 - (E) used a prohibited drug, tested positive for a prohibited drug; or adulterated or substituted a specimen for a drug test.
- (3) ***Refusal to submit to drug or alcohol testing.*** Any of the following on the part of a Safety Sensitive employee is considered a refusal to submit to drug or alcohol testing and is considered to be the same as a verified positive drug test or an alcohol test with an alcohol concentration of 0.04 or higher:

- (A) failing to appear for any test, except a pre-employment test, within a reasonable time, as determined by the County, after being directed to do so by a supervisor or other agent of the employer;
- (B) failing to remain at the testing site until the testing process is complete, but this does not apply to an applicant who leaves the testing site before the testing process begins for a pre-employment drug test;
- (C) failing to provide a urine specimen for a drug test or a breath or saliva sample for an alcohol test required under FMCSA regulations, but this does not apply to an applicant who leaves the testing site before the testing process begins for a pre-employment drug test;
- (D) in the case of a directly observed or monitored specimen collection for a drug test, failing to permit the observation or monitoring of the collection of a specimen, including failing to follow instructions from the observer to raise clothing above the waist, lower clothing and underpants, and to turn around to permit the observer to determine if any type of prosthetic or other device (that could be used to interfere with the collection process) is present;

Observed collections are required in the following circumstances:

- (1) All return-to-duty tests;
- (2) All follow-up tests;
- (3) Anytime the employee is directed to provide another specimen because the temperature of the original specimen was outside of the accepted temperature range of 90o-100oF;
- (4) Anytime the employee is directed to provide another specimen because the original specimen appeared to have been tampered with;
- (5) Anytime a collector observes that the employee has brought materials to the collection site or that the employee's conduct clearly indicates an attempt to tamper with a specimen;
- (6) Anytime the employee is directed to provide another specimen because the laboratory reported to the MRO that the original specimen was invalid and the MRO determined

that there was not an adequate medical explanation for the result;

- (7) Anytime the employee is directed to provide another specimen because the MRO determined that the original specimen was positive, adulterated or substituted, but the test had to be canceled because the test of the split specimen could not be performed.
- (E) failing to provide enough urine for a drug test or adequate breath or saliva for an alcohol test when directed if it has been determined through a required medical evaluation that there was no adequate medical explanation for the failure;
- (F) failing or refusing to take an additional drug test the employer or collector has directed the employee to take;
- (G) failing to undergo a medical evaluation as required by the MRO or as directed by the County as part of the verification process;
- (H) failing to cooperate with any part of the testing process, such as refusing to empty pockets when so directed by the collector, behaving in a confrontational way that disrupts the collection process, or engaging in conduct that obstructs the drug or alcohol testing process or makes the test impossible;
- (I) having a verified adulterated or substituted test result, as reported by the MRO;
- (J) failing to sign the certification at Step 2 of the Alcohol Testing Form;
- (K) failing to remain readily available for post-accident testing, including failing to notify the supervisor or other County representative of the employee's location after leaving the scene of the accident but before submitting to post-accident testing;
- (L) possessing or wearing a prosthetic or other device that could be used to interfere with the collection process; or
- (M) admitting to the collector or MRO that the specimen provided has been adulterated or substituted.

(f) Drug and alcohol testing.

(1) Procedures used.

- (A) All drug testing and alcohol testing under FMCSA authority must comply with DOT regulations at 49 CFR Part 40, as amended. The DOT regulations at 49 CFR Part 40, as amended, are incorporated into these Regulations by reference.
 - (B) The County must have a copy of 49 CFR Part 40, as amended, available to give to any employee or employee representative who requests it. These regulations describe:
 - (i) the procedures that will be used to test for the presence of drugs and alcohol;
 - (ii) the procedures that protect the employee and the integrity of the drug and alcohol testing processes;
 - (iii) how the validity of test results are ensured;
 - (iv) how the test results are attributed to the correct employee;
 - (v) an employee's right to access the employee's drug and alcohol records; and
 - (vi) the required qualifications, role, and responsibilities of the MRO, Substance Abuse Professional, collection site, and laboratory.
 - (C) The County must contract for drug testing services only with laboratories certified by the U.S. Department of Health and Human Services (DHHS).
 - (D) Specimen validity testing will be conducted on all urine specimens provided for testing under DOT authority. Specimen validity testing is the evaluation of the specimen to determine if its content is consistent with normal human urine. The purpose of validity testing is to determine whether certain adulterants or foreign substances were added to the urine, if the urine was diluted, or if the specimen was substituted.
- (2) ***Prohibited drugs.*** When administering a drug test under FMCSA regulations, the County must ensure that employees are tested for the following drugs:
- (A) marijuana;
 - (B) cocaine;
 - (C) opiates;

- (D) amphetamines; and
 - (E) phencyclidine.
- (3) **Medical Review Officer (MRO).** The MRO must be a licensed physician with knowledge of substance abuse disorders.
- (4) **Notice required for drug and alcohol testing.**
- (A) Before performing a drug or alcohol test under FMCSA regulations, the supervisor must notify the employee:
 - (i) that the FMCSA requires the drug or alcohol test; and
 - (ii) if drug testing, of the identity of the DHHS certified laboratory that will conduct the drug test.
 - (B) A supervisor must not falsely represent that a test not required by FMCSA regulations is being given under FMCSA regulations.
- (5) **Times when an employee is subject to testing.** The County may require a Safety-Sensitive employee to submit to testing required under FMCSA regulations at the following times:
- (A) at any time the employee is on duty for reasonable suspicion, random, return-to-duty, and follow-up testing for drugs;
 - (B) just before, just after, or while the employee is performing a safety-sensitive function for reasonable suspicion, random, return-to-duty, and follow-up alcohol testing;
 - (C) within 32 hours after an accident for post-accident drug testing; and
 - (D) within 8 hours after an accident for post-accident alcohol testing.
- (6) **Alcohol testing of an on-call employee who reports for duty.**
- (A) A supervisor who contacts an on-call employee to ask the employee to report for duty must ask if the employee has used alcohol and is unable to perform safety-sensitive functions.
 - (B) If an on-call employee acknowledges the use of alcohol but claims ability to perform safety-sensitive functions, the supervisor must ensure that the employee takes an alcohol test resulting in an

alcohol concentration of less than 0.02 before the supervisor allows the employee to perform a safety-sensitive function.

- (g) ***Types of drug and alcohol testing.*** Under FMCSA regulations, a Safety-Sensitive employee must submit to different types of drug and alcohol testing under the circumstances described in this subsection. An applicant for such a position must submit to pre-employment drug testing as described in (1) below.

(1) ***Pre-employment and pre-assignment testing.***

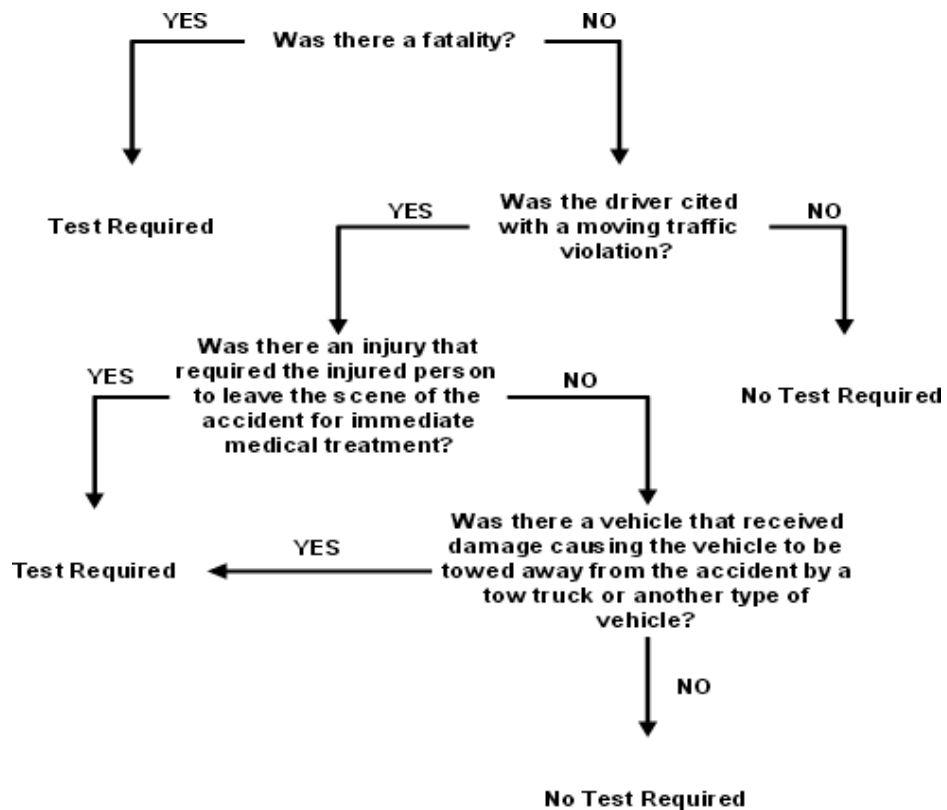

- (A) A non-employee applicant for a Safety-Sensitive position must produce a negative drug test result before employment.
- (B) An employee applicant for a Safety-Sensitive position or an employee transferred or temporarily assigned to a Safety-Sensitive position must produce a negative drug test result before performing safety-sensitive functions.
- (C) An employee newly hired or assigned to a Safety-Sensitive position must take a pre-*assignment* alcohol test with a result of less than 0.02 before performing safety-sensitive functions for the first time.

(2) ***Post-accident testing.***

- (A) An accident that involves operation of a commercial motor vehicle on a public road in commerce requires post-accident drug and alcohol testing of each surviving driver who was performing safety-sensitive functions with respect to the vehicle if the accident results in:
 - (i) the death of an individual;
 - (ii) a citation for the driver for a moving violation under State or local law if the accident involved:
 - (a) bodily injury to an individual that causes the individual to immediately receive medical treatment away from the scene of the accident; or
 - (b) disabling damage to one or more motor vehicles that requires the vehicle to be transported away from the scene by a tow truck or other motor vehicle.
- (B) Post-accident testing is not required if the accident involves only:

- (i) boarding or leaving a stationary motor vehicle; or
- (ii) the loading or unloading of cargo.

(C) The table below shows when a post-accident test is required.

- (D) If an alcohol test required by this section is not administered within 2 hours after the accident, a supervisor must prepare and maintain on file a record stating why the test was not promptly administered. If an alcohol test is not administered within 8 hours after the accident, the supervisor must stop attempts to administer an alcohol test and must prepare and maintain a record stating why the test was not administered. The County must submit these records to the FMCSA upon request.
- (E) A supervisor must ensure that an employee who must be tested for drugs is tested as soon as practicable after the accident. If a drug test required by this section is not administered within 32 hours after the accident, the supervisor must stop attempts to administer a drug test and prepare and maintain on file a record stating why the test was not promptly administered. The County must submit these records to the FMCSA upon request.

- (F) An employee who is subject to post-accident testing must remain readily available for such testing. The County may consider it a refusal to submit to testing if an employee who is subject to post-accident testing:
 - (i) fails to remain readily available for testing; or
 - (ii) fails to notify the supervisor or other County representative of the employee's location if the employee leaves the scene of the accident before submitting to a test.
- (G) These Regulations do not:
 - (i) require the delay of necessary medical attention for injured persons after an accident; or
 - (ii) prohibit an employee from leaving the scene of an accident for the time necessary to obtain help in responding to the accident or to obtain necessary emergency medical care.
- (H) The County must provide each employee with necessary information, procedures, and instructions about post-accident testing before the employee operates a commercial motor vehicle, so that the employee will be able to comply with the requirements of this section.
- (I) If the County obtains the results of a breath or blood test for alcohol or a urine test for drugs that was conducted by Federal, State, or local officials having independent authority for the test, the County will consider the test results as meeting the requirements of this section, provided such tests conform to applicable Federal, State or local testing requirements.

(3) ***Random testing.***

- (A) The County must randomly select enough Safety-Sensitive employees for drug testing and for alcohol testing during each calendar year to equal an annual rate for each type of testing that is not less than the minimum annual percentage rate determined by the FMCSA Administrator for each type of random testing.
- (B) Employees must be selected for testing by the use of a scientifically valid method such as a computer-based random number generator matched with employee social security numbers or other comparable identifying numbers.
- (C) Each employee in a Safety-Sensitive position must:

- (i) be in a pool of employees subject to random drug and alcohol testing;
 - (ii) have an equal chance of selection for testing each time selections are made; and
 - (iii) remain in the pool subject to testing even after being tested.
- (D) The County must ensure that random drug and alcohol tests are unannounced and that the dates for administering random tests are spread reasonably throughout the entire calendar year.
- (E) To calculate the total number of covered employees eligible for random testing throughout the year, the County must add the total number of covered employees eligible for testing during each random testing period for the year and divide that total by the number of random testing periods. Only Safety-Sensitive employees are in the FMCSA random testing pool and all employees in Safety-Sensitive positions must be in the random pool. The total number of covered employees and the random testing rate must be computed once per month.
- (F) A covered employee must be randomly tested for alcohol at the following times: just before, just after, or while the employee is performing safety-sensitive functions.
- (G) An employee selected for a random test must proceed to the test site immediately after being notified of selection. If at the time of notification the employee is performing a safety-sensitive function other than driving a commercial motor vehicle, the supervisor must make arrangements to relieve the employee as soon as possible.

(4) *Reasonable suspicion testing.*

- (A) A supervisor must require a covered employee to submit to an alcohol test when the supervisor has reasonable suspicion to believe that the employee has violated the prohibitions in Section 32-4(d) concerning alcohol. The supervisor's determination that reasonable suspicion exists to require the employee to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or body odors.
- (B) A supervisor must require a covered employee to submit to a drug test when the supervisor has reasonable suspicion to believe that the employee has violated the prohibitions in Section 32-4(d)

concerning drugs. The supervisor's determination that reasonable suspicion exists to require the employee to undergo a drug test must be based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or body odors. The observations may include indications of the chronic and withdrawal effects of drugs.

- (C) The required observations for reasonable suspicion testing for alcohol, drugs, or both must be made by a supervisor who is trained as required under FMCSA and these regulations. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test must not conduct the alcohol test.
- (D) If the facts and circumstances within the supervisor's knowledge are enough to cause a reasonably cautious person to believe that the employee may be under the influence of a member of a class of controlled drugs whose use isn't prohibited under U.S. DOT Regulations, the supervisor may direct the employee to submit a urine specimen for reasonable suspicion testing under County authority (Section 32-3(h)(5)(A)) that is not derived from U.S. DOT Regulations.
- (E) Alcohol testing is authorized by this section only if the observations required by paragraph (A) of this subsection are made during, just before, or just after the employee is performing safety-sensitive functions. A supervisor may direct an employee to undergo reasonable suspicion testing only while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has stopped performing such functions.
- (F) If an alcohol test required by this section is not administered within 2 hours after the determination under paragraph (A), the supervisor must prepare and maintain on file a record stating why the alcohol test was not promptly administered. If an alcohol test required by this section is not administered within 8 hours following the determination under paragraph (A), the supervisor must stop attempts to administer an alcohol test and state in the record the reasons for not administering the test.
- (G) Even if a reasonable suspicion alcohol test is not performed under this section, a driver must not report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse and the supervisor must not permit the driver to perform or continue to perform safety-sensitive functions, until:

- (i) an alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or
 - (ii) 24 hours have passed since the determination under paragraph (A) that there was reasonable suspicion to believe that the driver had violated the prohibitions concerning the use of alcohol.
- (H) Except as provided in paragraph (G) above, a supervisor must not take any action under this section against an employee based solely on a belief that the employee's behavior or appearance indicates prohibited alcohol use unless an alcohol test shows that the employee used alcohol.
- (I) A supervisor must make a written record of the observations that lead to a reasonable suspicion test. The supervisor who made the observations must sign the record within 24 hours of the observed behavior or before the results of the alcohol or drug test are released, whichever is earlier.

(5) ***Return-to-duty testing.***

- (A) ***After prohibited drug use or refusal to take a drug test.*** If the County does not dismiss or terminate an employee who refuses to submit to a drug test or has a verified positive drug test result, the County must ensure that the following takes place before the employee is allowed to return to safety-sensitive duties:
 - (i) the County refers the employee to a Substance Abuse Professional who conducts an evaluation, and refers the employee for appropriate education and treatment;
 - (ii) the Substance Abuse Professional conducts a face-to-face follow-up evaluation to determine if the employee has actively participated in the recommended education and treatment program and has demonstrated successful compliance with the initial assessment and evaluation recommendations;
 - (iii) the employee takes a return-to-duty drug test, under direct observation if required, with a verified negative result; and
 - (iv) if recommended by the Substance Abuse Professional, the employee takes a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

- (B) ***After prohibited alcohol use or refusal to take an alcohol test.*** If the County does not dismiss or terminate an employee who engages in prohibited alcohol use or refuses to submit to a required alcohol test, the County must ensure that the following takes place before the employee is allowed to return to safety-sensitive duties:
 - (i) the County refers the employee to a Substance Abuse Professional who conducts an evaluation and refers the employee for appropriate education and treatment;
 - (ii) the Substance Abuse Professional evaluates the employee to determine if the employee properly followed the recommendations for action by the Substance Abuse Professional, including participation in a rehabilitation program;
 - (iii) the employee takes a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02; and
 - (iv) if recommended by the Substance Abuse Professional, the employee takes a return-to-duty drug test with a verified negative result.
- (6) ***Follow-up testing.*** The County must ensure that an employee who returns to duty after a required evaluation by a Substance Abuse Professional under Section 32-4(g)(5) is subject to unannounced follow-up drug testing, alcohol testing, or both, as follows:
 - (A) the employee must take at least 6 unannounced follow-up tests during the first 12 months after the employee returns to duty;
 - (B) follow-up testing may last for up to 5 years to deter or detect a relapse, based on the Substance Abuse Professional's assessment of the employee's unique situation and recovery progress and the recommendation submitted in the report to the County;
 - (C) follow-up testing, performed under direct observation if required, is in addition to random, post-accident, reasonable suspicion, and return-to-duty testing.
- (h) ***Retesting of employees.***
 - (1) ***Retesting of employee with an alcohol concentration of 0.02 or greater but less than 0.04.***

- (A) The County must not allow an employee who is tested and found to have an alcohol concentration of 0.02 or greater but less than 0.04 to perform or continue to perform safety-sensitive functions, until:
 - (i) the employee's alcohol concentration is tested again and measures less than 0.02; or
 - (ii) the start of the employee's next regularly scheduled duty period, but not less than 24 hours after the test.
- (B) Except as provided in paragraph (A) above, which requires that an employee with an alcohol concentration of between 0.02 and 0.039 be removed from safety-sensitive duties for up to 24 hours, the County must not take any action under FMCSA authority against an employee based solely on the results of a test conducted under FMCSA authority showing an alcohol concentration of less than 0.04.

(2) ***Retesting of employee after a canceled drug test.***

- (A) A cancelled drug test is a test that has been declared invalid by the MRO and is neither a verified positive nor a verified negative test result. A cancelled test includes a specimen rejected for testing by a laboratory.
- (B) If a non-employee applicant's drug test is cancelled, the applicant must take another pre-employment drug test.
- (C) If an employee's drug test is cancelled, the employee must take another drug test with a verified negative result before the County:
 - (i) transfers or reassigns the employee to a Safety-Sensitive position; or
 - (ii) allows the employee to return to safety-sensitive duties, because of the possible use of prohibited drugs, prohibited alcohol use, or refusal to take a required drug or alcohol test.
- (D) OMS must ensure that specimen collection is conducted under direct observation if the County receives a drug test result indicating that the employee's urine specimen test was cancelled because it was invalid. The collection for the retest is required to take place under direct observation at the direction of the MRO.

- (i) ***Required referral, evaluation, and treatment.*** For information about required referral, evaluation, and treatment, see Section 32-3(i).
- (j) ***Effects of drug abuse and alcohol misuse.*** See Section 32-3(j) for information about the effects of drug abuse and alcohol misuse.
- (k) ***Education and training programs.*** See Section 32-3(l) for education and training programs and requirements for supervisor training.

Observed collections are required in the following circumstances:

- (1) All return-to-duty tests;

- (C) An employee newly hired or assigned to an FTA Safety-Sensitive position must take a pre-assignment alcohol test with a result of less than 0.02 before performing safety-sensitive functions for the first time.

(2) ***Reasonable suspicion testing.***

- (A) A trained supervisor must direct an employee to submit to drug or alcohol testing if, based on specific, contemporaneous, articulable observations of the employee's appearance, behavior, speech, or body odors, the supervisor has a reasonable basis to believe that the employee has used a prohibited drug or violated a prohibition in Section 32-5(e) concerning alcohol use. The required observations must be made by a supervisor who is trained as required under Section 32-3(k)(4) in detecting the signs and symptoms of alcohol misuse.
- (B) Alcohol testing is authorized under FTA regulations only if the supervisor's observations are made just before, just after, or while the employee is performing a safety-sensitive function.
- (C) The supervisor who makes the determination that an alcohol test is appropriate must not administer the test.
- (D) If reasonable suspicion exists to test the employee for alcohol but no test is administered at that time, the supervisor must not allow the employee to perform safety-sensitive functions until:

- (i) a test is administered and the employee has an alcohol concentration of less than 0.02; or
 - (ii) the start of the employee's next regularly scheduled duty period but at least 8 hours after the determination was made that reasonable suspicion existed for a test.
 - (E) If a reasonable suspicion test for alcohol is not administered within 2 hours following the determination under Section 32-5(g)(2)(A), the supervisor must prepare and maintain on file a record stating the reasons the test was not promptly administered.
 - (F) If an alcohol test is not administered within 8 hours following the supervisor's determination that a test is required, the supervisor must stop attempts to administer an alcohol test and state in the record the reasons for not administering the test.
 - (G) A supervisor must require a covered employee to submit to a drug test when the supervisor has reasonable suspicion to believe that the employee has violated the prohibitions in Section 32-5(e) concerning drugs. The supervisor's determination that reasonable suspicion exists to require the employee to undergo a drug test must be based on specific, contemporaneous, articulable observations concerning the employee's appearance, behavior, speech, or body odors. The observations may include indications of the chronic and withdrawal effects of drugs. The required observations must be made by a supervisor who is trained as required under Section 32-3(k)(4) in detecting the signs and symptoms of prohibited drug use.
 - (H) If the facts and circumstances within the supervisor's knowledge are enough to cause a reasonably cautious person to believe that the employee may be under the influence of a member of a class of controlled drugs whose use isn't prohibited under U.S. DOT Regulations, the supervisor may direct the employee to submit a urine specimen for reasonable suspicion testing under County authority (Section 32-3(h)(5)(A) that is not derived from U.S DOT Regulations.
- (3) ***Post-accident testing.***
- (A) ***Accident requiring drug and alcohol testing.*** An accident that requires post-accident drug and alcohol testing is an occurrence associated with the operation of a vehicle used for mass transit or for ancillary services that results in:
 - (i) the death of an individual;

- (ii) bodily injury to an individual that causes the individual to immediately receive medical treatment away from the scene of the accident; or
 - (iii) one or more vehicles incurring disabling damage and receiving transportation away from the scene by a tow truck or other vehicle.
- (B) **Fatal accident.** As soon as practicable following an accident involving the loss of human life, the responsible supervisor must have the following employees tested for drugs and alcohol:
 - (i) each surviving employee operating the mass transit vehicle at the time of the accident; and
 - (ii) any other employee whose performance could have contributed to the accident, as determined by the supervisor using the best information available at the time of the decision.
- (C) **Nonfatal accident.** As soon as practicable following an accident covered by subsections (3)(A)(ii) or (iii) above but not involving the loss of human life, the responsible supervisor must have the following employees tested for drugs and alcohol:
 - (i) each employee who was operating the vehicle at the time of the accident unless the supervisor determines, using the best information available at the time of the decision, that the employee's performance can be completely discounted as a contributing factor to the accident; and
 - (ii) any other employee whose performance could have contributed to the accident, as determined by the supervisor using the best information available at the time of the decision.
- (D) A supervisor must ensure that an employee required to be tested for drugs is tested as soon as practicable and within 32 hours of the accident.

- (E) If an employee required to be tested for alcohol is not tested within 2 hours following an accident, the supervisor must prepare and maintain on file a record stating the reason why the test was not promptly administered. If an alcohol test is not administered within 8 hours following the accident, the supervisor must stop attempts to administer an alcohol test and update the written record.
- (F) The County may consider it a refusal to submit to testing if an FTA Safety-Sensitive employee who is subject to post-accident testing:
 - (i) fails to remain readily available for testing; or
 - (ii) fails to notify the supervisor or other County representative of the employee's location if the employee leaves the scene of the accident before submitting to a test.
- (G) These Regulations do not:
 - (i) require the delay of necessary medical attention for the injured after an accident; or
 - (ii) prohibit an employee from leaving the scene of an accident for the time necessary to obtain help in responding to the accident or to obtain necessary emergency medical care.

(4) ***Random testing.***

- (A) The County must randomly select enough FTA Safety-Sensitive employees for drug testing and for alcohol testing during each calendar year to equal an annual rate for each type of testing that is not less than the minimum annual percentage rates for random drug testing and for random alcohol testing determined by the FTA.
- (B) The County must ensure that random drug and alcohol tests are unannounced and that the dates for administering random tests are spread reasonably throughout the entire calendar year.
- (C) Every employee in an FTA Safety-Sensitive Transit position must be in a pool of employees subject to random drug and alcohol testing. Each employee must have an equal chance of selection for testing and must remain in the pool subject to testing even after being tested.

- (D) Employees must be selected for testing by the use of a scientifically valid method such as a computer-based random number generator matched with employee social security numbers.
 - (E) A covered employee must be randomly tested for alcohol only just before, just after, or while the employee is performing safety-sensitive functions.
 - (F) An employee selected for a random test must proceed to the test site immediately after being notified of selection. If the employee is performing a safety-sensitive function at the time of notification, the supervisor must make arrangements to relieve the employee as soon as possible.
 - (G) If an employee or applicant for an FTASafety-Sensitive position has not performed a safety-sensitive function for 90 consecutive calendar days regardless of the reason and has not been in the random selection pool during that time, the County must ensure that the employee or applicant takes a pre-employment drug test with a verified negative result before allowing the employee or applicant to perform safety-sensitive functions.
- (h) **Retesting of employees; collecting a new specimen after a dilute test result.**
- (1) ***Retesting of employee with an alcohol concentration of 0.02 or greater but less than 0.04.***
 - (A) The County must not allow an employee who is tested and found to have an alcohol concentration of 0.02 or greater but less than 0.04 to perform or continue to perform safety-sensitive functions, until:
 - (i) the employee's alcohol concentration measures less than 0.02; or
 - (ii) the start of the employee's next regularly scheduled duty period, but not less than 8 hours after the test.
 - (B) Except as provided in paragraph (A) above, the County must not take any action against an employee based solely on the results of a test conducted under FTA authority showing an alcohol concentration of less than 0.04.
 - (2) ***Retesting of employee after a canceled drug test.***

- (A) A canceled drug test is a test that has been declared invalid by the MRO and is neither a verified positive nor a verified negative test result. A canceled test includes a specimen rejected for testing by a laboratory.
 - (B) If a non-employee applicant's drug test is canceled, the County must require the applicant to take another pre-employment drug test.
 - (C) If an employee's drug test is canceled, the County must require the employee to take another drug test with a verified negative result before the employee is:
 - (i) transferred or reassigned to an FTA Safety-Sensitive position; or
 - (ii) allowed to return to safety-sensitive duties because of the possible use of prohibited drugs, prohibited alcohol use, or refusal to take a required drug or alcohol test.
 - (D) OMS must ensure that specimen collection is conducted under direct observation if the County receives a drug test result indicating that the employee's urine specimen test was canceled because it was invalid and the MRO has directed that the second collection must take place under direction observation.
- (3) ***Collecting a new specimen from an applicant or employee after a dilute test result.***
- (A) If the MRO reports that an applicant or employee had a verified dilute positive test, the County must treat it as a positive test result.
 - (B) If the MRO reports a dilute negative test result that requires collection of another specimen for testing, the County must immediately notify the applicant or employee of the need to collect another specimen and that it must be provided within no more than 48 hours from the time of notification. If the employee is on duty, the employee must be accompanied to the collection site immediately for collection of the second specimen. If the applicant or employee fails to report for specimen collection within 48 hours and has not provided a valid reason for the delay, the County must treat it as a refusal to test.

- (C) The MRO will direct whether the new specimen is to be collected under direct observation or not.
 - (D) After a dilute negative test result, if a new specimen is collected for testing this second test will be the test of record. If this second test also produces a dilute negative result, no additional tests will be conducted.
- (i) ***Consequences for an employee of prohibited drug use, alcohol misuse, or refusal to take a drug or alcohol test.***
 - (1) ***Consequences under FTA regulations.*** Under FTA regulations, the following are the required consequences for an employee who has a verified positive drug test result, violates the alcohol misuse prohibitions, or who refuses to be tested:
 - (A) immediate removal from safety-sensitive duties; and
 - (B) referral to a Substance Abuse Professional for evaluation.
 - (2) ***Consequences under County authority.***
 - (A) Under County authority not derived from the FTA regulations, a department director must dismiss an FTA Safety-Sensitive employee with merit system status or terminate an FTA Safety-Sensitive probationary employee who:
 - (i) has a confirmed positive drug test result;
 - (ii) has a confirmatory alcohol test with an alcohol concentration of 0.04 or greater; or
 - (iii) refuses to take a drug or alcohol test.
 - (B) FTA regulations require the County to refer the dismissed employee to a Substance Abuse Professional for evaluation and treatment.
 - (C) If an FTA Safety-Sensitive employee tells a supervisor that he or she needs help to resolve a problem associated with prohibited drug use or alcohol misuse:
 - (i) the department director must not propose to dismiss or terminate the employee unless the employee makes the admission:

- (a) after the employee is approached by a supervisor who intends to inform the employee that the employee has been selected for testing, but before the supervisor has the opportunity to notify the employee that the employee has been selected for a required drug or alcohol test;
- (b) after the employee learns that the employee has been selected for a required drug or alcohol test but before the employee is officially notified of the required drug or alcohol test;
- (c) after the employee is notified of a required drug or alcohol test but before the employee is tested for drugs or alcohol;
- (d) after the employee is tested for drugs or alcohol;
- (e) after an accident;
- (f) after a confirmed positive drug test result or a confirmed alcohol test result with an alcohol concentration of 0.04 or greater;
- (g) after a refusal to be tested for drugs or alcohol; or
- (h) after conduct prohibited by Section 32-3 of these Regulations; and
- (ii) the supervisor must refer the employee to a Substance Abuse Professional for evaluation, treatment, return-to-duty testing, and follow-up testing. These tests will be conducted under County authority and not under direct observation.
- (j) **Required referral, evaluation, and treatment.** For information about required referral, evaluation, and treatment see Section 32-3(i)
- (k) **Effects of drug abuse and alcohol misuse.** See Section 32-3(j) for information about the effects of drug abuse and alcohol misuse.
- (l) **Education and training programs.** See Section 32-3(l) for education and training programs and requirements for supervisor training.

SECTION 33. DISCIPLINARY ACTIONS

(As amended December 11, 2007, October 21, 2008, November 3, 2009, and June 30, 2015)

33-1. Definition.

Disciplinary action: One of the following adverse personnel actions taken by a supervisor against an employee:

- (a) oral admonishment;
- (b) written reprimand;
- (c) forfeiture of annual leave or compensatory time;
- (d) within-grade salary reduction;
- (e) suspension;
- (f) demotion; or
- (g) dismissal.

33-2. Policy on disciplinary actions.

- (a) ***Purpose of disciplinary actions.*** A department director may take a disciplinary action against an employee to maintain order, productivity, or safety in the workplace.
- (b) ***Prompt discipline.***
 - (1) A department director should start the disciplinary process promptly and issue a statement of charges within 30 calendar days of the date on which the supervisor became aware of the employee's conduct, performance, or attendance problem.
 - (2) A department director may wait for more than 30 calendar days to issue a statement of charges if an investigation of the employee's conduct or other circumstances justify a delay.
- (c) ***Progressive discipline.***
 - (1) A department director must apply discipline progressively by increasing the severity of the disciplinary action proposed against the employee in response to:

- (A) the severity of the employee's misconduct and its actual or possible consequences; or
 - (B) the employee's continuing misconduct or attendance violations over time.
- (2) Progressive discipline does not require a department director to apply discipline in a particular order or to always begin with the least severe penalty. In some cases involving serious misconduct or a serious violation of policy or procedure, a department director may bypass progressive discipline and dismiss the employee or take another more severe disciplinary action.
- (d) ***Consideration of other factors.*** A department director should also consider the following factors when deciding if discipline is appropriate or how severe the disciplinary action should be:
 - (1) the relationship of the misconduct to the employee's assigned duties and responsibilities;
 - (2) the employee's work record;
 - (3) the discipline given to other employees in comparable positions in the department for similar behavior;
 - (4) if the employee was aware or should have been aware of the rule, procedure, or regulation that the employee is charged with violating; and
 - (5) any other relevant factors.

33-3. Types of disciplinary actions.

- (a) ***Oral admonishment.*** An oral admonishment is:
 - (1) the least severe disciplinary action;
 - (2) a spoken warning or indication of disapproval about a specific act of misconduct or violation of a policy or procedure; and
 - (3) usually given by the immediate supervisor.
- (b) ***Written reprimand.*** A written reprimand is:
 - (1) the second least severe disciplinary action;
 - (2) a written statement about a specific act of misconduct or violation of a policy or procedure; and

- (3) included in the employee's official personnel record.

(c) *Forfeiture of annual leave or compensatory time.*

- (1) A forfeiture of annual leave or compensatory time:
 - (A) is the removal of a specified number of hours from the annual leave or compensatory time balance of an employee;
 - (B) must be at least one day but not more than 10 days.
- (2) The FLSA prohibits a department director from taking compensatory time from a non-exempt employee for disciplinary purposes.

(d) *Within-grade salary reduction.*

- (1) A within-grade salary reduction:
 - (A) is the reduction of an employee's base salary by a specified amount for a specified period of time; and
 - (B) must not exceed one year.
- (2) A department director must not impose a within-grade salary reduction on an exempt employee because it is inconsistent with the employee's FLSA-exempt status.

(e) *Suspension.*

- (1) A suspension is an action that places an employee in a LWOP status for a specified period for a violation of a policy or procedure or other specific act of misconduct.
- (2) A department director may not:
 - (A) suspend an employee for more than 10 days without the approval of the CAO; or
 - (B) suspend an employee for more than 30 days, unless:
 - (i) a longer suspension is imposed by a court or quasi-judicial body; or
 - (ii) the employee agrees to the longer suspension as part of a settlement agreement.

(f) *Suspension pending investigation of charges or trial.*

- (1) ***Purpose of suspension pending investigation of charges or trial.*** A department director may place an employee in LWOP status for an indefinite period while the employee is:

- (A) being investigated by the County or a law enforcement agency for an offense that has a nexus with (is reasonably related to) County employment; or
- (B) waiting to be tried for an offense that is job-related or has a nexus with County employment.

- (2) ***Employee's return to work after suspension.***

- (A) The CAO must allow the employee to return to work unless the County dismisses or terminates the employee or the employee is convicted by a court.
- (B) The CAO must give the employee back pay and benefits, subject to subparagraph (C) below, except as provided in a separate disciplinary action imposed by the County.
- (C) The CAO's approval of back pay is subject to the following:
 - (i) the employee must provide documentation of other earnings or income during the period of suspension and must obey all County regulations on secondary employment; and
 - (ii) back pay must equal the amount the employee would have earned during all or part of the period of suspension less the amount the employee earned in other employment during the period.

- (g) ***Demotion.*** A disciplinary demotion is an action in which a department director places an employee in a merit system position with a lower pay grade and reduces the employee's salary under Section 10-5(d)(2) of these Regulations.

- (h) ***Dismissal.*** Dismissal is the removal of an employee from County employment for cause.

33-4. Authority to take disciplinary action.

- (a) An immediate supervisor may give an employee an oral admonishment.
- (b) A department director may take any disciplinary action under these Regulations.

- (c) A department director may delegate the authority to take any type of disciplinary action to a lower level supervisor. The delegation must be in writing.

33-5. Causes for disciplinary action. The following, while not all-inclusive, may be cause for a disciplinary action by a department director against an employee who:

- (a) materially falsifies information provided on an application or on a document associated with an application for employment, promotion, transfer, or County benefits, which includes a document associated with any type of health insurance, life insurance, disability insurance, Workers' Compensation benefits, or disability retirement;
- (b) refuses to take a medical examination or to provide medical records as directed;
- (c) violates any established policy or procedure;
- (d) violates any provision of the County Charter, County statutes, ordinances, regulations, State or Federal laws, or is convicted of a criminal offense, if such violation is related to, or has a nexus with, County employment;
- (e) fails to perform duties in a competent or acceptable manner;
- (f) behaves insubordinately or fails to obey a lawful direction from a supervisor;
- (g) knowingly makes a false statement or report in the course of employment;
- (h) is negligent or careless in performing duties;
- (i) abuses sick leave or disability leave;
- (j) is AWOL or late repeatedly;
- (k) is impaired or under the influence of alcohol or an unprescribed controlled substance while at work or when reporting to work;
- (l) uses, possesses, sells, or transfers alcohol or an illegal drug to another person while on duty, on County government property, or in a County vehicle unless the employee's County employment requires such conduct;
- (m) fails to observe a safety practice, which includes wearing a seat belt, protective eyewear, and protective hearing devices;
- (n) damages or destroys County property or damages or destroys private property of another while on duty or in a County vehicle;

- (o) takes, steals, misuses, or misappropriates County funds or property or the property of a client, patient, citizen, or other person with whom the employee deals while on duty;
- (p) possesses an unauthorized dangerous weapon while on duty, on County government property, or in a County vehicle;
- (q) engages in discriminatory, retaliatory, or harassing behavior;
- (r) interferes with or disrupts the work of another County employee;
- (s) threatens another with bodily harm while on duty, on County government property, or in a County vehicle;
- (t) engages in a physical altercation or assaults another while on duty, on County government property, or in a County vehicle;
- (u) fails to disclose a private interest or to disqualify himself or herself from participation in a decision or other action in which there is a conflict between the employee's official duties and a private interest in violation of Section 19A, "Ethics", of the Montgomery County Code;

- (w) engages in a private business, trade, or occupation during official working hours in violation of County statutes, regulations, or administrative procedures;

- (z) fails to cooperate or provide information when questioned as a witness during an investigation;
- (aa) fails to cooperate or provide information when the employee is the subject of an investigation, unless the employee invokes the Fifth Amendment right against self-incrimination or refuses to give information that the employee is ethically or legally prohibited from revealing, such as attorney-client privileged material or mental health records; or
- (bb) violates the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

33-6. Disciplinary process.

- (a) ***Prior to taking disciplinary action.*** A supervisor who is considering taking a disciplinary action should:
 - (1) document the incident or employee's behavior that caused concern;
 - (2) conduct an investigation, if appropriate and necessary; and
 - (3) interview the employee and others who may have witnessed the conduct or have information about it.
- (b) ***Statement of charges.***
 - (1) Before taking a disciplinary action other than an oral admonishment, a department director must give the employee a statement of charges that tells the employee:
 - (A) the disciplinary action proposed;
 - (B) the specific reasons for the proposed disciplinary action including the dates, times, and places of events and names of others involved, as appropriate;
 - (C) that the employee may respond orally, in writing, or both;
 - (D) who to direct the response to;
 - (E) the deadline for submitting a response; and
 - (F) that the employee may be represented by another when responding to the statement of charges.
 - (2) The department director must allow the employee at least 10 working days to respond to the statement of charges.
 - (3) If the employee responds to the statement of charges, the department director must carefully consider the response and decide:
 - (A) if the proposed disciplinary action should be taken;
 - (B) if no disciplinary action should be taken; or
 - (C) if a different disciplinary action should be taken.

- (4) The department director must issue a new statement of charges if the department director decides that a more severe disciplinary action is appropriate.

(c) ***Notice of disciplinary action.***

- (1) A notice of disciplinary action must contain the following information:
 - (A) the type of disciplinary action that will be taken;
 - (B) the date on which the disciplinary action will take effect;
 - (C) the specific reasons for the disciplinary action including dates, times, places, and names of others involved, as appropriate;
 - (D) whether the employee responded to the statement of charges and if the response influenced the decision on the disciplinary action; and
 - (E) whether the employee may appeal the action by filing a grievance or an appeal to the MSPB; and
 - (F) the deadline for filing a grievance or an appeal.
- (2) A department director must issue a notice of disciplinary action at least 5 working days before the effective date of the proposed action.

33-7. Immediate removal of an employee from duty.

- (a) An immediate or higher level supervisor may immediately relieve an employee from duty for serious misconduct or if the presence of the employee will cause or continue a disruption in the workplace.
- (b) The supervisor who took the action must submit a recommendation for appropriate disciplinary action to the department director by the end of the workday following the day the employee is relieved from duty.
- (c) A supervisor must ensure that an employee removed from duty is either on administrative leave or on another appropriate type of leave until the department director takes disciplinary action against the employee or allows the employee to return to work. An employee who is ill or otherwise medically unfit for duty during the period of time before a disciplinary action is taken may be required to use sick or annual leave or LWOP.

33-8. Employee resignation after disciplinary action is initiated. If an employee voluntarily resigns after a department director initiates formal disciplinary action against the employee, the department director may indicate on the employee's separation papers that:

- (a) disciplinary action is pending against the employee; and
- (b) the employee is not eligible for rehire.

33-9. Right of an employee to appeal a disciplinary action.

(a) *Grievance rights.*

- (1) With the exception of an oral admonishment, an unrepresented (non-bargaining unit) employee may file a grievance under Section 34 of these Regulations over any disciplinary action and the penalty associated with the disciplinary action, such as the length of the suspension, the amount of leave or compensatory time taken from the employee, or the salary reduction associated with a demotion or within-grade salary reduction.
- (2) A bargaining unit employee may file a grievance over a disciplinary action by using the grievance procedure in the appropriate collective bargaining agreement.

(b) *Right to appeal a disciplinary action to the MSPB.*

- (1) ***Right to file a direct appeal to the MSPB.*** An employee with merit system status may appeal a demotion, suspension, or dismissal by filing an appeal directly with the MSPB under Section 35 of these Regulations. An employee who files a direct appeal must not also file a grievance on the same disciplinary action.
- (2) ***Right to appeal a grievance decision to the MSPB.*** An employee, other than a probationary employee or temporary employee, may appeal a decision on a grievance over a disciplinary action to the MSPB.

33-10. Right of a Volunteer Firefighter or Rescuer to appeal a disciplinary action to the MSPB. A volunteer firefighter or rescuer aggrieved by an adverse final action of the Fire Chief or a local fire and rescue department involving any disciplinary action applied specifically to that individual, including a restriction or prohibition from participating in fire and rescue activities, may file a direct appeal with the MSPB under Section 35 of these Regulations, as if the individual were a County merit system employee.

34-3. Policy on grievances.

34-4. Reasons for filing a grievance. An eligible employee, as described in Section 34-2, may file a grievance if the employee was adversely affected by an alleged:

- (a) **Forms of ADR.** The forms of ADR that are described below are available to the parties to a grievance.
 - (1) **Mediation.** In mediation, a neutral party who has been trained as a mediator is designated by the OLR Chief to help the parties resolve a workplace dispute.
 - (2) **Settlement conference.** At a settlement conference, the parties to a dispute present information and arguments to a 3-person committee consisting of representatives of management, the employee, and OLR. After listening to the parties' presentations, the committee makes a recommendation to the parties to resolve the dispute.
 - (3) **Peer resolution panel.** In this form of ADR, a panel of no more than 3 trained Montgomery County employees is chosen by the grievant and the OLR Chief. The grievant picks the 1st panel member, the OLR Chief picks the 2nd member, and both pick the 3rd. - (b) **Ground rules for using ADR.**

- (1) In any form of ADR, each party to a dispute must voluntarily agree to participate. The OLR Chief must determine if the County will participate.
- (2) A party to ADR must agree not to use information from or about the ADR process, a recommended resolution, or statements made during ADR discussions as evidence or argument:
 - (A) at another level of the grievance procedure;
 - (B) in a different forum for the same dispute; or
 - (C) in a different grievance or appeal.
- (3) The County must pay the costs associated with the ADR process, except for attorney's fees.
- (4) The parties to an ADR process must agree to maintain the confidentiality of the dispute and information relating to the dispute or the ADR process.
- (5) A grievant may use only one form of ADR.
- (6) Each party is limited to a 30-minute presentation before a settlement conference committee or peer resolution panel.
- (7) If a grievant elects to use an ADR process, the time limits in the grievance procedure are stayed until the ADR process is completed or the grievant chooses to end ADR.
- (8) A party to ADR may accept or reject a recommended resolution to the dispute.

34-9. Grievance procedure.

(a) *Time limit for filing a grievance.*

- (1) A grievance may be dismissed by the OLR Chief if it is not filed within 30 calendar days after:
 - (A) the date on which the employee knew or should have known of the occurrence or action on which the grievance is based; or
 - (B) the date on which the employee received notice, if notice of an action is specifically required by these Regulations.

- (2) If a grievant does not file the grievance at the next step of the grievance procedure within the time limits specified in the procedure, the OLR Chief may consider the grievance resolved on the basis of the most recent response and may end the consideration of the grievance.
- (3) If the supervisor, department director, or CAO, as appropriate, does not respond within the time limits specified, the employee may file the grievance at the next higher level.
- (4) If an employee files an appeal with the MSPB under (3) before the CAO issues a written response to the grievance, the MSPB may choose not to process the appeal, return the appeal to the employee, and ask the CAO to respond to the grievance within a specific period of time.
- (5) The parties to a grievance may agree to extend the time limits stated in the grievance procedure.
- (6) The OLR Chief may extend the time limits stated in the grievance procedure for compelling reasons. The OLR Chief must give the parties prompt notice of an extension.

(b) *Technical and procedural review of grievances.*

- (1) An employee must submit a written grievance on the OLR-approved grievance form (Appendix Q) and must provide the information requested on the form.
- (2) The OLR Chief may return the grievance to the employee if the employee does not complete the grievance form or provide the information requested on the form.
- (3) The OLR staff is available to help employees complete the grievance form. In performing this function, OLR staff must not act as a grievant's representative or advocate.
- (4) As instructed by the grievance form, an employee should send a copy of the grievance to OLR when the employee files the grievance at the first step of the grievance procedure.
- (5) The OLR Chief must review the grievance and decide if the grievance:
 - (A) presents an issue that is grievable under Section 34-4;
 - (B) was timely filed; and
 - (C) otherwise complies with this section.

- (6) If the grievance does not satisfy the requirements of Section 34-9(b)(5) the OLR Chief must dismiss the grievance.

- (3) If the employee gives written notice to the OLR Chief that the employee objects to the consolidation of the employee's grievance with other grievances, the OLR Chief must process the employee's grievance separately.
- (4) If a consolidated grievance includes grievances from more than one department, the OLR Chief may designate one department director to respond to the consolidated grievance at Step 2 of the grievance procedure.
- (5) The department director or CAO, as appropriate, must ensure that:
 - (A) each employee who filed a grievance that was consolidated with other grievances receives a copy of the decision issued at that level; and
 - (B) each employee receives consistent and appropriate relief.
- (6) Each employee may decide to accept the decision and the relief offered, if any, or may file the grievance at the next level if the relief requested by the employee was not granted.

(d) Burden of proof.

- (1) The County has the burden of proof in a grievance on:

-
- (A) a recovery of an overpayment to an employee or recovery of an employee debt to the County under Section 10;

- (C) an involuntary or coerced resignation under Section 28;

- (e) ***Steps of the grievance procedure.*** The following table shows the 3 steps of the grievance procedure, the applicable time limits, and the responsibilities of the parties at each step.

STEPS OF THE GRIEVANCE PROCEDURE		
Step	Individual	Responsibility of individual*
1	Employee	Present job-related problem informally to immediate supervisor.
		If unable to resolve the problem, submit a written grievance on appropriate grievance form to immediate supervisor within 30 calendar days.
		If the grievance is based on an action taken or not taken by OLR, submit the written grievance to the OLR Chief.
	Department Director	Give the employee a written response within 15 working days after the written grievance is received.
2	Employee	If not satisfied with the department director's response, may file the grievance with the CAO by submitting it to the Labor/Employee Relations Team of OLR within 10 calendar days after receiving the department's response.
	CAO's Designee	Must meet with the employee, employee's representative, and department director's designee within 30 calendar days to attempt to resolve the grievance.
	Employee and Dept. Director	Present information, arguments, and documents to the CAO's designee to support their positions
	CAO's Designee	If unable to resolve the grievance, must provide the CAO with a report that includes background information, issue, the position and arguments of each party, a summary of relevant facts, and a recommended disposition.
	CAO	Must give the employee and department a written decision within 45 calendar days after the Step 2 meeting.
3	Employee	If not satisfied with the CAO's response, may submit an appeal to the MSPB within 10 working days (10 calendar days for a uniformed fire/rescue employee) after the CAO's decision is received.
	MSPB	Must review the employee's appeal under Section 35 of these Regulations
* At each step of the grievance procedure, the parties to a grievance should consider ADR methods to resolve the dispute.		

(f) *Request for a transcript of the Step 2 meeting.*

- (1) An employee may request a verbatim transcript of the Step 2 meeting by submitting a written request for a transcript to the OLR Chief at least 10 calendar days before the date of the Step 2 meeting.
- (2) The employee must agree to pay ½ of the cost of obtaining the transcript.
- (3) The OLR Chief must give a copy of the transcript to each party to the grievance or each party's representative.

(g) *Step 2 meeting.*

- (2) An employee may file a grievance directly with the CAO (at Step 2) over an action taken by the County to recover a debt owed by the employee to the County.
- (3) The Step 2 meeting is an informal discussion between the parties of the issues raised by the grievance. The meeting is not an administrative hearing or a trial and formal rules of evidence do not apply. The CAO's designee does not entertain motions. Although persons who speak at a grievance meeting in support of a party's position may be witnesses in a practical sense, they are not considered witnesses in the sense of participants in a formal proceeding such as a trial.
- (4) At the Step 2 meeting, the grievant and the grievant's representative may present facts, documents, and arguments supporting the grievance. Other employees may speak at the meeting in support of the grievant's position.
- (5) The department's representative may present facts, documents, and arguments responding to the grievance. Other employees may speak at the meeting in support of the department's position.
- (6) After each speaker has presented information or argument, the representative of the other party and the CAO's designee may ask questions of the speaker. Formal cross-examination is not allowed.
- (7) The representative of each party may review the documents presented to the CAO's designee by the other party.
- (8) At the conclusion of the meeting, the representative of each party may summarize the party's arguments.

- (9) The CAO must give the parties to the grievance a written decision within 45 calendar days after the Step 2 meeting.

 - (4) **Motions.** Any motion to the MSPB seeking a determination of a preliminary matter including, but not limited to, motions to compel discovery, motions to exclude evidence (motions in limine), and motions to quash subpoenas, must be in writing. The opposing party has 10 calendar days from the date of the motion to respond to the motion before the Board rules on the motion.
 - (5) **Requests for reconsideration of MSPB decisions on preliminary matters.** Any request to the MSPB to reconsider its ruling on a preliminary matter must be in writing and must be filed within 5 calendar days from the date of the ruling. The opposing party has 5 calendar days from the date of the request for reconsideration to respond to the request before the Board issues a written decision on the request. This preliminary ruling by the Board is not a final decision for purposes of judicial review and appeal.
- (b) **Conduct of a hearing.** The order of procedure in the conduct of a hearing is usually:
- (1) disposition of preliminary motions and matters, if any;
 - (2) opening statements, which must be a summary of the appeal to be presented;
 - (3) presentation of the factual case for the party making the charges and cross examination of all witnesses;
 - (4) presentation of the factual case for the responding party and cross examination of all witnesses;
 - (5) rebuttal evidence of the charging party;
 - (6) surrebuttal evidence of the responding party; and
 - (7) closing arguments.
- (c) **Continuances.** A party must submit a request for continuance in writing to the MSPB or hearing officer with a copy to the opposing party at least 5 calendar days before the hearing date. The MSPB or hearing officer may grant the request for a continuance where good cause is shown. The MSPB, on its own motion, may decide to continue a hearing less than 5 calendar days before the hearing date if it determines a continuance is in the interest of justice.

35-12. Testimony of witnesses at hearing; interrogatories and depositions.

(a) ***Testimony of witnesses at hearing.***

- (1) All witnesses must testify under oath and only witnesses having direct knowledge of the facts on which the charges are based will be heard. The MSPB or hearing officer will hear testimony:
 - (A) directly related to the charges;
 - (B) indirectly related to the charges, provided a relevant relationship has been established; and
 - (C) of past work record, but only for the purpose of determining degree of penalty, if any.
- (2) Each party must have a reasonable amount of time to examine and cross-examine witnesses and to submit evidence. The MSPB or hearing officer may examine witnesses as deemed appropriate.
- (3) A witness under oath who intentionally falsifies material facts or willfully and falsely testifies in a hearing is subject to the penalties of perjury under State law and, if a County employee, dismissal.

- (b) ***Interrogatories and depositions.*** The MSPB or hearing officer may accept a statement of a witness taken by written interrogatory or a deposition made under oath. This does not preclude a party from taking a deposition or interrogatory of a witness prior to the hearing for impeachment or discovery purposes as authorized by the Montgomery County Code, Chapter 2A, Administrative Procedures Act, Section 2A-7(b). A party must file a true copy of an interrogatory, answer, or deposition with the MSPB or hearing officer.

35-13. Payment of witnesses for appearance.

- (a) A department director must reimburse a County employee who is required to appear as a witness with pay or compensatory time under applicable laws and regulations.
- (b) If the witness is not a County employee, the MSPB must determine a reasonable fee that must be paid to a witness by the party that subpoenaed the witness.

35-14. Record of MSPB proceedings. The MSPB must record hearings.

35-15. MSPB may enforce settlement agreements.

- (a) If a settlement agreement is before the MSPB in connection with an appeal, the MSPB may interpret and enforce the agreement.

- (b) If the parties settle a case while in proceedings before the MSPB, the parties may agree to enter the settlement agreement into the record. If requested to enter the agreement into the record, the MSPB will retain jurisdiction to enforce the terms of the agreement.

35-16. MSPB decisions.

- (a) The MSPB may decide an appeal in any manner deemed necessary and appropriate, under County Code Section 33-14(c), *Hearing Authority of MSPB*. The MSPB may order appropriate relief, which includes but is not limited to the following:
 - (1) retroactive appointment, promotion or reclassification with or without back pay;
 - (2) change in position status, grade, work schedule, working conditions, and benefits;
 - (3) priority consideration for an employee found qualified before other candidates are considered;
 - (4) reinstatement with or without back pay, although the CAO may reinstate an employee either to a position previously held or to a comparable position of equal pay, status, and responsibility;
 - (5) cancellation of a personnel action found to be in violation of law or personnel regulation, but any cancellation must not, without following any process otherwise required, adversely affect the employment rights of another employee;
 - (6) participation in an employee benefit previously denied, such as training, an educational program or assistance, preferential or limited work assignments and schedules, overtime pay, or compensatory time;
 - (7) removal from administrative or personnel records of any reference or document pertaining to an unwarranted disciplinary or personnel action;
 - (8) corrective measures regarding any management procedure adversely affecting employee pay, status, working conditions, leave, or morale; and
 - (9) reimbursement or payment by the County of all or part of an employee's reasonable attorney's fees.
- (b) The MSPB must:

 - (G) the Fire Chief and the local fire and rescue department in a case where the appellant is a volunteer firefighter and rescuer.
- (c) An MSPB decision is final and binding unless appealed to a court of competent jurisdiction;
- (d) A court of competent jurisdiction may enforce an MSPB decision.

35-17. Request for rehearing or reconsideration of MSPB final decisions.

- (a) A party may submit a written request to the MSPB for rehearing or reconsideration of a final decision within 10 calendar days after the MSPB's final decision is issued. After the 10-day period, the MSPB must not grant reconsideration except in a case of fraud, mistake, or irregularity.
- (b) A party must submit a request for rehearing or reconsideration in writing with supporting reasons and must provide a copy to any opposing party or the opposing party's representative. The opposing party may respond to the request for rehearing or reconsideration. Any response must be filed within 5 calendar days from receipt of the request.
- (c) A party's timely request for reconsideration stays the time for any further judicial appeal until the MSPB makes a decision on the request. A request for rehearing or reconsideration does not stay the operation of any order in the MSPB's final decision unless the MSPB so states. The MSPB must issue a written decision on the request. If the MSPB does not grant a reconsideration request within 10 calendar days after it receives the request, the request is deemed denied.

35-18. Appeals to court of MSPB decisions. A party may appeal a final MSPB decision by filing a petition for appeal to a court as provided in Section 33-15 of the County Code.

35-19. Penalties for unauthorized interference with MSPB. A person who intimidates, bribes,

witness is subject to appropriate criminal charges and, if a County employee, is subject to dismissal.

- (b) County employees must not be expected or required to obey instructions that involve an illegal or improper action and may not be penalized for disclosure of such actions. County employees are expected and authorized to report instances of alleged illegal or improper actions to the individual responsible for appropriate action as set forth in Section 3-2 of these Regulations.

35-21. Prohibited practices; protections for employees.

- (a) ***Prohibited practices.*** It is unlawful for any person to:

 - (A) refusal to obey an instruction involving an illegal or improper action;
 - (B) disclosure of information to a Federal, State, or County official or employee concerning illegal or improper action in County government with a good faith belief that the information disclosed is accurate; or
 - (C) providing information to, cooperating with, or in any way assisting the Inspector General or the Office of Legislative Oversight.
- (b) ***Protection for employee.***
 - (1) The MSPB must protect a merit system employee from any retaliatory or coercive action for:
 - (A) refusing to obey an instruction involving an illegal or improper action; or
 - (B) disclosing information to a Federal, State, or County official or employee concerning illegal or improper action in County government that the employee had a reasonable good-faith belief:
 - (i) was accurate; and
 - (ii) concerned an illegal or improper action.
 - (2) The MSPB must not protect the employee if it is determined that:
 - (A) the employee's actions were frivolous, unreasonable, and without foundation, even though not brought in bad faith;
 - (B) the employee, without good cause, did not comply with applicable regulations concerning the making of such disclosures; or
 - (C) the employee was the subject of an otherwise proper personnel action that would have been taken regardless of the employee's disclosure of information concerning illegal or improper action in County Government.

Any law which creates a new department, principal office, or agency, or designates a position as a non-merit position, requires the affirmative vote of six Councilmembers for enactment. Any law which repeals the designation of a position as a non-merit position requires the affirmative vote of five Councilmembers for enactment.

Officers and employees subject to a collective bargaining agreement may be excluded from provisions of law governing the merit system only to the extent that the applicability of those provisions is made subject to collective bargaining by legislation enacted under Section 510, Section 510A, or Section 511 of this Charter.

The merit system shall provide the means to recruit, select, develop, and maintain an effective, nonpartisan, and responsive work force with personnel actions based on demonstrated merit and fitness. Salaries and wages of all classified employees in the merit system shall be determined pursuant to a uniform salary plan. The council shall establish by law a system of retirement pay.

The Council by law may exempt probationary employees, temporary employees, and term employees from some or all of the provisions of law governing the merit system, but the law shall require these employees to be recruited, selected and promoted on the basis of demonstrated merit and fitness.

The Council by law may establish within the merit system a program to recruit and select qualified individuals with severe physical or mental disabilities on a noncompetitive basis.

Sec. 402. Personnel Administration.

The County Executive shall be responsible for adopting personnel regulations for the administration and implementation of the merit system law. These regulations shall be adopted in the manner provided for by law. The Chief Administrative Officer, under the direction of the

County Executive and subject to merit system laws and regulations, shall be responsible for administering the County's merit system.

Sec. 403. Merit System Protection Board.

There is established a Merit System Protection Board composed of three members who are qualified voters of the County appointed by the Council. One member shall be appointed each year for a term of three years. Any member appointed to fill a vacancy occurring prior to

the expiration of a term shall be appointed only for the remainder of that term. Appointment shall be made so that not more than two members of the Board shall be members of the same political party. No member shall hold political office or participate in any campaign for any political or public office during the member's term of office. Members of the Board shall be compensated as prescribed by law.

Sec. 404. Duties of the Merit System Protection Board.

Any employee under the merit system who is removed, demoted, or suspended shall have, as a matter of right, an opportunity for a hearing before the Merit System Protection Board, which may assign the matter to a hearing examiner to conduct a hearing and provide the Board with a report and recommendations. The charges against the employee shall be stated in writing, in such form as the Board shall require. If the Board assigns the matter to a hearing examiner, any party to the proceeding shall have, as a matter of right, an opportunity to present an oral argument on the record before the Board prior to a final decision. The Board shall establish procedures consistent with law for the conduct of its hearings. The decisions of the Board in such appeals shall not be subject to review except by a court of competent jurisdiction. The Council shall provide by law for the investigation and resolution of formal grievances filed under the merit system and any additional duties or responsibilities of the Board. The Board shall conduct on a periodic basis special studies and audits of the administration of the merit and retirement pay systems and file written reports of its findings and recommendations with the Executive and the Council. The Board shall comment on any proposed changes in the merit system law or regulations in a timely manner as provided by law.

Sec. 405. Political Activity.

No officer or employee of the County shall be prohibited from participating in politics or political campaigns; however, the Council may by law restrict political activities by County officers and employees (including members of boards and commissions) who serve in a quasi-judicial capacity. No County officer or employee shall be obligated to contribute to a political campaign or to render political service.

Sec. 406. Prohibition Against Private Use of Public Employees.

No member of the Council, the County Executive, or any officer or employee of the County shall detail or cause any officer or employee of the County to do or perform any service or work outside of the officer's or employee's public office or employment.

Sec. 407. Prohibition Against Additional Compensation.

No member of the Council and no officer or employee of the County whose salary is fixed, in whole or in part, by this Charter, the laws of the County, or its personnel regulations, shall be entitled, directly or indirectly, to any other salary, expenses, or compensation from the County for performance of public duties except expenses for travel and subsistence incident to the performance of official duties as prescribed by law.

Sec. 408. Work During Official Hours.

All officers and employees of the Executive or Legislative Branches who receive compensation paid in whole or in part from County funds shall devote their entire time during their official working hours to the performance of their official duties.

Sec. 409. Corrupt Practices.

No person whose salary or expenses are paid in whole or in part from County funds shall invite, accept, offer, give or promise to give any money or any valuable thing in consideration of appointment or employment by the County. Any person violating this Section shall be removed from any public office or employment held and be subject to such other penalties as may be prescribed by law.

The code of ethics shall at a minimum regulate: (a) conflicts of interest; (b) solicitation and receipt of gifts; (c) other employment of present and former public employees; (d) lobbying; (e) financial disclosure by public employees; (f) the use of County property and County insignia; and (g) the use of the prestige of office.

The code of ethics shall:

- a) provide that each public employee owes a fiduciary responsibility to the County, which the public employee shall not breach by any public or private action;
- b) prohibit a public employee from obtaining an economic benefit as a result of public employment if the economic benefit is received on terms more favorable than those available to persons who are not public employees;
- c) allow waivers from restrictions and requirements of the code if a waiver is in the best interest of the County and all pertinent facts are disclosed to the public;
- d) authorize enforcement of the code and impose penalties for violations; and
- e) include any other provisions required by State law or that the Council finds serve the purposes of this section.

The Council by law shall prohibit corrupt practices by any individual or organization that attempts to obtain or is a party to a contract with the County, including kickbacks in the award of County contracts and using confidential information obtained in performing a contract with the County for personal gain or the gain of another without the approval of the County.

The Council may by law establish a commission to enforce and interpret the code of ethics and related laws. The Council by law may allow an ethics commission to retain legal counsel with the approval of the Council, subject to appropriation, and may exempt legal counsel for the commission from Section 213.

- (a) **Policy.** The county's policy shall be to take all personnel actions on the basis of merit and fitness without regard to political affiliation or non-merit factors, and without regard to other factors as may be provided for in chapter 27, "Human Relations and Civil Liberties," such as sex, marital status, race, religion, national origin, age or handicap.

The Chief Administrative Officer shall be responsible for initiating, developing and maintaining such an equal employment opportunity and affirmative action program as necessary to ensure all persons an equal opportunity to enter and progress in the county's service on the basis of open competition and demonstrated ability. The county executive is authorized to issue such regulations, adopted under method (1) of section 2A-15 of this Code, as necessary to implement this policy. Such regulations shall provide that an employee whose

personal religious beliefs require the abstention from work during certain periods of time may elect to engage in an alternate work schedule in order to meet those religious requirements. The regulation shall include provision for any employee who elects to work an alternate schedule to be obligated to work an equal period of time to that taken off for such religious reasons.

- (b) **Conciliation.** The Chief Administrative Officer is authorized to engage in consultation and conciliation efforts with agencies responsible for enforcement of equal employment opportunity laws with the objective of resolving complaints and to execute binding agreements with these agencies; provided, however, that these conciliation efforts shall not be deemed to abate the procedures or requirements as recited in chapter 27. Should the complaint be determined to be a matter not properly within the jurisdiction of an equal employment opportunity enforcement agency, the complaint, as filed, shall be treated as a grievance and processed under the appropriate procedures established for grievances.
- (c) **Appeals by applicants.** Any applicant for employment or promotion to a merit system position may appeal decisions of the Chief Administrative Officer with respect to their application for appointment or promotion. Appeals alleging discrimination prohibited by chapter 27, "Human Relations and Civil Liberties," of this Code, may be filed in the manner prescribed therein. Appeals alleging that the decisions of the Chief Administrative Officer were arbitrary and capricious, illegal, based on political affiliation, failure to follow announced examination and scoring procedures, or nonmerit factors, may be filed directly with the Merit System Protection Board. Appeals filed with the Merit System Protection Board shall be considered pursuant to procedures adopted by the Board. The Board may order such relief as is provided by law or regulation.

Sec. 33-10. Disclosure of illegal or improper actions in county government; protection for merit system employees against retaliation or coercion for disclosing illegal or improper actions in county government; prohibited practices; complaint procedures; investigations; penalties; appeals.

- (a) **Disclosure of illegal or improper actions.**
 - (1) Employees should report illegal or improper actions in County government.
 - (2) Employees should first report illegal or improper actions to the individual responsible for corrective action. That person may be anyone from the employee's immediate supervisor up to and including the County Executive, or for legislative branch employees, the County Council.
 - (3) In unusual circumstances, or if a retaliatory action or coercion has taken place, the employee may file a report directly with either the Board or the Ethics Commission. Unless expressly authorized by Section 19A-10, the identity of both the employee filing a report and the county employee or official who is the subject of this report must be kept confidential unless

waived in writing by each party, respectively. The Board or the Ethics Commission must refer the report to the government agency, including the Board or the Ethics Commission, that is responsible for addressing the unlawful conduct raised in the report. That government agency must then conduct an inquiry.

- (b) **Protection for employees.** Any merit system employee who refuses to obey an instruction involving an illegal or improper action or who discloses information concerning illegal or improper action in county government with a reasonable good-faith belief that such disclosures are true and accurate shall be protected under procedures authorized herein from any retaliatory or coercive personnel action. This provision does not extend protection to a merit system employee upon a determination that:
- (1) The employee's actions were frivolous, unreasonable and without foundation, even though not brought in bad faith;
 - (2) The employee without good cause failed to comply with administrative regulations concerning the making of such disclosures; or
 - (3) The employee was the subject of otherwise proper personnel actions taken for disciplinary reasons and not for retaliatory purposes prohibited by this section.
- A "personnel action" shall mean any administrative act or omission which has a significant adverse impact upon the employee, or a change in the employee's duties or responsibilities inconsistent with the employee's grade and salary.
- (c) **Prohibited practices.** It shall be unlawful for any person to coerce any merit system employee into taking an illegal or improper action or take any retaliatory action against any merit system employee because of that employee's disclosure of information relating to illegal and improper action in county government.
- (d) **Filing of complaints.** If an employee believes a retaliatory action or coercion has taken place or been attempted because of his refusal to obey an illegal or improper instruction or disclosure of same, the employee may file a written complaint with the Board. The complaint must be filed within sixty (60) days of the alleged violation or action and must contain:
- (1) The employee's name and signature;
 - (2) The employee's home address and telephone number;
 - (3) The name of the individual who allegedly took the action;
 - (4) A concise description of the alleged coercion or retaliatory action and reasons for believing it to be so. The identity of all parties shall be kept confidential unless and until there is a finding of probable cause or all parties waive such confidentiality in writing.

The Board may initiate an inquiry of any person suspected of taking retaliatory or coercive action, with or without a written complaint from an employee.

- (e) **Investigations.** All complaints charging a violation of subsection (c) shall be promptly investigated by the Board's staff, who shall determine whether probable cause exists to believe a violation of that subsection has occurred. Should the Board's staff determine that the subject matter of the complaint involved allegations more properly the subject of an employee grievance or complaint to be filed under the provisions of the personnel regulations or other laws or regulations, the complainant shall be so advised and the complaint dismissed; and the period of limitations for the bringing of such other action shall be deemed to run from the date of the dismissal. Should the Board's staff determine that no probable cause exists, that determination shall be final and the complaint dismissed unless Board reconsideration is requested. Should the Board's staff determine that probable cause does exist, the staff shall prepare and cause to be served on the person believed to have violated subsection (c) a statement of charges fairly describing the alleged violation and the sanctions sought to be imposed for such violation. The charges shall then be certified to the Board to schedule and conduct hearings in accordance with the provisions of this chapter. The case in support of charges shall be presented by the Board's staff.
- (f) **Penalties.** If a county employee is found guilty of coercion, harassment or retaliation, the Merit System Protection Board may order the imposition of one (1) or more of the following penalties:
 - (1) Any disciplinary action provided for in the personnel regulations up to and including dismissal;
 - (2) A monetary fine in any amount up to two thousand dollars (\$2,000.00);
 - (3) Reimbursement of expenses incurred by all parties;
 - (4) Other penalties as may be deemed appropriate and consistent with the charter and laws of Montgomery County, Maryland.
- (g) **Appeals.** An employee subject to the foregoing penalties based on the Merit System Protection Board's findings and decision may appeal to a court of competent jurisdiction.

Sec. 33-11. Classification; salary and wage plans.

- (a) **Classification.**
 - (1) The Chief Administrative Officer must apply the classification standards in this Chapter and the Personnel Regulations to:
 - (A) establish and abolish occupational classes as necessary for effective and economical operation of the County government;
 - (B) assign all positions in the merit system to proper classes;
 - (C) assign pay grades to classes; and

The Board must have a reasonable opportunity to review and comment on any proposed new classes except new classes proposed for the Management Leadership Service under paragraph (2).

- (2) The CAO may establish by amendment to the Personnel Regulations under method (1) a Management Leadership Service (MLS) to ensure that the senior management of the County government is responsive to the needs, policies, and goals of the County and is the highest quality possible. The MLS must:

 - (I) enhance the management and leadership skills of highly competent senior managers through professional development; and
 - (J) appoint career managers to fill MLS positions to the extent practical, consistent with the effective and efficient implementation of agency policies and responsibilities.
- (3) The CAO must determine by written finding that a reclassification is necessary for the efficient and effective operation of County government before approving an upward reclassification of a position between July 1 and December 31 of any year in which the County Executive is elected.

(b) Uniform salary plan.

- (1) The uniform salary plan consists of:
 - (A) salary schedules for employees represented by certified employee organizations;

 - (C) a salary schedule for sworn police managers;
 - (D) a salary schedule for uniformed fire/rescue managers;

- (E) a salary schedule for employees in positions included in the Management Leadership Service; and

- (2) The Chief Administrative Officer may recommend to the County Council amendments to the uniform salary plan.

 - (D) living costs; and
 - (E) other employee benefits.
- (5) A salary schedule must include grades and a salary rate or salary range for each grade.
- (6) The Chief Administrative Officer must assign each occupational class to an appropriate grade under an approved salary schedule.
- (7) The minimum wage/seasonal salary schedule must identify each occupational class assigned to the salary schedule. The Chief Administrative Officer may assign an occupational class to the minimum wage/seasonal salary schedule only if all employees in the class:
 - (A) are paid the federal minimum wage; or
 - (B) work for the County fewer than:
 - (i) 20 regularly scheduled hours per week on a continuing year- round or school-year basis; or
 - (ii) 1040 hours in a 12-month period; or
 - (C) are participants in the County's Conservation/Service Corps job training program.
- (8) The Chief Administrative Officer must base any recommendation to amend the police management salary schedule on:
 - (A) police management salary rates in neighboring jurisdictions;
 - (B) police collective bargaining agreements;
 - (C) other pay and benefits available to police management;
 - (D) availability of funds; and
 - (E) any other relevant factors.

 - (B) fire/rescue collective bargaining agreements;
 - (C) other pay and benefits available to fire/rescue management;
 - (D) availability of funds; and
 - (E) any other relevant factors.

- (10) The Chief Administrative Officer must ensure that all occupational classes, except those on the minimum wage/seasonal salary schedule, police management salary schedule, fire/rescue management salary schedule, and Management Leadership Service salary schedule, involving comparable duties, experience, responsibilities, and authority are paid comparable salaries that reflect the relative value of the services performed.
 - (11) The Chief Administrative Officer may recommend compensation policies for overtime, pay differentials, and other salary and wage benefits to the County Council. The County Council must approve any such policy or benefit.
 - (12) Any plan, policy, or schedule approved by the County Council under this subsection is subject to the provisions of this Chapter regarding employees who are represented by a certified employee organization.
- (c) **Salary policies.** Employees are paid on a biweekly basis. Except as specifically provided by federal, state, or county law, the Chief Administrative Officer must determine any applicable payroll deductions and charges for such deductions, including state income tax withholding for any state of residence of an employee. When an employee leaves county employment, any debts the employee owes to the county may be set off and deducted from any unpaid salary, accrued annual or compensatory leave, or retirement contributions due to the employee.
- (d) **Other compensation policies.** The Chief Administrative Officer may establish other compensation policies to recognize employees who perform in an extraordinary manner either on a sustained performance basis or in recognition of a specific act or service. These compensation policies may include monetary awards to employees making suggestions which result in better public service, cost savings or more efficient operations. Compensation policies may be in the form of cash awards or be part of the uniform salary plan.

Sec. 33-12. Appeals of disciplinary actions; grievance procedures.

- (a) **Appeals of certain disciplinary actions.** Any merit system employee, excluding those in probationary status, who has been notified of impending removal, demotion or suspension shall be entitled to file an appeal to the Board, which shall cause a hearing to be scheduled without undue delay unless the appeal has been settled during administrative review of the appeal by the Chief Administrative Officer or a designee. Any merit system employee who is the subject of other disciplinary action not specified above may file an appeal with the Board, but such appeal may or may not require a hearing as the Board may determine.

- (b) **Grievances.** A grievance is a formal complaint arising out of a misunderstanding or disagreement between a merit system employee and supervisor with reference to a term or condition of employment. The determination of the Board as to what constitutes a term or condition of employment shall be final. Grievances do not include the following: Classification allocations, except due process violations; failure to reemploy a probationary employee; or other employment matters for which another forum is available to provide relief or the Board determines are not suitable matters for the grievance resolution process. A grievance shall include termination by resignation which is found by the Board to have been submitted under circumstances which cause the resignation to be involuntary; in the event of such a finding, the Board shall require the appointing authority to substantiate the termination as in the case of a removal. The County Executive shall prescribe, in the personnel regulations adopted under method (1) of section 2A-15 of this Code, procedures which seek to secure at the lowest possible level a fair, prompt and mutually satisfactory resolution to a grievance. In providing these procedures, the county executive shall ensure that any grievance based upon an alleged improper application of a merit system law or regulation concerning a disputed issue of fact is entitled to resolution after a fact-finding inquiry authorized by the Board. Grievances based upon an alleged improper interpretation of merit system laws or regulations do not require a hearing during the grievance resolution process.
- (c) **Hearing examiners.** The Board may utilize hearing examiners to conduct grievance investigations and other hearings, authorized under this section, who shall make findings and recommendations subject to objection by the parties and final Board approval under such procedures as established by the Board. A party to any proceeding which has been assigned to a hearing examiner shall be afforded the opportunity to present an oral argument on the record before the Board prior to a final decision.

Sec. 33-13. Appeal procedures.

Sec. 33-13A. Audits, investigations and inquiries.

The Merit System Protection Board is authorized to conduct audits, investigations or inquiries, to assure that the merit system is administered in accordance with the provisions of this chapter and regulations promulgated pursuant thereto, and may administer oaths, require the

attendance of witnesses and the production of records or other material in connection with an investigation, audit or inquiry. The results of each audit, investigation or inquiry shall be transmitted to the county council, county executive, and Chief Administrative Officer, with appropriate recommendations.

There is hereby created the position of special personnel investigator. The special personnel investigator shall exercise the following powers and perform the following duties and functions:

- (b) File a complaint with the Merit System Protection Board where, as result of his investigation of matters referred to him by the Board, he has probable cause to believe that the merit system has not been administered in accordance with the provisions of this chapter or regulations promulgated pursuant thereto.
- (c) Recommend corrective action on matters which have been referred to him by the Merit System Protection Board.
- (d) Designate, with the approval of the council, an alternate special personnel investigator for matters in which he has a conflict of interest or is otherwise unable to pursue.

The special personnel investigator is appointed by the county council for a term of 5 years, or until a successor is appointed and qualified. The council may remove the special personnel investigator on the vote of 6 members of the council. The special personnel investigator must:

- (1) have experience in law or personnel matters;
- (2) be paid a per diem fee set by contract with the county; and
- (3) be reimbursed for necessary expenses.

When an audit, investigation or inquiry gives the Board cause to believe that the merit system has not been administered in accordance with the provisions of this chapter or regulations promulgated pursuant thereto, the Board may refer the matter to an appropriate investigative entity, including the special personnel investigator, at the Board's option. Where a complaint is filed by the special personnel investigator, or on its own motion, the Board may hold a hearing and issue a decision ordering such corrective action as it determines to be necessary, including those remedies provided in section 33-14(c). Where the Board holds a hearing on its own motion, the Board's staff or the special personnel investigator shall be the charging party. In any hearing, the responding party shall include all individuals who may be adversely affected. All investigatory proceedings under this section shall include due process protections consistent with the purposes of this chapter and procedures shall be included in the personnel regulations adopted under method (1) of section 2A-15 of this Code, which specify these protections in further detail. Nothing herein shall be construed to prohibit the Board from initiating and acting upon audits, investigations or inquiries until such regulations are adopted.

Sec. 33-14. Hearing authority of Board.

- (a) **Hearing requirements.** Hearings before the Board are quasi-judicial in nature and shall be conducted in formal session in accordance with the provisions and authority contained in the county administrative procedures act. Board members shall be provided orientation and training as required to properly implement the requirements of the county administrative procedures act and conduct administrative evidentiary proceedings. With respect to hearings which go beyond one (1) session, the Board shall endeavor to schedule such hearings so that a minimum amount of time elapses between sessions. When required for continuity and minimum loss of time in concluding a case, the Board shall also endeavor to schedule hearings during daytime, weekday hours. Hearing shall be open to the public with reasonable notice, if requested by the employee.
- (b) **Board counsel.** The Board may request special counsel when the Board and the county attorney determine that a representational conflict exists within the county attorney's office. The special counsel shall be an individual acceptable to the Board. The county attorney may assign an attorney to the Board as its general counsel who shall represent the Board exclusively on matters concerning the merit system.
- (c) **Decisions.** Final decisions by the Board shall be in writing, setting forth necessary findings of fact and conclusions of law. A copy of such decision shall be furnished to all parties. The Board shall have authority to order appropriate relief to accomplish the remedial objectives of this article, including but not limited to the following:
 - (1) Order retroactive promotion or reclassification with or without back pay;
 - (2) Order change in position status, grade, work schedule, work conditions and work benefits;

 - (4) Order reinstatement with or without back pay, although the Chief Administrative Officer may reinstate either to a position previously held or to a comparable position of equal pay, status and responsibility;
 - (5) Order cancellation of personnel actions found in violation of law or personnel regulation provided that such action may not without due process, adversely affect the employment rights of another employee;
 - (6) Grant employee participation in an employee benefit previously denied (training, educational program or assistance, preferential or limited work assignments and schedules, overtime pay or compensatory leave);
 - (7) Order removal from administrative or personnel records any reference or document pertaining to an unwarranted disciplinary or adverse personnel action;
 - (8) Order corrective measures as to any management procedure adversely affecting employee pay, status, work conditions, leave or morale;

 - a. Time and labor required;
 - b. The novelty and complexity of the case;
 - c. The skill requisite to perform the legal service properly;
 - d. The preclusion of other employment by the attorney due to acceptance of the case;
 - e. The customary fee;
 - f. Whether the fee is fixed or contingent;
 - g. Time limitations imposed by the client or the circumstances;
 - h. The experience, reputation and ability of the attorneys; and
 - i. Awards in similar cases;
- (10) Order such other and further relief as may be deemed appropriate consistent with the charter and laws of Montgomery County.

- (a) Any aggrieved merit system employee, or applicant, or the Chief Administrative Officer may obtain judicial review of a Merit System Protection Board order or decision from the circuit court for the county in the manner prescribed under chapter 1100, subtitle B of the Maryland Rules of Procedure. In addition, with respect to orders or opinions relating to personnel of Montgomery County fire and rescue corporations, the independent fire and rescue corporation affected by the Merit System Protection Board order, as well as any aggrieved fire and rescue corporation employee, may obtain judicial review of the Board's order or decision as provided in this section.
- (b) The court, in hearing the case, shall apply the judicial review standards as set forth in the Maryland administrative procedures act, article 41, Maryland Code Annotated, section 255. The court review shall be on the basis of the record before the Board. Judicial review of Board decisions issued hereunder also includes appellate review by the special courts of appeals of Maryland.
- (c) When the Chief Administrative Officer is the party seeking judicial review of a Board order or decision in favor of a merit system employee, the county shall be responsible for the employee's legal expenses, including attorneys' fees which result from the judicial review and are determined by the county to be reasonable under the criteria set forth in subsection (c)(9) of section 33-14.
- (d) Upon the failure of a party to invoke the judicial review provision of section (a) above or the exhaustion thereof and upon noncompliance with any final decision or order of the Board, the Board may certify the matter to the county attorney for enforcement. The county attorney shall promptly institute appropriate civil

proceedings in the circuit court for Montgomery County to seek enforcement of the decision or order and for any other appropriate relief.

Sec. 33-16. Conflicting provisions.

In the event of any conflict between the provisions of this article and any provisions of the personnel regulations or administrative rules or regulations, the provisions of this article shall control.

Sec. 33-17. Prohibited personnel practices; criminal penalty.

- (c) No county employee or other person acting in concert with a county employee shall, directly or indirectly, give, render, pay, offer, solicit or accept any money, service or other valuable consideration for the purpose of providing any appointment, proposed appointment, promotion or proposed promotion to, or any advantage in, county employment.
- (d) No county employee or other person acting in concert with a county employee shall willfully defeat, deceive or obstruct any person in his right to examination, eligibility, certification or appointment under this law, or furnish to any person special or confidential information for the purpose of affecting the rights of any person with respect to employment under the county merit system.
- (e) No county employee or other person acting in concert with a county employee shall willfully grant any preference or advantage contrary to law, rule or regulation to any merit system employee or applicant for merit system employment (including preselection or defining the scope or manner of competition or the requirements for any position primarily for the purpose of improving or ensuring the prospects of a particular person for a merit system position rather than for the purpose of advancing or improving service to the public, contrary to merit system principles).

- (f) No county employee or other person acting in concert with a county employee shall willfully take or cause to be taken a personnel action with respect to a merit system position or merit system employee on the basis of political affiliation or family relationship.

 - (E) participate (except by voting or contributing money) in support of or opposition to any question placed on the ballot by state, County, or local government, except a question that directly affects the Commission; or
 - (F) be a lobbyist.
 - (3) No more than 3 members may be registered to vote in primary elections of the same political party.
- (c) **Term.** Commission members serve for a term of 4 years. The terms of no more than 2 members may expire in any one year. Any vacancy must be filled only for the remainder of the unexpired term. A Commission member serves until the Council confirms a successor unless the member resigns before a successor is confirmed.

- (d) **Chair.** The Commission must select a chair annually. The Commission may select other officers annually as it finds appropriate.
- (e) **Removal.**
 - (1) The Council or the County Executive may initiate the removal of a Commission member for:
 - (A) neglect of duty;
 - (B) misconduct in office;
 - (C) disability that renders the member unable to perform the duties of office; or
 - (D) violation of law.
 - (2) The Council or the County Executive must give the member written notice of the reason for the removal. The member is entitled to a hearing held under Chapter 2A. If the County Executive initiates the removal, the hearing must be held by the Council or a hearing officer designated by the Council. If the Council initiates the removal, the hearing must be held by the County Executive or a hearing officer designated by the Executive.
 - (3) A member is removed if the Council and the County Executive concur in removal.
 - (4) If the County Executive does not approve a removal within 14 days after the Council votes to remove a member, the Council may remove the Commission member without the approval of the County Executive by a vote which would be sufficient to enact legislation over the disapproval of the Executive under Section 208 of the Charter. The Council must take this action within 30 days after it first voted to remove the member.
- (f) **Administrative Support.**
 - (1) The Commission must be allocated merit system staff, office space, equipment, and supplies within the limits of the Commission's appropriations. The Chief Administrative Officer appoints or assigns staff to the Commission after receiving a recommendation from the Commission. Subject to the general supervision of the Chief Administrative Officer, assigned staff serve at the direction of the Commission to perform duties assigned by the Commission.
 - (2) The Commission may ask the County Attorney to provide an opinion on any legal issue relating to the Commission's duties,
 - (3) The County Attorney must provide the Commission with legal services. However, the County Attorney may employ special legal counsel to the Commission under Section 213 of the Charter. The County Attorney must provide an attorney to prosecute a case before the Commission under Section 19A-10. An individual attorney assigned to provide general legal advice to the Commission must not be an investigator under Section 19A-9 or prosecute a case before the Commission under Section 19A-10 for one year after the attorney's Ethics Commission assignment ends.

- (4) The Commission may retain legal services from persons outside the Office of the County Attorney and without the approval of the County Attorney if:
 - (A) the Commission finds that obtaining independent legal services is necessary for the Commission effectively to perform its responsibilities; and
 - (B) the County Council approves the Commission's decision to select legal counsel and appropriates sufficient funds to cover the cost of the legal services.

Sec. 19A-6. Authority and duties of Commission; appeal of Commission decisions.

- (a) **Authority.** The Commission may:
 - (1) conduct investigations under Section 19A-9;
 - (2) authorize the issuance of summonses and subpoenas, and administer oaths and affirmations;
 - (3) impose sanctions under Section 19A-10;
 - (4) adopt regulations to implement this Chapter under method (2);
 - (5) extend a deadline for distribution or filing of forms for up to 6 months if the Commission finds that the deadline creates an unreasonable burden. An extension may apply to an individual or a class of individuals. The extension must be in writing. However, the Commission must not extend the time in which a complaint must be filed under Section 19A-10;
 - (6) conduct public education and information programs regarding the purpose and implementation of this Chapter;
 - (7) publish opinions under Section 19A-7;
 - (8) establish procedures to govern the conduct of Commission affairs;
 - (9) interpret this Chapter and advise persons as to its application; and
 - (10) take all other necessary acts to carry out the purposes of this Chapter.
- (b) **Duties.** The Commission must:
 - (1) prepare and distribute all financial disclosure forms under Article IV and lobbying disclosure forms under Article V;
 - (2) maintain, as official custodian, forms and records filed under this Chapter;
 - (3) act on a complaint filed under Section 19A-10;
 - (4) respond to a request for a waiver under Section 19A-8;
 - (5) act on a request for other employment approval under Section 19A-12; and
 - (6) respond to a request for an advisory opinion submitted under Section 19A-7.
- (c) **Appeals.** A final decision of the Commission on a complaint, request for a waiver, or request for other employment approval may be appealed to the Circuit Court under the applicable Maryland Rules of Procedure governing administrative

appeals. An appeal does not stay the effect of the Commission's decision unless the court hearing the appeal orders a stay.

(d) Request for rehearing or reconsideration.

- (1) A person affected by a final decision of the Commission on a complaint, request for waiver, or request for other employment approval may ask the Commission for a rehearing or reconsideration.
- (2) A request for rehearing or reconsideration:
 - (A) must be filed within 30 days after the issuance of the Commission's final decision; and
 - (B) must state in writing all reasons in support of the request.
- (3) The filer of the request must mail or deliver a copy of the request to all parties of record.
- (4) A request for rehearing or reconsideration does not stay the effect of the Commission's decision unless the Commission orders otherwise.
- (5) A request for rehearing or reconsideration stays the time in which an appeal under subsection (c) may be filed until the Commission takes final action on the request.

(e) Cooperation with Inspector General. The Commission may ask the Inspector General to investigate any matter within the Inspector General's or the Commission's jurisdiction, and if the matter is within the Commission's jurisdiction, to report any findings confidentially to the Commission. The Commission may disclose confidentially to the Inspector General any information it has that the Inspector General reasonably needs to perform statutory duties.

(f) Annual report. The Commission must publish an annual report each year, not later than March 1, summarizing the actions it has taken during the preceding calendar year and describing each waiver it approved and advisory opinion it issued during that year. The report must not mention the names of any individual, unless otherwise properly made public, who was the subject of any action or opinion.

Sec. 19A-7. Advisory Opinions.

- (a) Any person subject to this Chapter or Sections 2-109, 11B-51 or 11B-52(a) may ask the Commission for an advisory opinion on the meaning or application of this Chapter or Sections 2-109, 11B-51 or 11B-52(a) to that person. A supervisor or department head may ask the Commission for an advisory opinion about the meaning or application of this Chapter or Sections 2-109, 11B-51 or 11B-52(a) to the employment-related conduct of any public employee supervised by the supervisor or department head. Unless the subject of the opinion authorizes disclosure, the Commission must keep the names of the requesting party and the

- (b) The Commission must publish each opinion when it is issued unless the Commission finds that the privacy interest of a public employee or other person clearly and substantially outweighs the public's needs to be informed about Commission actions. The Commission at least annually must publish a list of all unpublished opinions, with the reason why each opinion was not published. The Commission must take all reasonable steps consistent with making the opinion useful for public guidance to keep confidential the identity of any person who is affected by the opinion request.

Sec. 19A-8. Waivers.

- (a) After receiving a written request, the Commission may grant to a public employee or a class of public employees a waiver of the prohibitions of this Chapter and Sections 11B-51 and 11B-52(a) if it finds that:
 - (1) the best interests of the County would be served by granting the waiver;
 - (2) the importance to the County of a public employee or class of employees performing official duties outweighs the actual or potential harm of any conflict of interest; and
 - (3) granting the waiver will not give a public employee or class of employees an unfair economic advantage over other public employees or members of the public.
- (b) After receiving a written request, the Commission may waive the prohibitions of subsection 19A-12(b) if it finds that:
 - (1) the waiver is needed to ensure that competent services to the County are timely and available;
 - (2) failing to grant the waiver may reduce the ability of the County to hire or retain highly qualified public employees; or
 - (3) the proposed employment is not likely to create an actual conflict of interest.
- (c) After receiving a written request, the Commission may waive the prohibitions of Section 19A-13 if it finds that:
 - (1) failing to grant the waiver may reduce the ability of the County to hire or retain highly qualified public employees; or
 - (2) the proposed employment is not likely to create an actual conflict of interest.
- (d) The Commission may waive the prohibitions of Sections 19A-12 or 19A-13 without making the findings required in subsection (b) or (c) if an employer certifies, and the Commission agrees, that releasing pertinent facts about the proposed other employment is not in the interest of effective law enforcement or the national security of the United States.

- (e) The Commission may impose appropriate conditions to fulfill the purposes of this Chapter when it grants a waiver.
- (f) The Commission must disclose to the public any waiver that it grants. If a request for a waiver is denied, the Commission may publish its response as an advisory opinion under Section 19A-7(b). But the identity of any public employee who applies for a waiver must be kept confidential until the waiver is granted. The Commission may reveal the identity of any public employee who applies for a waiver that is not granted if:
 - (1) the public employee authorizes public disclosure; or
 - (2) the Commission has reasonable cause to believe that the public employee has engaged in the conduct for which the waiver was sought.
- (g) The Commission must include the pertinent facts in each waiver.
- (h) The Commission must promptly notify the State Ethics Commission, the Chief Administrative Officer, and the Council when it waives any prohibition of this Chapter for any class of public employees.

Sec. 19A-9. Investigations.

- (a) The Commission may on its own initiative investigate any matter that the Commission believes may constitute a violation of this Chapter or Sections 2-109, 11B-51 or 11B-52(a) if the Commission finds in writing that an investigation is necessary to resolve the matter.
- (b) Any investigation must be conducted by the staff of the Commission, the County Attorney, or a special counsel or other person temporarily retained by the Commission to conduct the investigation. The Commission must not actively participate in any investigations.
- (c) An investigator acting under the authority of the Commission may require any person to:
 - (1) respond under oath to written questions within 30 days;
 - (2) produce verified copies of records within 30 days; and
 - (3) on 15 days notice, attend a deposition to answer under oath questions asked by the investigator.

The investigator must disclose to the person from whom information is sought the general nature and purpose of the inquiry. A person must not refuse to answer written questions, produce records, attend a deposition, or answer questions at a deposition unless the refusal is permitted by law. The investigator may seek from a court of competent jurisdiction an order compelling compliance with this subsection.

- (d) The identity of any person who supplies information to an investigator and the report of the investigator must be kept confidential, except as otherwise expressly provided in this Chapter.
- (e) The investigator must give the Commission a confidential written report of the investigator's factual findings, the sources of information, and the identity of each person providing information.

Sec. 19A-10. Complaint; Adjudicatory Hearing.

- (a)
 - (1) Any individual may file a confidential written complaint with the Commission. The complaint must allege facts under oath that would support a reasonable person in concluding that a violation of this Chapter or Sections 2-109, 11B-51 or 11B-52(a) occurred.
 - (2)
 - (A) The complaint must be filed within the later of 2 years after:
 - (i) the alleged violation; or
 - (ii) the complainant learned or should have learned of facts that would lead a reasonable person to conclude that a violation occurred.
 - (B) A complaint may not be filed more than 6 years after the alleged violation occurred.
 - (3) The Commission may refer the complaint to Commission staff or the County Attorney for investigation under Section 19A-9 or may retain a special counsel or other person to conduct an investigation.
 - (4) If the complaint does not allege facts sufficient to state a violation of this Chapter, the Commission may dismiss the complaint. The Commission must inform the complainant of its decision to dismiss the complaint. The Commission may inform the subject of the complaint that the complaint was filed and dismissed, but must not disclose the identity of the complainant.
- (b) The Commission may file, on its own motion, a complaint based on a report received from an investigator under Section 19A-9, if the complaint is filed within the time limits established in subsection (a).
- (c) If, based on a complaint and a report, if any, submitted under Section 19A-9, the Commission finds reasonable cause to believe that a violation of this Chapter or Sections 2-109, 11B-51 or 11B-52(a) has occurred, the Commission must hold an adjudicatory hearing. However, the Commission may dispose of a matter by consent order instead of holding an adjudicatory hearing.
- (d) If the Commission holds an adjudicatory hearing, the Commission must:
 - (1) give the subject of the complaint a copy of the complaint, including the identity of the complainant; and

- (2) give the subject of the complaint copies of those portions of approved minutes of the Commission relating to the complaint, and any report issued under Section 19A-9.
- (e) The Commission may:
 - (1) issue summonses and subpoenas to compel attendance at a hearing;
 - (2) require any person to produce records at a hearing; and
 - (3) administer oaths or affirmations to witnesses.
- (f) The parties to the hearing are the subject of the complaint and the County. The prosecuting attorney may be the investigator who issued a report under Section 19A-9, an attorney in the County Attorney's office, or a special counsel. Each party may be represented by counsel. Each party may present evidence and cross-examine witnesses. The subject of the complaint may require the Commission to issue subpoenas for witnesses and documents to the same extent a party in litigation in state court would be entitled to the summons or subpoena.
- (g) The rules of evidence used in judicial proceedings do not apply. The Commission may admit and give appropriate weight to evidence, including hearsay, that possesses probative value commonly accepted by reasonable and prudent persons.
- (h) A hearing is closed to the public. However, the Commission may in its sole discretion open the hearing to the public if the subject of the complaint requests that the hearing be open. The Commission may issue additional rules of procedure governing an adjudicatory hearing.
- (i) The Commission must make written findings of fact and conclusions of law based on the record made at the hearing. If after a hearing the Commission finds that no violation of this Chapter has occurred, the Commission must dismiss the complaint.
- (j) If the Commission dismisses a complaint without holding a hearing or after holding a closed hearing, the Commission must not release to the public the identity of the subject of the complaint, the complainant, or any witness.
- (k) If the Commission finds that a violation of this Chapter has occurred, the Commission must publicly disclose its findings and conclusions, including the identity of the subject of the complaint, the complainant, and the witnesses.
- (l) The Commission must promptly notify the complainant and the subject of the complaint of its findings and conclusions and the disposition of the complaint.
- (m) If the Commission finds a violation of this Chapter or Sections 2-109, 11B-51 or 11B-52(a), the Commission may:
 - (1) seek injunctive relief under Section 19A-27;
 - (2) proceed under Section 19A-28;
 - (3) seek recovery under Section 19A-29;

- (4) seek the imposition of disciplinary action by appropriate public employees under Section 19A-30;
 - (5) order the subject of the complaint to stop any violation; and
 - (6) issue a public or private reprimand.
- (n) The Commission may, at any time, refer to an appropriate prosecuting attorney any information that indicates that a criminal offense may have occurred.

ARTICLE III. CONFLICTS OF INTEREST.

Sec. 19A-11. Participation of public employees.

- (a) **Prohibitions.** Unless permitted by a waiver, a public employee must not participate in:
 - (1) any matter that affects, in a manner distinct from its effect on the public generally, any:
 - (A) property in which the public employee holds an economic interest;
 - (B) business in which the public employee has an economic interest; or
 - (C) property or business in which a relative has an economic interest, if the public employee knows about the relative's interest;

 - (D) any business that is negotiating with a relative or has an arrangement with a relative about prospective employment, if the public employee knows about the negotiations or the arrangement;
 - (E) any business or individual that is a party to an existing contract with the public employee or a relative, if the contract could reasonably result in a conflict between private interests and official duties;
 - (F) any business that is engaged in a transaction with a County agency if:
 - (i) another business owns a direct interest in the business;
 - (ii) the public employee or a relative has a direct interest in the other business; and
 - (iii) the public employee reasonably should know of both direct interests;
 - (G) any business that is subject to regulation by the agency with which the public employee is affiliated if:

- (i) another business owns a direct interest in the business;
- (ii) the public employee or a relative has a direct interest in the other business; and
- (iii) the public employee reasonably should know of both direct interests; or
- (H) any creditor or debtor of the public employee or a relative if the creditor or debtor can directly and substantially affect an economic interest of the public employee or relative.

(b) Exceptions.

- (1) If a disqualification under subsection (a) leaves less than a quorum capable of acting, or if the disqualified public employee is required by law to act or is the only person authorized to act, the disqualified public employee may participate or act if the public employee discloses the nature and circumstances of the conflict.
- (2) Subsection (a) does not apply to an administrative or ministerial duty that does not affect an agency's decision on a matter.
- (3) Paragraph (a)(1) does not apply to a public employee who is appointed to a regulatory or licensing body under a statutory provision that persons subject to the jurisdiction of the body may be represented in appointments to the body.
- (4) Subparagraph (a)(2)(A) does not apply to a public employee, if the County Executive or the County Council appoints the public employee to serve as an officer, director, or trustee of a business to represent the public interest.
- (5) Subparagraph (a)(2)(A) does not apply to a public employee who is an officer, director, or trustee of an organization, if the public employee discloses the relationship, is not compensated by the organization, and has no:
 - (A) managerial responsibility or fiduciary duty to the organization;
 - (B) authority to approve the organization's budget;
 - (C) authority to select any officer or employee of the organization; or
 - (D) authority to vote on matters as a member of the governing body of the organization.

(c) Thresholds. In this section, interest or economic interest only includes:

- (1) any source of income, direct or indirect, if the employee:
 - (A) received more than \$1,000 from that source of income in any of the last 3 years;
 - (B) is currently receiving more than \$1,000 per year from that source of income; or
 - (C) is entitled to receive at least \$1,000 in any year in the future from that source of income;
- (2) a business in which the public employee owns more than 3 percent;
- (3) securities that represent ownership or can be converted into ownership of more than 3 percent of a business; and

- (4) any other economic interest worth more than \$1,000.

Sec. 19A-12. Restrictions on other employment and business ownership.

(a) General restrictions.

- (1) A public employee must not engage in any other employment unless the employment is approved by the Commission. The Commission may impose conditions on its approval of other employment.
- (2) The Commission may adopt appropriate procedures to receive and decide other employment requests.
- (3) The appointing authority should give a copy of this Section to applicants for positions that are affected by this Section. The Supervisor of Elections should give a copy to candidates for elected offices that are affected by this Section.
- (4) A request for approval of other employment is confidential. Commission action on the request is also confidential. However, the Commission must disclose to the public each action approving an employment request, including:
 - (A) the name of the employee;
 - (B) the name of the employer;
 - (C) the nature of the other employment; and
 - (D) any conditions imposed by the Commission.

(b) Specific restrictions. Unless the Commission grants a waiver under subsection 19A-8(b), a public employee must not:

- (1) be employed by, or own more than one percent of, any business that:
 - (A) is regulated by the County agency with which the public employee is affiliated; or
 - (B) negotiates or contracts with the County agency with which the public employee is affiliated; or
- (2) hold any employment relationship that would impair the impartiality and independence of judgment of the public employee.

(c) Exceptions. Subsections (a) and (b) do not apply to:

- (1) a public employee who is appointed to a regulatory or licensing body under a statutory provision that persons subject to the jurisdiction of the body may be represented in appointments to it;
- (2) a public employee whose government duties are ministerial, if the employment does not create a conflict of interest;
- (3) a member of a board, commission, or similar body in regard to employment held when the member was appointed if the employment was publicly disclosed before appointment to the appointing authority, and to the County Council when confirmation is required. The appointing authority must forward a record of the disclosure to the Commission, which must keep a record of the disclosure on file; or

- (4) an elected public employee in regard to employment held at the time of election, if the employment is disclosed to the Board of Supervisors of Elections before the election. The Commission must file the disclosure received from the Supervisor of Elections with the financial disclosure record of the elected public employee.

However, a public employee may assist or represent a party for contingent compensation in any matter for which contingent fees are authorized by law.

Sec. 19A-13. Employment of former public employees.

- (a) A former public employee must not accept employment or assist any party, other than a County agency, in a case, contract, or other specific matter for 10 years after the last date the employee significantly participated in the matter as a public employee.
- (b) For one year after the effective date of termination from County employment, a former public employee must not enter into any employment understanding or arrangement (express, implied, or tacit) with any person or business that contracts with a County agency if the public employee:
 - (1) significantly participated in regulating the person or business; or
 - (2) had official responsibility concerning a contract with the person or business (except a non-discretionary contract with a regulated public utility).
- (c) Significant participation means direct administrative or operating authority to approve, disapprove, or otherwise decide government action with respect to a specific matter, whether the authority is intermediate or final, exercisable alone or with others, and exercised personally or through subordinates. It ordinarily does not include program or legislative oversight, or budget preparation, review, or adoption.

Sec. 19A-14. Misuse of prestige of office; harassment; improper influence.

- (a) A public employee must not intentionally use the prestige of office for private gain or the gain of another. Performing usual and customary constituent services, without additional compensation, is not prohibited by this subsection.

- (b) Unless expressly authorized by the Chief Administrative Officer, a person must not use an official County or agency title or insignia in connection with any private enterprise.
- (c) A public employee must not use any County agency facility, property, or work time for personal use or for the use of another person, unless the use is:

- (d)
 - (1) A public employee must not appoint, hire, or advocate the advancement of a relative to a position that is under the jurisdiction or control of the public employee.

 - (A) would exercise jurisdiction or control over the position; and
 - (B) advocates the relative's employment.
- (e) A public employee must not intimidate, threaten, coerce or discriminate against any person for the purpose of interfering with that person's freedom to engage in political activity.
- (f) A person must not influence or attempt to influence a public employee to violate this Chapter.
- (g)
 - (1) A public employee must not with respect to a particular matter represent another person, or provide advice to another person that would qualify as an expert opinion in a court, if:
 - (A) a County agency or the County is a party to the matter and the person being assisted has a position adverse to the County agency or the County; or
 - (B) the County agency or the County has a direct and substantial interest in the matter that is adverse to the interests of the person being assisted.
 - (2) This subsection does not apply to a public employee who renders assistance to:
 - (A) another public employee if the matter involves a personnel action;

Sec. 19A-15. Disclosure of confidential information; ex parte communications.

- (a) Except when authorized by law, a public employee or former public employee must not disclose confidential information relating to or maintained by a County agency that is not available to the public. A public employee or former public employee must not use confidential information for personal gain or the gain of another. - (b) A public employee must not consider any ex parte or private communication regarding any matter that must be decided on the basis of a record after giving interested parties an opportunity for a hearing. The recipient must incorporate any ex parte or private communication in the record. If the communication was oral, the recipient must write down the substance of the communication and enter it into the record. The decision-making body may consider ex parte or private communications if all parties are given an appropriate opportunity to respond. This subsection does not apply to:
 - (1) advice rendered by an attorney for the County;
 - (2) advice rendered by appropriate officials or staff of County or other government agencies; and
 - (3) discussions between members of a decision-making body.

 - (4) for the employee's own benefit, unless the Ethics Commission approves the solicitation; or
 - (5) with the intent of affecting or offering to affect any action by a County agency.
- (b) However, a public employee may solicit a gift:
 - (1) from public employees during official work hours, or at a County agency, for a charitable drive that is approved by the County Executive or (for public employees of the legislative branch) the President of the Council, when the solicitation is part of the public employee's official duties;
 - (2) from any person to a charitable organization, as defined in the state law regulating public charities, or a municipality, if the public employee does not solicit gifts primarily from those persons who do business with or are regulated by the county agency with which the public employee is affiliated, or from other employees who are supervised directly or indirectly by the public employee;
 - (3) from any person, during official work hours, while identifiable as a public employee, or at a County agency, for the benefit of a County agency or a nonprofit organization formally cooperating on a program with a County agency if the solicitation is authorized by the County Executive or (for public employees of the legislative branch) the President of the Council in an order printed in the County Register that designates:
 - (A) the public employee authorized to solicit the gift;
 - (B) the purpose for which the gift is sought;
 - (C) the manner in which the gift may be solicited;

- (d) Subsection (c) does not apply to:
 - (1) meals and beverages under \$50 per event or a higher amount, not to exceed \$100, that the Commission sets;

APPENDIX D, ADMINISTRATIVE PROCEDURES ACT MONTGOMERY COUNTY CODE, CHAPTER 2A

ARTICLE I. APPEALS FROM ADMINISTRATIVE AGENCIES.

Sec. 2A-1. Declaration of policy and legislative intent.

It is hereby declared to be the policy of Montgomery County, Maryland, to provide for and ensure the realization of administrative due process with respect to specified appeals and contested matters which are subject to hearings before enumerated boards, commissions, offices and other administrative agencies performing quasi-judicial functions; and to provide where feasible, uniformity in procedures and regulations governing the processing of administrative appeals and other matters which require administrative and/or quasi-judicial hearings. It is the intent of the County Council to protect those legal rights afforded to affected parties who utilize and are subject to the administrative hearing processes established by the laws and ordinances of the County.

Sec. 2A-2. Applicability.

This Chapter governs the following administrative appeals and proceedings and applies equally when a hearing is conducted by a hearing examiner or another designated official.

- (b) The provisions of this article are not intended to confer different or additional powers or jurisdiction on hearing authorities governed hereby; in this regard, this article shall be construed to be procedural rather than substantive.
- (c) The provisions set forth herein shall prevail over any agency rule of procedure and in the event of conflict, the latter shall be amended to conform with this article; provided, however, that nothing herein shall be construed to limit or restrict a hearing authority from adopting additional rules of procedure as will implement this article and the substantive provisions under which it operates so long as they are not in conflict with this article.
- (d) No action taken hereunder shall be declared invalid on the basis of procedural irregularities absent a finding of a denial of substantive due process. Substantial compliance with this article shall be sufficient.

QUANTITATIVE EVALUATION SYSTEM III

(QES III)

ADMINISTRATIVE MANUAL

I. INTRODUCTION

This manual for administering Montgomery County Government's Quantitative · Evaluation System III (QES III) sets forth procedures for applying the system, and provides the factor level definitions, guides, applications, factor points, and point-to-grade conversion table. The manual is intended to serve as an operational guide for the Office of Human Resources staff, and for others who may require or desire a detailed understanding of the system and how it is applied.

The QES III is a quantitative, point-factor job evaluation system for determining the grade of occupational classes. The system contains ten factors; nine factors are common to all jobs and one is used to measure supervisory responsibilities. Each factor is divided into levels which define the various degrees of the factor. Points are assigned to each level, which increase in value for successively higher levels of the factor. Classes are evaluated by determining the level of each factor appropriate to the class, recording the corresponding point value, and adding all points to arrive at a total point value for the class. The total point value is converted to a grade in a salary schedule by referring to a Point-to-Grade Conversion Table.

The County Government's original QES was developed in 1980 by Hallcrest-Craver, Incorporated. In 1986, in response to pay equity concerns, the consulting firm of Hubbard & Revo-Cohen, Incorporated, was hired by the County to conduct a diagnostic study of QES and recommend revisions and improvements to the system. As a result of the diagnostic study, the County Executive directed in May, 1986, that a Senior Management Job Evaluation Task Force and an Employee Job Evaluation Task Force review the Consultants' recommendations and make appropriate modifications to QES; some additional modifications were later suggested by the consultants. As a result, QES was revised to incorporate these recommendations and was approved by the Chief Administrative Officer for application by a consultant to the County's occupational classes. After completion of this effort, further revisions to the system were made at the recommendation of the consultant.

Principal modifications made in 1986 to the original QES which resulted in QES II included the following:

- A new job evaluation factor - Public Service/Assistance - has been added to recognize and credit direct "hands-on" care or assistance to members of the public, who may be called "clients." The Contacts factor was then revised to distinguish the differences between these two factors and ensure against double-crediting. (Specifically, credit for interactions with others which are of a similar nature, purpose and level may only be credited under one factor- either Contacts or Public Service/Assistance.
- Revision to the Working Conditions (Working Environment and Hazards) and Physical
- Demands factors to provide varying credit for occasional occurrence of the factor (greater than 25% of the time but less than 50% of the time) and recurring occurrence of the factor (50% or more of the time);
 - Revision to language of Working Conditions (Working Environment and Hazards) and Physical Demands factors to recognize previously unspecified job characteristics of female-dominated classes. For example:
 - Working Environment includes reference to exposure to human/animal waste or bodily fluids and the requirement to respond to life-threatening emergencies;
 - Hazards includes reference to abusive, aggressive and unpredictable behavior from clients or the public and exposure to contagious disease;
 - Physical Demands credits physical dexterity, including fine-finger movement required in production-oriented operation of keyboard devices.
- Revision to the Supervision Exercised factor to credit supervision of two or more regularly scheduled full-time workers or the equivalent.

As a result, QES II met the needs of Montgomery County Government for a single, bias- free job evaluation system that could be applied fairly to all of the County Government's merit system occupational classes. To help achieve this objective, the factors and definitions were carefully designed to eliminate, to the extent possible, ambiguity and potential bias in it language and terms. As a further aid, each factor level definition was accompanied by guide and application statements that explained or illustrated how the factor was to be applied.

In 2004, the Office of Human Resources determined that QES II needed to be reviewed and updated. A consulting firm, Analytic Solutions, was hired to conduct this review and to develop QES III. This revision of QES II is intended to bring the system up to date by addressing obsolete references and terms, and to enhance its usefulness by removing ambiguities, sharpening its concepts and language, and to improve its internal structure by ensuring that factor concepts progress logically from level to level. No change has been made in the point values assigned to the factors or in the Point to Grade Conversion Table. Careful checking of the revised factor definitions has found no change in the way they have been applied in the past, thus ensuring that its continued use will bring the same valid and reliable results.

Job evaluation is not an exact science. QES III is an evaluation tool that provides a systematic guide to judgment, but it is no substitute for thorough job knowledge and job analysis by trained evaluators who have both good job documentation and knowledge of a wide variety of occupational groups. To the extent that the system produces results which are accepted as reasonable and sound, the system may be said to be valid. To the extent that the system produces consistent results in the hands of different evaluators who are trained job analysts, at different times, it will be reliable. This manual provides instructions and guides to help ensure that these objectives will be achieved.

A. COVERAGE

QES III is applied to merit system classes in the Montgomery County Government which are subject to the classification authority of the Chief Administrative Officer. Some classes or individual positions may be exempt from coverage in accordance with provisions of the County Charter, Merit System

Law and Personnel Regulations, or collective bargaining agreements.

B. AUTHORITY

The adoption and implementation of QES III is authorized by Section 9-3(C) of the Personnel Regulations.

C. RESPONSIBILITY

Responsibility for administering QES III has been delegated to the Director, Office of Human Resources.

II. CLASSIFICATION PROCESS

The classification process consists of the following two separate activities:

1. The evaluation of occupational classes and their assignment to pay grades on a salary schedule, which is accomplished through application of the quantitative job evaluation system as part of the occupational class study process or when a new occupational class is established; and
2. The assignment or classification of individual positions to occupational classes, including new positions, which is accomplished through individual position classification studies and reference to class specifications. QES (all versions) is not designed for and is not used for individual position evaluations.

The following classification terms should be understood and properly applied to ensure correct results with the system:

Position A position is a set of duties and responsibilities assigned or delegated by management to be performed by one individual.

Occupational Class A class is a single stand-alone position, or two or more positions, which are similar with respect to the nature and level of duties and responsibilities. Wherever possible, the classification plan attempts to

define broad "generic" classes, to facilitate recruitment and employee mobility.

Occupational Series	<p>A series consists of two or more classes similar as to type of work performed, but differing as to level of difficulty and responsibility. The different levels within an occupational series constitute the normal lines of promotion within an occupation, including proficiency levels, which are provided as learning and developmental classes leading to a full-performance level.</p>
Grade	<p>A grade designates a salary range on a County Government salary schedule which applies to classes of positions. Although different with respect to kinds of work, classes assigned to the same grade are considered equivalent in value as determined by their evaluations under QES III.</p>
Job Analysis	<p>Job analysis is the systematic study of a position or class. When applied to position classification, job analysis is concerned with a position's duties and responsibilities, reporting relationships, skill requirements, working conditions, and other elements that govern its allocation to a particular class. It involves the collection and comparative analysis of facts about positions to identify their principal characteristics. When these meet existing classification standards (class specifications), positions are allocated to established classes in the organization's classification plan, taking the titles and salary grades established for other positions in the same classes.</p>

When a position does not fit an established class, a new class is created; new classes must be evaluated using QES III to determine their salary grades.

When applied to the process of evaluation of an occupational class, job analysis is concerned with comparing the work of a class to the criteria established for determining the relative value of classes. It involves the application of defined evaluation factors to discrete elements or aspects of the work. The factor levels that match most closely are assigned to the class and the individual factor levels totaled to obtain a total point score for the class. This score provides an objective measure of the value of each class, which can then be converted to a salary grade using an approved point-to-grade conversion table.

Class Specification

Class specifications are written statements describing the duties, responsibilities, and qualification requirements of a class of positions. They establish a single title to be used for all positions in the class, define the principal characteristics of the work, provide examples of duties, list the knowledges, skills and abilities required to perform the work, and state the minimum qualifications for initial appointment or promotion to positions in the class.

Similar to previous versions of QES, QES III is designed to evaluate the skill, effort, responsibility and working conditions of occupational classes and results in the assignment of those classes to grades on a salary schedule. The ten factors of QES III (unchanged from QES II) are:

1. Knowledge Required
2. Supervisory Controls
3. Guidelines
4. Complexity
5. Scope and Effect
6. Contacts
7. Public Service/Assistance
8. Working Conditions
 - A. Working Environment
 - B. Hazards
9. Physical Demands
10. Supervision Exercised
 - A. Nature of Work Direction
 - B. Personnel Authority
 - C. Number Supervised

Definitions describing the various levels for each of the factors follow later in this manual.

Accompanying the factor level definitions is guide material describing the intent of each factor definition and examples of specific applications to different kinds of work.

III PROCEDURES FOR EVALUATION OF OCCUPATIONAL CLASSES

A. OBTAINING PROPER DOCUMENTATION OF FACTOR DATA

Current and accurate data on each of the job evaluation factors must be obtained before a class can be evaluated. For most purposes, data can be in the form of a current class specification and/or other written documentation of the work performed. In addition, information obtained from audits and supervisory interviews, organization charts, functional statements, and other pertinent sources such as budget documents is consulted during the evaluation.

B. DETERMINING PRIMARY AND SUBSTANTIAL DUTY

The *primary duty* is defined as those tasks, duties and activities which together

constitute an identifiable assignment that represents at least 50% of the work in a class. The primary duty is the normal basis for evaluation. *Substantial duty* is defined as an assignment which comprises at least 25% of the work of a class. Such assignments may be considered as the basis for evaluation when such duties are paramount in influence and weight, are regularly assigned on a reasonably frequent basis, and are not of an emergency, incidental, or temporary nature.

C. ASSIGNING FACTOR LEVELS

As stated above, the primary and substantial duties of each occupational class are the basis for the QES III evaluation. Each of the factors is evaluated separately. When there is variation within a class with respect to duties, responsibilities, working conditions, or other requirements of the class, the factor level that best evaluates the work of the class is awarded.

A factor level awarded must be fully equivalent to the overall intent of the definition. The guide and application material that accompanies the factor level definitions aids in discerning the overall intent of that factor level and in distinguishing between factor levels. A factor must be present in a class on a regular and recurring basis in order to be credited; however, in unusual cases a factor level is an absolute and recurring requirement of the job which is documented in the class specification and/or is a bona fide occupational qualification for recruitment. In such cases, the factor level award may be made regardless of the time spent in the activity.

D. DETERMINING FREQUENCY

Frequency of occurrence must be determined for the following factors: Factor 8: Working Conditions (both subfactors 8A and 8B) Factor 9: Physical Demands
Frequency of occurrence refers to actual occurrence of the work characteristic or requirement and is determined as follows:

Regularly Recurring

The factor is present in the work at least 50 percent of the work time (based

on an 8-hour work day, 40-hour work week). Regularly may mean hourly, daily, or weekly; it implies sustained action, or actions repeated at frequent intervals.

Occasionally Recurring

The factor is present in the work at least 25 percent but less than 50 percent of the work time (based on an 8-hour work day, 40-hour work week). It may occur periodically such as monthly, quarterly, or annually, or at irregular intervals. Note, however, that in unusual cases, if the factor is an absolute and recurring requirement of the job which is documented in the class specification, and/or is a bona fide occupational qualification for recruitment, "occasional" credit may be given regardless of the time spent.

The letters "R" and "O" are used to designate the respective point values for Regularly Recurring and Occasionally Recurring.

E. EVALUATING SUPERVISORY RESPONSIBILITIES

The Supervision Exercised factor is designed to avoid overlap with other factors, particularly Guidelines, Complexity, and Scope and Effect. Consequently, the definitions must be interpreted carefully to ensure that only the defined aspects of supervision are evaluated. Credit for policies and procedures, complexity of work, and its scope and effect, are recognized under other factors.

The Supervision Exercised factor is divided into three subfactors: Nature of Work Direction, Personnel Authority, and Number Supervised. This factor is applied to classes the majority of whose positions have supervisory responsibility for 2 or more regularly scheduled full-time workers or the equivalent.

1. Regularly Assigned Duties

Positions in a supervisory class must regularly be assigned supervisory responsibilities on a continuing basis, as distinct from

project leaders who head temporary groups formed to perform a specific assignment of limited duration.

2. "People" Supervision Distinguished from Functional Supervision

The Supervision Exercised factor may only be applied to classes which directly supervise the work of other regularly assigned workers. Classes of positions which have responsibility for the proper operation of a process, procedure, system, or function, or for work of contractors, are considered to have functional supervision. Functional supervision is carried out through such activities as designing, monitoring, and reviewing, rather than directly supervising the performance of work. This type of supervision is recognized under the factors of Complexity and Scope and Effect, and does not constitute supervision of employees.

3. Crediting Supervision Exercised for Deputies and Full Assistants

Deputies to department heads and full assistants who share in supervising the entire work effort of the organization receive supervisory credit as follows:

- 1) Deputies to department heads receive level four of Work Direction.
- 2) Deputies and full assistants receive level three of Personnel Authority. Level four of this subfactor is reserved for department or agency heads, who have final authority and responsibility for personnel actions affecting their employees.

F. ASSIGNING POINT VALUES

Only the specific point values provided for each factor level may be used. Partial values, such as one-third, one-half, etc., may not be used in an attempt to give partial credit for a factor. The factor must be "fully equivalent" to the overall intent of the factor definition; this precludes the award of partial credit and thus the use of any partial point values.

G. POINT-TO-GRADE CONVERSION TABLE

The following table is used to convert total evaluation points for a class into County pay grades.

IV. QUANTITATIVE EVALUATION SYSTEM III - DEFINITIONS

The Factor-Point Table (unchanged from QES II) and the detailed factor and level definitions for this revised version of the Montgomery County Government's QES (QES III) are

presented on the following pages. Also presented are guides and illustrative applications for the different levels of each factor.

QES III

FACTOR DEFINITIONS, GUIDES AND APPLICATIONS

FACTOR 1: KNOWLEDGE REQUIRED

This factor measures the nature and extent of information or facts, or grasp of a field of work (e.g., steps, procedures, practices, rules, policies, theories, principles and concepts) and the nature and extent of the skills needed to apply those knowledges. Knowledge may be acquired through formal education, self-study or experience. To be awarded a level under this factor, a knowledge, skill and ability must actually be required and applied in the work.

FACTOR 2: SUPERVISORY CONTROLS

This factor covers the nature and extent of direct or indirect controls exercised by the supervisor, the employee's responsibility, and the review of work. Controls are exercised by the supervisor in the way assignments are made, instructions are given to the employee, priorities and deadlines are set, and objectives and boundaries are defined. Responsibility of the employee depends upon the extent to which the employee is expected to develop the sequence and timing of various aspects of the work, to modify or recommend modification of instructions, and to participate in establishing priorities and defining objectives. The degree of review of completed work depends upon the nature and extent of the review-- e.g., close and detailed review of each phase of the assignment; detailed review of the finished assignment; spot-check of finished work for accuracy; or review only for adherence to policy.

Level (Points)	Definitions	Guide/Application
1 (75)	The supervisor makes specific assignments, issuing clear, detailed, and specific instructions. The employee works as instructed and consults with the supervisor as needed on all matters not specifically covered in the original instructions. For all positions, the work is closely controlled. For some positions, the control is through the structured nature of work itself; for others, it may be controlled by the circumstances in which it is performed. In some situations, the supervisor maintains control through review of the work which may include checking progress or reviewing completed work for accuracy, adequacy, and adherence to instructions and established procedures.	<p>Guide Intended to cover learner and trainee situations in office support, technical, and labor and trades classes where assignments are given primarily for the purpose of introducing the worker to the basic aspects of the work. Specific instructions are provided for each task and operation to be performed, and the worker has little or no responsibility to determine the sequence of work.</p> <p>The work is reviewed in detail or the work process contains inherent controls which effectively prevent inaccurate or unacceptable work from being performed. In such cases, review may be intermittent and in some situations, may actually be some distance removed from the work site.</p> <p>Application Trainee, apprentice, and learner classes in office support, technical, and labor and trades classes in which the work is closely controlled.</p>
2 (90)	The supervisor provides continuing or individual assignments by indicating generally what is to be done, limitations, and quality and quantity expected, deadlines, and priority of assignments. The supervisor provides additional, specific instructions for new, difficult, or unusual assignments including suggested methods or advice on source material available. The employee uses initiative in carrying out recurring assignments independently without specific instruction, but refers deviations, problems, and unfamiliar situations not covered by instructions to the supervisor for decision or help. The supervisor assures that finished work and methods used are technically accurate and in compliance with instructions or established procedures. Review of the work increases with more difficult assignments if the employee has not previously performed similar assignments.	<p>Guide Intended to cover recurring work in which the sequence of work and methods are set, OR varying work assigned by an employee's supervisor who furnishes specific guidance and instructions concerning work methods and procedures to be used, time frames for completion of work steps, and scope and limitations of new and continuing assignments.</p> <p>The work is reviewed to ensure that results are accurate and that procedures used are correct.</p> <p>Application Classes covering experienced workers in technical and labor and trades areas, and learners in professional and administrative classes, in which the worker has immediate access to a supervisor or a senior worker for guidance, or the sequence of work and methods used are usually determined by a supervisor or the work process.</p>

FACTOR 2: SUPERVISORY CONTROLS (Continued)

Level (Points)	Definitions	Guide/Application
3 (115)	<p>The supervisor makes assignments by defining objectives, priorities, and deadlines; and assists employee with unusual situations which do not have clear precedents. The employee plans and carries out the successive steps and handles problems and deviations in the work assignment in accordance with instructions, policies, previous training, or accepted practices in the occupation. Completed work is usually evaluated for technical soundness, appropriateness, and conformity to policy and other requirements. The methods used in arriving at the end results are not usually reviewed in detail.</p>	<p>Guide</p> <p>Intended to cover situations in which workers who are proficient in the work proceed on their own to plan daily and ongoing work effort, independently arranging the sequence of work; obtaining needed materials or supplies, data or information; and selecting appropriate methods and procedures and varying these as necessary to treat different situations. Unusual and non-standard matters which do not have clear precedent are referred to supervisors or a senior worker. At this level, the worker has significant control over how the work is performed.</p> <p>Completed work is often subject to internal or external checks and is reviewed in terms of accuracy and acceptability. Some work efforts cannot be reviewed in the conventional sense such as service, advice, and counseling, but the techniques, methods and approaches used would normally be reviewed for conformity to policy and established requirements.</p> <p>Application</p> <p>Trained and experienced workers in all fields carrying out standard assignments, such as:</p> <p>Procurement Specialists who plan and carry out all steps needed to purchase goods and services for the County, which involves planning and carrying out information gathering and analysis activities that include consideration and application of County policies, procedures and regulations, and whose work is reviewed to ensure conformance with County policies and regulations;</p> <p>A Code Enforcement inspector who plans and conducts daily inspections, issues violation notices and citations in accordance with strict codes and regulations, and whose findings and written reports are reviewed for technical adequacy;</p> <p>A Nurse who assesses, plans and implements direct care to clients in accordance with established laws and community health nursing standards.</p>

FACTOR 2: SUPERVISORY CONTROLS (Continued)

Level (Points)	Definitions	Guide/Application
4 (150)	Overall objectives and resources available are set. The employee alone, or in consultation with the supervisor, develops the deadlines and work to be done. At this level, the employee having developed expertise in the line of work, is responsible for planning and carrying out the assignment, resolving most of the conflicts which arise, coordinating the work with others as necessary, and interpreting policy on own initiative in terms of established objectives. In most assignments, the employee determines the approach to be taken and the methodology to be used. The employee keeps the supervisor informed of progress, potentially controversial matters, or far-reaching implications. Completed work is reviewed only from an overall standpoint in terms of feasibility, compatibility with other work or effectiveness in meeting requirements or expected results.	<p>Guide</p> <p>Intended to cover situations in which workers (who have full technical responsibility for the work) independently determine and carry out all necessary steps to complete assignments, which often are long-term projects (2-3 months), subject to available resources and agreed-upon deadlines. This typically involves planning the work effort, identifying potential problems, resolving problems, coordinating with others outside the work unit, and determining the methods, procedures or approaches to be used. The worker effectively has full control over how the work is performed. Results of the work, such as recommendations, completed plans, products or services, are reviewed in terms of effectiveness in meeting objectives</p> <p>Application</p> <p>Senior workers in all fields who have full technical responsibility for the work and who are frequently given long term assignments and projects or the most difficult work.</p>
5 (200)	Assignments are stated in terms of broadly defined missions or functions; work is normally performed under administrative direction with little or no technical guidance available. The employee is responsible for planning, designing, and carrying out the work independently. Results of the work are considered technically authoritative and are normally accepted without significant change. If the work should be reviewed, the review concerns such matters as fulfillment of program objectives, effect of advice and influence on the overall program, or the contribution to the field. Recommendations for new projects and alteration of objectives are usually evaluated for such considerations as availability of funds and other resources, broad program goals or priorities.	<p>Guide</p> <p>Intended to cover situations in which workers, who have responsibility for broad programs, functions or activities, have full and final responsibility for the work effort. This typically involves determining all matters associated with completing work assignments, including what is to be done as well as how it is to be performed. The work product or service is evaluated in terms of meeting broad program goals.</p> <p>Application</p> <p>Managers of broad programs and functions who are responsible to administrative heads; or professionals who provide technically authoritative advice, such as physicians, psychiatrists and attorneys.</p>

FACTOR 3: GUIDELINES

This factor covers the nature of guidelines, the judgment needed to apply them, and the authority to depart from and to adopt guides. Guides include desk manuals, established procedures and policies, traditional practices, and reference materials such as dictionaries, style manuals, and engineering handbooks.

Individual jobs in different occupations vary in the specificity, applicability, and availability of the guidelines for performance of assignments. Consequently, the constraints and judgmental demands placed upon employees also vary. For example, the existence of specific instructions, procedures and policies may limit the opportunity of the employee to make or to recommend decisions or actions. However, in the absence of procedures or under broadly stated objectives, employees in some occupations may use considerable judgment in researching and developing new methods.

Guidelines should not be confused with the knowledges described under Factor 1. Guidelines either provide reference data or impose certain constraints on the use of knowledges. For example, in the field of engineering, for a particular design application, there may be three or four standard approaches set forth in a technical manual. An engineer is expected to know these approaches. However, in a given environment, the policy may be to use only one of the approaches, or the policy may state specifically under what conditions which approach may be used.

Level (Points)	Definitions	Guide/Application
1 (75)	Specific, detailed guidelines covering all important aspects of the assignment are provided to the employee. The employee works in strict adherence to the guidelines; deviations must be authorized by the supervisor.	<p>Guide</p> <p>Intended to cover work that follows set procedures allowing no choice by the employee on how the work is performed. Procedures may be in the form of written guides or instructions, or learned, but cannot be deviated from without prior approval.</p> <p>Application</p> <p>Work that follows prescribed procedures or rules, such as:</p> <p>Mail and file clerks, and persons who work closely with others as learners, trainees or assistants;</p> <p>Operators of equipment that requires strict observance of operating instructions;</p> <p>Routine maintenance workers following procedures and methods that are clearly indicated.</p>

FACTOR 3: GUIDELINES (Continued)

Level (Points)	Definitions	Guide/Application
2 (90)	Procedures for doing the work have been established and specific guidelines are available. The employee uses judgment in locating, selecting, and applying the appropriate guidelines, references, and procedures to specific cases. Significant, proposed deviations or situations to which existing guidelines cannot be applied typically are referred to the supervisor. At this level the employee may also determine which of several authorized alternatives to use.	<p>Guide</p> <p>Intended to cover work that is performed according to several different procedures and guides, which must be known (or referenced) by the employee. The employee selects and applies the appropriate law, rule, regulation, policy, procedure or method to varying situations or cases encountered in the work.</p> <p>Application</p> <p>Work that consists of varied situations requiring the application of different procedures or methods, such as:</p> <p>Office workers who utilize office productivity software to produce a variety of documents in different formats;</p> <p>Equipment operators who adjust equipment, or use different pieces of equipment, to work on different items;</p> <p>Paraprofessionals in accounting who utilize different procedures depending on the nature of the transaction or account;</p> <p>Persons who enforce or apply a variety of laws or regulations; Maintenance work consisting of different types of problems or repairs.</p>

FACTOR 3: GUIDELINES (Continued)

Level (Points)	Definitions	Guide/Application
3 (115)	Guidelines are normally available, but are not completely applicable to the work or do not cover new or unusual situations encountered in the work. The employee uses ingenuity and resourcefulness to modify, adapt, or deviate from existing guides (such as precedents, conventional methods and procedures, and normal practices). The employee analyzes results and recommends changes.	<p>Guide</p> <p>Intended to cover work that consists of situations or cases which are unusual or out of the ordinary and do not fit existing guides. The employee is required to handle such situations by modifying procedures or adopting different approaches or methods.</p> <p>Employees recommend changes to existing guides based on a review of cases or experience.</p> <p>Application</p> <p>Work that deals with unusual, nonstandard situations and in which the employee is authorized to deviate from existing guides to resolve matters, such as:</p> <p>Accountants who decide on how to treat nonstandard entries or transactions;</p> <p>Office workers who identify ways to utilize technology to improve the efficiency and effectiveness of office operations;</p> <p>Workers who identify and implement new ways to repair electrical, electronic or mechanical malfunctions;</p> <p>Budget analysts who develop alternative methods of analysis to handle unusual or new situations;</p> <p>Security supervisors who develop new procedures and policies for monitoring program performance.</p>

FACTOR 3: GUIDELINES (Continued)

Level (Points)	Definitions	Guide/Application
4 (150)	Administrative policies and precedents are applicable but are stated in general terms. Guidelines for performing the work are scarce or of limited use. The employee uses initiative and resourcefulness in deviating from traditional methods or researching trends and patterns to develop new methods or criteria, or to propose new policies.	<p>Guide</p> <p>Intended to cover work that is performed within an established framework of existing guides which apply generally to the work, but which do not cover specifically most of the substantive, technical or operational processes involved. The employee, through research, analysis or own knowledge, devises appropriate guides (such as new approaches, methods or procedures) to be used by the employee (and others) in the work.</p> <p>Application</p> <p>Work that deals with new or changing situations for which the employee is responsible for developing and applying appropriate guides, such as:</p> <p>Legislative staff professionals engaged in policy development concerning a variety of issues before the County Council;</p> <p>Supervisors of programs subject to changing requirements or new technologies;</p> <p>Workers engaged in highly creative efforts to develop new standards, policies, procedures or methods.</p>
5 (200)	Guidelines are broadly stated (e.g., broad public policy statements or basic legislation) and require extensive interpretation. The employee uses considerable judgment to interpret the intent of the guides and to develop specific directives, rules, regulations, policies, and procedures for application to the work. The employee is recognized as the technical authority on the interpretation of guides in highly unusual cases.	<p>Guide</p> <p>Intended to cover work that is subject only to very general or broad guides. The employee is granted full latitude to interpret and to develop specific rules, regulations, policies and procedures to apply to the work or to develop specific strategies to accomplish complex work assignments.</p> <p>Application</p> <p>Work encompassing a program, function, or activity operated under general laws or policies which require the employee to develop all or most of the policies, rules, and procedures covering the work; advanced analytical work in legislative policy development and implementation; advanced analytical work in information technology that results in new procedures, methods, and/or policies that affect how work is done in many County Departments.</p>

FACTOR 4: COMPLEXITY

This factor covers the nature, number, variety and intricacy of tasks, steps, processes or methods in the work performed; the difficulty in identifying what needs to be done; and the difficulty and originality involved in performing the work.

Level (Points)	Definitions	Guide/Application
1 (240)	The work consists of tasks that are clear cut and directly related. There are few if any choices to be made in deciding what needs to be done. Actions to be taken or responses to be made are readily discernible.	<p>Guidelines Intended to cover work in which the employee recognizes what is to be done through simple observation of readily apparent situations.</p> <p>Application Work that consists of a few, clearly related steps such as:</p> <p>Filing materials by date or reference code;</p> <p>Producing typed materials such as form letters, registration cards or short correspondence;</p> <p>Cleaning buildings or grounds.</p>
2 (290)	The work consists of duties involving related steps, processes or methods. The decision regarding what needs to be done involves various choices requiring the employee to recognize the existence of and differences among a few easily recognizable situations. Actions to be taken or responses to be made differ depending on the source of information, the kind of transactions or entries, or other differences of a factual nature.	<p>Guide Intended to cover work in which the worker, through training or prior experience, recognizes the meaning of readily apparent differences in situations and acts accordingly.</p> <p>Application Work that consists of several related steps, processes and methods, and which requires the employee to vary responses or actions, according to differences in the work, such as:</p> <p>Workers who check and verify data on forms, select appropriate applications and formats to produce different types of documents and identify and correct spelling and grammatical errors;</p> <p>Security officers who monitor facilities using surveillance equipment to identify security breaches and determine appropriate courses of action;</p> <p>Workers who operate machines and equipment that require close attention and adjustment, such as offset presses and chainsaws;</p> <p>Maintenance workers who repair defects or malfunctions that are readily found.</p>

FACTOR 4: COMPLEXITY (Continued)

Level (Points)	Definitions	Guide/Application
3 (365)	<p>The work consists of duties involving a variety of processes and methods. The decision regarding what needs to be done depends on analysis of the subject, or issues involved in each assignment, and the chosen course of action may have to be selected from many alternatives.</p> <p>The work involves conditions and elements that must be identified and analyzed to discern interrelationships.</p>	<p>Guide</p> <p>Intended to cover work requiring analysis. Analysis assumes that the meaning, significance or interrelationships among data, situations or conditions are not clear, but must be identified through some systematic analytical procedure, such as: (1) assembling and categorizing facts or information; (2) examining the facts or information to ascertain their significance or meaning; and (3) determining what action to take.</p> <p>Application</p> <p>Work that involves problem-solving, planning and organizing, or making decisions after considering several factors, such as:</p> <p>Planning and organizing office support services for a large organization;</p> <p>Maintaining a system of accounts (or parts thereof) and preparing reports and statements describing the condition of accounts;</p> <p>Preparing plans, maps and drawings from survey notes, photos or sketches.</p>

Decisions regarding what needs to be done include the assessment of unusual circumstances, variations in approach, and Incomplete or conflicting data. The work requires making many decisions concerning such things as interpreting of considerable data, planning of the work, or devising the methods and techniques to be used.</p>	<p>Guide</p> <p>Intended to cover work that consists of analysis and assessment of unusual or nonstandard matters or of data that is incomplete or contradictory. The employee decides what course to follow after considering the results of analysis (which is frequently only partial) and weighing the issues, factors or circumstances involved.</p> <p>Application</p> <p>Work that involves resolving unusual problems which conventional analysis only partially solves and which typically requires different analytical approaches to identify various alternatives, such as:</p> <p>Management and organization analysis to identify and recommend changes to improve productivity and design new work systems;</p> <p>Analysis and assessment of accounting practices in organizations in which there are unusual or highly variable accounting issues;</p> <p>Design of structures to control drainage; Management and delivery of library services;</p> <ul style="list-style-type: none"> • Provision of direct psychiatric/mental health nursing services; <p>Analytical work in support of the development and implementation of legislation concerning a range of issues.</p>

FACTOR 4: COMPLEXITY (Continued)

Level (Points)	Definitions	Guide/Application
5 (605)	The work consists of varied duties applied to a broad range of activities, including new and untried aspects, or requiring substantial depth of analysis, in an administrative or professional field. Decisions regarding what needs to be done involve major areas of uncertainty in approach, methodology, or interpretation and evaluation resulting from such elements as continuing changes in program technological development, unknown phenomena, or conflicting requirements. The work requires originating new techniques, establishing criteria, or developing new information.	<p>Guide Intended to cover work that consists of either a broad range of activities or a highly specialized area. The work is characterized by uncertain facts, data or information, rapid change, conflicting requirements or similar conditions. The employee must consider a broad range of issues, factors or circumstances whose importance and interrelationships are difficult to ascertain and assess; or must apply extensive forms of analysis combined with seasoned judgment to make decisions.</p> <p>Application Highly analytical work requiring the use of new techniques; work requiring consideration of a broad range of issues or requiring the use of technical analysis and judgment or the development of new information or criteria, such as:</p> <p>Directing accounting, auditing or revenue programs;</p> <p>Providing specialized psychological counseling to severely troubled individuals; Handling legal matters where the facts, issues and precedents are not clear; Developing and guiding through the political process legislation concerning a wide range of complex and sensitive issues;</p> <p>Developing, establishing, and maintaining materials standards for major County construction projects.</p>
6 (800)	The work consists of broad functions and processes of an administrative or professional field. Assignments are characterized by breadth and intensity of effort and involve several phases being pursued with the support of others within or outside the organization. Decisions regarding what needs to be done include largely undefined issues and elements, requiring extensive probing and analysis to determine the nature and scope of the problems. The work requires continuing effort to establish concepts, theories, or programs, or to resolve very complex problems.	<p>Guide Intended to cover work that consists of broad functions, programs or services which require extensive planning and coordination; and which require consideration of a very wide range of factors, issues, circumstances and elements to decide on courses of action.</p> <p>Application Work involving planning, coordination, and direction of broad County programs and functions;</p> <p>OR</p> <p>The performance of highly specialized work in resolving problems that are unprecedented or novel, such as directing County medical programs; providing expert analysis and recommendations concerning new IT technologies.</p>

FACTOR 5: SCOPE AND EFFECT

This factor covers the purpose, breadth and depth of the assignment, and the effect of work products or services both within and outside the organization.

"Effect" measures such things as whether the work output facilitates the work of others, provides timely services of a personal nature, or impacts the adequacy of programs. Only the effect of properly performed work is to be considered.

NOTE: Functional supervision OF PROFESSIONAL SERVICES CONTRACTORS is credited under this factor.

Level (Points)	Definition	Guide/Application

Level (Points)	Definition	Guide/Application
1 (0)	Limited public service and assistance to clients and the public is required.	<p>Guide</p> <p>Intended to cover work in which service to the public or immediate one-to-one assistance is limited. Work primarily supports or directs activities of other employees within the organization. This level includes work that may provide some public service, but such service is incidental to the primary purpose of the job; or work involves meeting with citizens or groups, but does not require providing direct public service or assistance on a one-to-one basis for a substantial amount of time.</p> <p>Application</p> <p>Workers who provide only limited public service or assistance such as file clerks, accountants, and mechanics; managers and supervisors whose assigned duties are primarily administrative or managerial and for whom hands-on public service/assistance is incidental to the purpose for which they were hired; program work that requires meeting or dealing frequently with the public to present information or to organize events but does not involve one-to-one assistance.</p>

Intense or difficult inter-personal interaction with clients and client assistance requiring long-term counseling is involved.</p> <p>Application Professional therapeutic counseling to individuals with severe and complex problems which may require considerable follow-up.</p>

NOTE: DETERMINING FREQUENCY: Frequency of occurrence must be determined for the following factors:

o Factor 8: Working Conditions

- Sa: Working Environment
- 8b: Hazards

o Factor 9: Physical Demands

Frequency of occurrence refers to actual occurrence of the work characteristics or requirement and is determined as follows:

Regularly Recurring

The factor is present in the work at least 50 percent of the work time (based on an 8-hour work day, 40-hour work week).

Occasionally Recurring

The factor is present in the work at least 25 percent but less than 50 percent of the work time (based on an 8-hour day, 40-hour work week). It may occur periodically such as monthly, quarterly, or annually, or at irregular intervals. Note, however, that even if the factor is present less than 25 percent of the time, if the factor is inherent in the nature of the work, is an absolute and recurring requirement of the job which is documented in the class specification, and/or is a bona fide occupational qualification for recruitment, "occasionally recurring" credit may be given regardless of the time spent.

The letters "R" and "O" are used in the plan to designate the respective point value of Regularly Recurring and Occasionally Recurring.

FACTOR 8: WORKING CONDITIONS**FACTOR 8A: WORKING ENVIRONMENT**

This factor measures the discomforts or unpleasantness of the work environment. Frequency of occurrence is also considered.

Level (Points)	Definition	Guide/Applications
1 (0)	The work environment involves normal, everyday discomforts or unpleasantness. The work area is adequately lighted, heated and ventilated.	<p>Guide</p> <p>I tended to cover all normal work situations where workers encounter common everyday discomforts or unpleasantness. No special measures are necessary to control environmental conditions.</p> <p>Application</p> <p>Work in such places as offices or meeting rooms; or travel in commercial vehicles such as airplanes, trains or buses.</p>
2 (R=35) (0=25)	The work environment involves minor discomforts or unpleasantness which typically are inherent in the work. Workers readily adjust to such conditions in order to perform their assignments. Conditions include annoying noise; vibrations from the operation of equipment; dust and grease encountered in maintaining and repairing equipment and facilities; exposure to human/animal body waste or body fluids, as when clinic personnel collect urine specimens; working outside in inclement weather; prolonged exposure to media attention, and providing office support services to an organization unit.	<p>Guide</p> <p>Intended to cover situations where workers are subjected to some unpleasantness or discomfort which must be tolerated, or which requires that some care be taken or special measures adopted to deal with conditions.</p> <p>Application</p> <p>Shop or laboratory conditions; work performed outdoors; data entry work; legislative staff work; clerical work in support of several professionals; directing on-site firefighting efforts.</p>
3 (R=45) (0=35)	The work environment involves very disagreeable or unpleasant situations which are inherent in the work. Workers, who must accept such conditions, are often provided some means of ameliorating their effects such as uniforms, special clothing and cleanup facilities. Conditions include work involving exposure to sewage; working with very dirty or greasy equipment; working outside in conditions of high humidity; working in enclosed protective custody or similar environments.	<p>Guide</p> <p>Intended to cover situations where workers are subjected to noticeably unpleasant or discomforting conditions; or work in a correctional or similar facility subject to special security procedures.</p> <p>Application</p> <p>Very dirty shop conditions or work on equipment covered with grease and soil, work in sanitary landfills, or in a correctional facility.</p>
4 (R=60) (0=45)	The work environment involves unusually disagreeable or unpleasant conditions due to the extreme nature of the situations. The conditions are inherent in the work and cannot be avoided. The hazards encountered may result in injuries or disease that typically can be controlled through proper safeguards and/or procedures.	<p>Guide</p> <p>Intended to cover situations in which workers are subjected to some risk. Care is taken or special measures adopted to deal with conditions.</p> <p>Application</p> <p>Work in which the worker may encounter threatening situations by conducting home visits or performing work in similar situations that could present a threat to workers; work requiring use of tools, equipment or machines that may cause injury; work requiring workers to work within close proximity to moving equipment; work requiring exposure to disease or toxic substances; or work directing on-site firefighting efforts or law enforcement efforts.</p>

FACTOR 8 B: WORKING CONDITIONS: HAZARDS (Continued)

Level (Points)	Definition	Guide/Applications

The employee must apply a wide range of safety precautions.	<p>Guide</p> <p>Intended to cover situations which present serious risk to workers. Careful use of safety equipment and special safety precautions are required to minimize possibility of injury.</p> <p>Application</p> <p>Climbing trees; providing security in a correctional facility; "front-line" work in law enforcement or fighting fires.</p>

FACTOR 9: PHYSICAL DEMANDS

This includes physical characteristics and abilities (e.g., specific agility and dexterity requirements) and the physical exertion involved in the work (e.g., climbing, lifting, balancing, stooping, kneeling, crouching, crawling, reaching, using quick and frequent hand/arm and foot/leg movements.) The frequency or intensity of physical exertion is also considered. Lifting and carrying of heavy objects (50 pounds and over) is assumed to be unaided.

Level (Points)	Definition	Guide/Applications
1 (0)	The work requires ordinary physical effort to sit, walk, stand, bend, and reach or to carry light items.	<p>Guide</p> <p>Intended to cover all normal work situations where employees exert ordinary physical effort in carrying out their duties. APPENDIX F - GUIDELINES ON BROADBAND CLASSIFICATION OF MANAGEMENT LEADERSHIP SERVICE POSITIONS

1. Management Leadership Service program elements.

(a) Scope.

- (1) The County's Management Leadership Service (MLS) is a component of the merit system made up of high-level management/staff positions significantly directing and influencing the operation of County departments and agencies. Members of the MLS are key leaders who are responsible for the development and implementation of County policy and the efficient and effective management of County programs and services.
- (2) MLS positions include merit department or agency directors, deputy directors, division chiefs, section chiefs and team leaders, or other very senior staff positions having a comparable effect on County-wide policies and programs.
- (3) Non-merit positions established under the authority of Question A are included in MLS.
- (4) Although not included in MLS, Public Safety Managers are encouraged to participate in MLS training opportunities.

(b) Purpose. MLS is designed to meet the following objectives:

- (1) to improve organizational quality and effectiveness through management development, performance accountability, and appropriate compensation of key senior managers/staff;
- (2) to provide organizational flexibility to respond to emerging needs and provide opportunity for mobility to senior managers/staff to seek new challenges;
- (3) to achieve flexibility in the recruitment, hiring and transfer of senior managers/staff to meet the needs of the organization;
- (4) to provide opportunities for managers to develop skills and obtain education which will benefit both the manager and the organization;

- (5) to develop a government-wide perspective or "corporate" philosophy and to foster an esprit de corps among key organizational managers; and
- (6) to improve the delivery of services to the community through dynamic, innovative, and highly motivated leadership.

(c) Key features of MLS.

- (1) MLS has a broadband classification system and performance-based compensation system.
- (2) The MLS classification system has a single generic management track or "career path" consisting of three separate pay bands that are defined by scope, complexity, and delegated level of authority.
- (3) The compensation system is performance-based. Salary increases are not an entitlement based on years of service, but, instead, are based on performance plans, reviews, and accomplishments.
- (4) MLS members participate in continuous professional career training. This comprehensive development approach includes:
 - (A) multiple feedback skill assessment;
 - (B) individual developmental plans;
 - (C) comprehensive leadership training; and
 - (D) partnership program with leaders from other public agencies and the private sector.
- (5) A separate performance accountability system for MLS members requires an annual performance evaluation. The annual performance evaluation is the basis for pay and other personnel decisions. Advancement through the appropriate MLS salary range is based on performance.

2. Broadband classification structure.

(a) Plan.

- (1) MLS positions are assigned to a separate classification structure consisting of a single generic career path designated as the Management Career Path.

This career path consists of three separate levels (Manager I, II, and III) that are defined in the class specifications for each level by scope, complexity, and delegated level of authority.

- (2) The incumbents of most MLS positions are responsible for providing leadership to the organization by planning, directing, and executing a wide variety of County functions and services and are held accountable for the attainment of program objectives.

(b) Position classification.

- (1) A merit system position is assigned to the MLS if the position, prior to its inclusion in the MLS, either:
 - (A) was classified under the quantitative evaluation system at grade 27 or higher and the duties of the position include all of the following:
 - (i) directing the work of an organizational unit of a department, such as a division, section, or team;
 - (ii) supervising at least 2 full-time employees, or the equivalent of 2 full-time employees;
 - (iii) assuming responsibility for the success of one or more significant County programs, functions, or services; and
 - (iv) influencing County policy in the assigned area; or
 - (B) the position was classified under the quantitative evaluation system at grade 30 or higher and the duties of the position include developing and promoting public policy for major programs and management functions that are:
 - (i) directly related to the broad mission of the County government; and
 - (ii) in direct support the County Executive or CAO, or both, or other elected or appointed official.
- (2) Upon creation of a new position, the Director, Office of Human Resources, after reviewing staff recommendations, will determine if the position meets the above criteria and warrants inclusion in the MLS.

- (3) Advancement through the pay band associated with a management level is based on performance.
- (4) Movement to a higher management level is based on either a promotion to a vacant position in a higher management level or reclassification because of a significant change in duties.
- (5) Individuals appointed to high-level non-merit management positions will not be assigned to the classifications of Manager I, II, or III. These nonmerit positions will continue to be assigned to occupational classes created specifically for non-merit appointed officials. Such classes will be assigned to pay bands on the MLS Salary Schedule.

(c) Job titles.

- (1) MLS position incumbents may use working titles to distinguish their positions from others in the same career path.
- (2) Official job-specific titles will not be part of the classification structure of the MLS.

(d) Documentation.

- (1) The class specification for the Management Career Path describes the general duties, responsibilities and minimum qualifications of each management level in the MLS.
- (2) A brief position description form for each MLS position documents the major duties and responsibilities of the particular position as well as any specific technical or program expertise requirements necessary to perform the work of the position.

MONTGOMERY COUNTY GOVERNMENT COMPRESSED WORK SCHEDULE AGREEMENT

Employee's Role. A full-time employee who wishes to work a compressed work schedule should review the information on this form, specify the compressed work schedule to be worked below, including a fixed day off, and give the form to the employee's supervisor.

The work schedule must not be less than 80 regularly scheduled hours in a pay period. A compressed schedule changes the reporting period from a Sunday to Saturday pattern to either a Monday to Sunday (Schedules A & B) or a Friday to Thursday (Schedules C & D) pattern. As such, please populate the appropriate ten days of the new pattern below.

WEEK 1

DAY	Start Time	Stop Time
Friday (payday)		
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

WEEK 2

DAY	Start Time	Stop Time
Monday		
Tuesday		
Wednesday		
Thursday		
Friday (payday)		
Monday		

The above schedule is compressed work schedule (A, B, C, or D)_____. (See MCtime form and Section 15-4(b) of the Personnel Regulations for more information.)

Standards for Approving a Compressed Work Schedule. The supervisor and department director must evaluate the compressed work schedule agreement under the following standards:

- Operational requirements must be met;
- Service to clients or the public must be maintained or improved;
- Costs to the County must not increase;
- Each office or operation must have enough staff on duty during the normal period of public service, and
- The compressed work schedule must not diminish the ability of the department to assign responsibility and accountability to the employee for providing County services and performing the employee's official duties.

Supervisor's Role. The supervisor must review this form and meet with the employee to discuss the request. The supervisor should suggest to the employee any adjustments to the schedule necessary to maintain the effectiveness of the work unit. If the supervisor agrees with the terms of the request as stated in the form, the supervisor and the employee must sign the form and forward it to the department director.

If the supervisor and the employee do not agree to the terms stated on the form, the supervisor must forward a copy of the form and a summary of the points on which the supervisor and the employee agreed and disagreed to the department director.

Department Director's Role. The department director must review the compressed work schedule request and:

- Approve it
- Disapprove it, or
- Suggest changes in the terms for consideration by the employee and the supervisor to help them reach agreement

If the request is not approved, the department director must give the employee the reason. The decision of the department director is final.

The department director must:

- Complete a MCTime Compressed Schedule Request Form and receive a 2 week transition schedule.
- Give a copy of the approved or disapproved request to the employee
- Ensure that a copy is placed in the employee's department operating file, and
- Send a copy to the Director, Office of Human Resources

Important Information About Compressed Work Schedules

These are 4 compressed reporting schedules as follows:

- **Schedule A**, from 12:01 a.m. Monday through 12:00 midnight Sunday, with the first Monday off during the two-week pay period;
- **Schedule B**, from 12:01 a.m. Monday through 12:00 midnight Sunday, with the second Monday off during the two-week pay period;
- **Schedule C**, from 12:01 a.m. Friday through 12:00 midnight Thursday, with the first Friday off during the two-week pay period; or
- **Schedule D**, from 12:01 a.m. Friday through 12:00 midnight Thursday, with the second Friday (mid pay period) off during the two-week pay period;

An employee must work the scheduled number of hours each day as required by the fixed schedule. Alterations to the schedule should be minimal.

On the 8-hour Monday or Friday, an employee must work 4 hours before 12:00 noon and 4 hours after 12:00 noon in order to avoid creating overtime liability for the County. This is because, for compressed work schedules A and D, the 8-hour Monday or Friday is split between 2 workweeks and hours worked before 12:00 noon are in one workweek while the hours worked after 12:00 noon are in the next workweek. On compressed work schedules B and C, the hours on the 8-hour day are split between two different pay periods.

An employee must adhere to the schedule on the 8-hour day and must not change the 8-hour day to another day during the pay period. The employee must not work on the scheduled day off, and is not permitted to alter the scheduled day off to another day during the pay period.

If an employee uses annual or sick leave for the entire day on a day on which the employee is scheduled to work 9 hours, the employee must record 9 hours of annual or sick leave on the timesheet for that day. Similarly, an employee must record 8 hours of leave on the timesheet for a day on which the employee is scheduled to work 8 hours.

- Exclude employees in an organizational unit, position, or class of positions from working compressed work schedules if the operation does not lend itself to such schedules
- Limit an employee to a particular compressed schedule with a specific day off if the department director determines that it is consistent with operational requirements, and
- Exclude an employee with a performance or attendance problem from working a compressed work schedule.

 The effective date
 of this job sharing agreement is _____.
date
 The work schedule is as follows:
 Sunday _____ Monday _____ Tuesday _____ Wednesday _____

Thursday _____ Friday _____ Saturday _____. The work schedule must include not less than 40 regularly scheduled hours per pay period.

Attach a copy of the job sharing plan that shows how the duties of the position will be divided.

The employee understands and accepts the following conditions of job sharing and part-time employment

- Annual leave, sick leave, holiday leave, and personal leave days are prorated.
- Paid time off (PTO) is prorated.
- Health benefits are not affected and remain the same.
- Retirement benefits may be based on a combination of full-time and part-time service.
- Life insurance and tuition assistance benefits (ETAP) decrease by 50 percent.
- The maximum for deferred compensation is 25 percent of salary.
- Seniority credits for reduction-in-force (RIF) and for meeting minimum qualification requirements are prorated. For example, one year of part-time service at 40 hours per pay period equals 6 months of seniority for RIF or 6 months of experience toward minimum qualification requirements.
- If the employee works more than 40 hours in a pay period, the employee must not be paid at the overtime rate or receive compensatory time at the overtime rate unless the employee has worked more than 40 hours in a work week or 80 hours in a pay period.
- All other benefits and the laws, regulations, and rules that determine a job sharer's conditions of employment apply as to a part-time employee.

For more information about job sharing, see Section 15-4(c) of the Personnel Regulations.

The supervisor and department director must evaluate the job sharing agreement under the following standards:

- Operational requirements must be met;
- Service to clients or the public must be maintained or improved;
- Costs to the County must not increase;
- Each office or operation must have enough staff on duty during the normal period of public service, and
- The arrangement must not diminish the ability of the department to assign responsibility and accountability of the job sharing employees for providing County services and performing the employee's official duties.

The supervisor must review the plan and meet with the employee to discuss the plan. The supervisor should suggest to the employee any adjustments to the plan necessary to maintain the effectiveness of the work unit. If the supervisor and the employee agree, they must sign the

completed job sharing agreement and submit it to the department director for approval. If they cannot agree, the supervisor must submit to the department director a written summary of the areas of agreement and disagreement and a copy of the proposed plan.

The department director must review the job sharing plan and:

- ☐ Approve it
- ☐ Disapprove it, or
- ☐ Suggest changes in the terms for consideration by the employee and the supervisor to help them reach agreement

If the plan is not approved, the department director must give the employee the reason for not approving the request. The decision of the department director is final.

The department director must:

- ☐ Give a copy of the approved or disapproved plan to the employee
 - Ensure that a copy is placed in the employee's department operating file, and
- ☐ Send a copy to the Director, Office of Human Resources

If one of the job-sharing employees leaves, the department director may:

- ☐ Renew the job sharing agreement and fill the vacant position under the merit system procedures, or
- ☐ Dissolve the job sharing agreement and return the employee to full-time status.

If the department director dissolves the job sharing agreement and the remaining employee refuses to return to a full-time position, the department director may abolish the part-time position and conduct a RIF under Section 30 of the Personnel Regulations. The decision of the department director is final.

**Montgomery County Government****Certification for Serious Injury or Illness of Covered Servicemember
for Military Family Leave
(Family and Medical Leave Act of 1993 as amended)**

The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking military family leave due to a serious injury or illness of a covered servicemember to submit a timely, and complete certification providing sufficient facts to support the request for leave.

SECTION I: For Completion by the EMPLOYEE and/or the COVERED SERVICEMEMBER for whom the Employee Is Requesting Leave The employee or covered servicemember should complete Section I before having Section II completed. Your response is required to obtain or retain the benefit of FMLA-protected leave. Failure to do so may result in a denial of an employee's FMLA request. You have 15 calendar days to return this form to your supervisor.

SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE ("DOD") HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD TRICARE network authorized private health care provider; or (3) a DOD non-network TRICARE authorized private health care provider **INSTRUCTIONS to the HEALTH CARE PROVIDER:** The employee listed on Page 2 has requested leave under the FMLA to care for a family member who is a member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA leave due to a covered servicemember's serious injury or illness includes written documentation confirming that the covered servicemember's injury or illness was incurred in the line of duty on active duty and that the covered servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave.
